My Life As I Remember It Growing Up In Alabama:

My Life as I Remember It Billy D. Smith, 2009-10 In writing my book I tried to the best of my memory and with the help of a lot of people to relate and have a true story about the things that we did as children and adults about growing up and living in a small town in Alabama Even though times were hard then I feel very fortunate to have grown up during that time and in that place I believe that my life has been guided and protected by a Higher Being and I thank God for looking after me and guiding my life I also had some great teachers which I am thankful for knowing Most of our teachers loved us and tried to help when they could to prepare for our future All this gave me confidence to go into adult life and knew that I had my future in my hand and could make my life and that I alone am responsible for my actions I believe that growing up in Roanoke gave me the knowledge and background to have a great life for which I am thankful and I hope for many more good years

How to Create Joy Daily in Your Life Marie Murray, 2008-03 This book is based on a true story about how I changed my health I grew up on a large farm where we lived off of the land I ate fresh fruits and vegetables daily When I moved to the city as young adult I began purchasing foods from the grocery store that were frozen processed or canned I was consuming too many preservatives and I was also eating fast foods As a result I began to feel different I felt tired sluggish and energy depleted which was new to me because I had never felt that way on the farm Consuming the right foods was the key to improving my health because we truly are what we eat We need to eat a variety of fresh fruits and vegetables daily Also we need plenty of sunshine fresh air and activities such as working and playing Every night we need to rest relax and sleep If you or someone you know has ever suffered from diseases such as cancer Alzheimer s dementia stroke diabetes heart disease high cholesterol depression anxiety or stress you need to read this book This book was written to bring joy into your life daily in every area Enjoy

Feminisms and Womanisms Althea Prince, Susan Silva-Wayne, 2004 Feminisms and Womanisms brings together theory and practical application so that feminist discourse interacts as a partner with the lived experience of women s social action The selections combine classics in feminist thought with work from modern theorists and offer a solid foundation in international feminism The conceptual understanding embedded in the terms feminism and womanism contributes to feminist discourse a carefully differentiated focus on the ideological uses of language to define relationships that have been historically mired in domination The terms also define the way gender often has been used to signify and support domination Given that feminism and womanism are interpretive concepts there is always a sense that knowledge making is in progress for there is nothing static or stagnant about feminism feminist theory and feminist action The formative nature of the feminist movement has of necessity a parallel interpretive theory This reader embraces both the formative nature of the movement and the accompanying interpretive theories It also pays attention to the chronological cultural geopolitical racial and ethnic landscapes and sites where women live carry out social action and theorize issues of equality For both the general and academic reader this book will be edifying while providing exposure to the feminist
