My Life an Attempt At An Autobiography:

My Life Leon Trotsky, 1970 Autobiographical account by a leader of the October 1917 Russian revolution the Soviet Red Army and the battle initiated by Lenin against the Stalinist bureaucracy One of the best books of reminiscences Trotsky's capacity for not measuring the historical process by the yardstick of his personal fate makes this book so much better than the unconvincing apologies of kings and statesmen The author is obviously a born writer The Nation **My Life** Leon Trotsky, 2023-03-02 Since *My Life* was first published it has been regarded as a unique political literary and human document Written in the first year of Trotsky's exile in Turkey it contains the earliest authoritative account of the rise of Stalinism and the expulsion of the Left Opposition who heroically fought for the ideas and traditions of Lenin Trotsky's exile is the culmination of a narrative which moves from his childhood his education in the universities of Tsarist prisons Siberia and then foreign exile to his involvement in the European revolutionary movement and his central role in the tempestuous 1905 revolution and the Bolshevik victory in October 1917 and the civil war which followed The work concludes with his deportation and exile With an introduction by Alan Woods and a preface by Trotsky's grandson Vsievolod Volkov *Leon Trotsky's My Life* Leon Trotsky, 2004 This priceless historical document by the Bolshevik leader features firsthand accounts from the top levels of the Russian revolutions of 1905 and 1917 Trotsky chronicles the struggle to consolidate a government run by workers and peasants along with the rift between Lenin and Stalin and its political consequences **My Life; an Attempt at an Autobiography [by] Leon Trotsky** Leon Trotsky, 1930 **My Life** Sofia Andreevna Tolstaya, 2011-02-21 One hundred years after his death Leo Tolstoy continues to be regarded as one of the world's most accomplished writers Historically little attention has been paid to his wife Sofia Andreevna Tolstaya Acting in the capacity of literary assistant translator transcriber and editor she played an important role in the development of her husband's career Her memoirs which she titled *My Life* lay dormant for almost a century Now their first time ever appearance in Russia is complemented by an unabridged and annotated English translation Tolstaya's story takes us from her childhood through the early years of her marriage the writing of *War and Peace* and *Anna Karenina* and into the first year of the twentieth century She paints an intimate and honest portrait of her husband's character providing new details about his life to which she alone was privy She offers a better understanding of Tolstoy's character his qualities and failings as a husband and a father and forms a picture of the quintessential Tolstoyan character which underlies his fiction *My Life* also reveals that Tolstaya was an accomplished author in her own right as well as a translator amateur artist musician photographer and businesswoman a rarity in the largely male dominated world of the time She was actively involved in the relief efforts for the 1891-92 famine and the emigration of the Doukhobors in 1899 She was a prolific correspondent in touch with many prominent figures in Russian and Western society Guests in her home ranged from peasants to princes from anarchists to artists from composers to philosophers Her descriptions of these personalities read as a chronicle of the times affording a unique portrait of late 19th

and early 20th century Russian society ranging from peasants to the Tsar himself My Life is the most important primary document about Tolstoy to be published in many years and a unique and intimate portrait of one of the greatest literary minds of all time The Modern Language Association MLA awarded the Lois Roth Award to John Woodsworth and Arkadi Klioutchanski of the University of Ottawa s Slavic Research Group for their translation of Sofia Andreevna Tolstaya s My Life memoirs My Life was selected among the top 100 non fiction works of 2010 by The Globe and Mail It has also won an honourable mention in the Biography and Autobiography category of the 2010 American Publishers Awards for the Professional and Scholarly Excellence PROSE awards And finally it made it into the Association of American University Presses 2011 Book Jacket and Journal Show Published in English Leon Trotsky My Life Leon Trotsky,1970 **The Story of My Life / История моей жизни** Махатма Карамчанд Ганди,2024-03-14 PDF A4 **In My Life** Opiew O. Cham,2011-10-13 The idea that I write my memoirs came to me when I had barely begun to live in Kaufman Texas and continued all through the years But I never paid heed to the plan I was living my life intensely what need to write about it Another reason for my reluctance was the conviction I entertained that one should write about one s life only when one had ceased to stand in the very torrent of it When one has reached a good philosophic age I used to tell my friends capable of viewing the tragedies and comedies of life impersonally and detachedly particularly one s own life one is likely to create an autobiography worthwhile Still feeling adolescently young in spite of advancing years I did not consider myself competent to undertake such a task Moreover I always lacked the necessary leisure for concentrated writing I discovered much to my discomfiture that old age far from ripening wisdom and mellowness is too often fraught with senility narrowness and petty rancor I would not risk such a calamity and I began to think seriously about writing my life biography I am a very nostalgic person As long as I can remember I have enjoyed thinking about the past and how it melded into the present especially in reference to my own life and my own family history This life story is about over all my life in Africa and United States of America I had included the stories about my parents relatives what life was like for them and what they were doing when they were alive I like looking at old pictures and other mementos that help bring some of that past back to life or just evoke the spirit of the memories This story is about my childhood life I had in Ethiopia refugee camp and United States of America and my family as seen through my eyes It is my snapshot my memories to share with the world Now I do not know why anyone would be interested in my life but I hope a few people especially family will find it interesting and to help keep it interesting I promise to keep chapters and stories short concise and to the point After all nothing is more boring than someone s tedious diatribe about something so entirely mundane If you get to that point just skip to another story and just try to find something interesting and of value to you If you still can t find anything of value in the reading then I apologize but still thank you for trying As for me I believed I had more fun writing this than anyone would ever have reading it **The Story of My Life** Mohandas Gandhi,2020-04-08 It is not my purpose to attempt a real autobiography or story of my life I

simply want to tell the story of my numerous experiments with truth and as my life consists of nothing but those experiments the story will take the shape of an autobiography M K Gandhi November 1925 Gandhiji s Autobiography and his Satyagraha in South Africa as published in English run into almost 1000 pages An abridgement of these two into a single volume of 283 pages was published in 1952 by the Navajivan Trust A request was received for a still smaller version for use in our schools This book has been specially prepared to meet the need Matters which are not likely to be of much interest to school children have been omitted and the language has been simplified where possible Bharatan Kumarappa July 1955 Mohan s story can become our story if we have the courage to follow in his footsteps He started young there is no reason for us to wait Tushar Gandhi great grandson of Mahatma Gandhi The book includes additional text and activities for exploring Gandhi in today s world Life Stories Maureen O'Connor,2011-08-23 Memoirs autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2 800 read alike and other related titles The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them In the past readers advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy This guide offers an alternative organizing the literature according to popular genres subgenres and themes that reflect common reading interests Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads Life Stories A Guide to Reading Interests in Memoirs Autobiographies and Diaries presents a unique overview of the genre that specifically addresses the needs of readers advisors and others who work with readers in finding books

My Lifean Attempt At An Autobiography Introduction

In the digital age, access to information has become easier than ever before. The ability to download My Lifean Attempt At An Autobiography has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download My Lifean Attempt At An Autobiography has opened up a world of possibilities. Downloading My Lifean Attempt At An Autobiography provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading My Lifean Attempt At An Autobiography has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download My Lifean Attempt At An Autobiography. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading My Lifean Attempt At An Autobiography. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading My Lifean Attempt At An Autobiography, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download My Lifean Attempt At An Autobiography has transformed

the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
