conversion and deepening of faith After the visible sign those living will have little time for conversion Many books have been written about Medjugorje but this one and Volume I and Volume II of this series are different They include not only information about Medjugorje and talks and interviews with the visionaries but also heartfelt testimonies of people who have been healed and changed through Medjugorje and advice written from the heart by ordinary people on how to live the messages This book will truly touch your heart and lift your spirits Deliverance from Witchcraft The Woman called Moses,2018-06-09 This book is an expos from Gods record in the Bible of what is happening in the spiritual realm that is causing families and nations to be torn apart God states that he is against manipulation and oppression and calls it witchcraft The book awakens ones awareness of the contrasts of darkness versus light It addresses modern day family dynamics and outlines my personal journey as a victim of manipulation and how I was able to overcome it when I accepted Jesus Christ the light of the world as my personal Savior My Heavenly Father warned me through a series of dreams and visions about the devils plans to destroy my life and taught me through his precious Holy Spirit how to overcome it This is my opportunity to expose the plans that the devil has for families nationwide and worldwide thereby giving those who have lost their way an opportunity to receive healing deliverance and restoration
