My Longest Night:

My Longest Night Genevieve Duboscq, 1984-06-01 This is the 1st UK edition hardback published in 1984 by Leo Cooper with dustjacket ISBN 0436138107 222 pages 8vo over 7 9 tall Note the book was published with the wrong ISBN on the bibliographic details page 0436377055 the correct ISBN is on the back dustjacket flap The book was originally published in the native French in 1978 by Editions Robert Laffont entitled *Bye Bye Genevieve* It was subsequently published in New York in 1981 by Seaver Books Contents Such was the sleepy nature of the Normandy town of Sainte Mere Eglise and such was the hostile nature of the vast area of marshes and lowlands surrounding it that it seemed immune from the terror and chaos of war Indeed it seemed hard to imagine the local people ever hearing more than the distant rumblings of war or suffering more than those minor discomforts and humiliations which plague a rural community largely left alone by an Army of Occupation The evening of June 5th 1944 seemed like any other yet for Genevieve Duboscq not yet twelve and her five year old brother that evening would become their longest night one they would never forget An American paratrooper appeared on the Duboscq s doorstep quickly followed by other battered emissaries of freedom The Duboscq s house became an emergency shelter their knowledge of the region the difference between life and death success and failure to those liberators from the sky *My Longest Night* with exemplary simplicity and poignancy depicts D Day and what followed in a way that it has never been presented before Genevieve Duboscq emerges as a remarkable young woman whose story will touch the hearts and minds of all who read it **My Longest Night** Geneviève Duboscq, 1994 *The Longest Night* Gavin Mortimer, 2006-10-03

An emotionally stirring account of the single most devastating attack on London during the Blitz A captivating and important contribution History that reads like a novel Kirkus The untold story of the massive bombing raid that almost brought Britain to military collapse *The Longest Night* reveals just how close the Luftwaffe came to total victory On the night of May 10 1941 Nazi Germany sent some five hundred aircraft to drop more than seven hundred tons of explosives on London This vivid dramatically told account depicts how fate shifted based on Hitler s mistaken belief that he d actually lost the air war over Britain and portrays the unsurpassed we can take it bravery of the British people when they d been pushed beyond all human endurance An excellent book Gavin Mortimer has interviewed scores of survivors for his gripping narrative Andrew Roberts *The Wall Street Journal* **The Longest Night** Marion Dane Bauer, 2009 All through the forest animals long for dawn s warmth on the longest night of the year It will take a tiny and gentle creature to summon a new day Full color **The Longest Night** David J Eicher, 2002-03-30 A riveting indispensable history of the Civil War told chronologically from the first shots fired at Fort Sumter to the surrender in the summer of 1865 a conflict that James McPherson in the Foreword calls the most dramatic violent and fateful experience in American history In this compelling account of the American Civil War noted historian David Eicher gives us an authoritative history of battle from the first shots at Fort Sumter to Lee s surrender at Appomattox As a strictly military history *The Longest Night* covers hundreds of engagements both well known and obscure

including the oft neglected Western theater and naval actions along the coasts and rivers The result is a gripping popular history that will fascinate anyone just learning about the Civil War while offering more than a few surprises for longtime students Drawing on hundreds of sources and excerpts from correspondence by those who fought the war The Longest Night conveys a real sense of life and death on the battlefield In addition Eicher analyzes each side s evolving strategy examines the tactics of Lee Grant Johnston and Sherman and discusses significant topics such as prisons railroads shipbuilding clandestine operations and the role of African Americans in the war This is an definitive chronicle of the war that as the author writes like no other conflict in our history casts a long shadow onto modern America My Longest Night Geneviève Duboscq,2011 Normandy World War II A French family of four is sound asleep All seemed routine But for Genevieve Duboscq a girl of not yet twelve Claude her four year old brother and her parents the night of June 5 1944 would become their longest night A night they would never forget One American paratrooper like a Martian appeared at the Duboscqs doorstep jolting the family out of their sleep Two more followed and within minutes several dozen other battered young men were filling the small house that instantly became an emergency shelter The Longest Night Gregg Keizer,2005 An underground resistance movement based in Europe needs muscle and money to intercept a train carrying Dutch Jews to their death Leonard Weiss is given the assignment The Longest Night ,1963 My Longest Night Genevieve Duboscq,1986-10
