Finding God Wren Richardson,2012-10-25 A near death experience NDE caused by a reaction to

anesthesia allows the author Wren Richardson to provide a profoundly healing message to a surgical assistant. The message is about moving forward in life even after we've lost someone we love. It's one that we all need to hear. Wren gives an account of her transformative journey which began at a young age with questions about the existence of God. She shares her struggles and triumphs that occurred during the integration of her NDE and the newly found spiritual awareness of what happens when we die. Every now and again we meet someone whose life's journey inspires our own. Wren Richardson, the author of *Finding God This is the Trip*, profoundly inspired my life and thanks to this book she may inspire yours as well. Her story transformed my appreciation for the apparent operation of a greater spiritual reality in contemporary life. Wren's journey reveals many treasures. Her writing is as entertaining as it is enlightening. May you enjoy and be enriched by Wren's journey as much as I have.

Gary E. Schwartz, PhD, professor of psychology, medicine, neurology, psychiatry, and surgery, director, Laboratory for Advances in Consciousness and Health, University of Arizona. Author of *The G O D Experiments* and *The Sacred Promise*.

You Can Trust Me—I'M a Doctor A. C. Gross, 2012-10-24. A lifelong pattern of use and abuse finally caught up with Dr. A. C. Gross when she was forty-three years old. She had been using drugs and alcohol to fix herself for as long as she could remember. Now in *You Can Trust Me*, Dr. A. C. Gross shares the story of her addiction and her journey to recovery. In this memoir, she describes growing up in a respectable middle-class Californian household where she was introduced to alcohol at a young age. She had her first taste of alcohol at age nine and first experienced being drunk at age fourteen. During her twenties, Gross tells how she continued to drink and experiment with drugs despite her rigorous studies. With her compulsive personality, excessive drinking and reckless use of pills became a constant part of everyday life. In 2004, with her physicians' career in jeopardy and her family life unraveling, Gross was forced to seek help. Recovery was her next step, but it was not easy. She narrates how it took her nearly ten months to realize that recovery involved surrender of the old self to the will of God. *You Can Trust Me*, Dr. A. C. Gross's story of learning a new way of life.

Abandoned Children Rescued, Orphaned, Restored, and Refined Carolyn M. Driver, 2012. This book is written to minister and give inspiration and encouragement to all of the orphaned and foster children around the world. She wants to give hope to those children who feel unloved and feel no one cares about them. The book answers the question, why were you created? God had a plan and purpose for your life. She wants all orphaned and abandoned children to know that God knew you while you were in your mother's womb. You were chosen by God to be born. She wants all abandoned and neglected children to know that God loves them and cares about them. Each child is very special in God's eye sight. She wants people to know that she did beat the odds even though she was abandoned at birth. She talks about her trials and tribulations from birth to adulthood. She talks about what it was like living in an orphanage and then a foster home. She discusses difficulties she had in selecting a mate for marriage as a result of not having a positive role model for a father as she was growing up. She discusses her triumphs in getting a college education which was very important to her survival in life. She discusses how she was able to achieve and accomplish her

goals in life with the help of Jesus Christ God sent an angel to rescue her **A Doctor's War** Arthur L. Ludwick, Jr., M.D., Peggy Ludwick, 2022-10-03 A medical officer in the 34th Red Bull Infantry Division on the front lines of World War II Lt Col Maj Arthur L Ludwick Jr was responsible for the well being of traumatized and wounded American soldiers through some of the bloodiest engagements in North Africa and Italy Kasserine and Fondouk Passes Hill 609 Monte Pantano Cassino and Anzio He was awarded both the Purple Heart and Silver Star unusual combat commendations for an unarmed medical officer His letters home detail his experiences with keen observations of the people and landscapes Based on Ludwick s letters and an archive of interviews military documents and photos this multifaceted narrative compiled by his daughter also tells the story of her discovery of her father as the young man she never knew *Next in Line* Timothy J.
