Cameron, 2023-08-02 With the Australian troops crossing of the Kumusi River in mid November 1942 after pushing the Japanese back along the Kokoda Track to the north coast of Papua New Guinea the time had come to face the entrenched Japanese at their beachheads at Gona Sanananda and Buna The Japanese were determined to fight to the last man in the defence of these critical positions The first beach to be captured by the Australians was Gona which fell on 9 December after bitter fighting This however was not the end of the fighting around this beachhead as just west of Gona on the opposite side of Gona Creek a larger Japanese Force had been landed which was intent on not only reinforcing Gona but also Sanananda and Buna both located east of Gona The fighting west of Gona Creek would be just as brutal and deadly as the fighting to take the Gona Beachhead Even so after this fighting Australian and American troops operating together for the first time in the Pacific War were still bogged down in the battles to take Sanananda and Buna the fighting at these beachheads would continue into January 1943 *My Mob Going to the Beach* Kate McGrath, 2007 **Seven Figures by 17** Charlie Peretich, 2019-07-03 The book covers in full detail about the life of Charlie Peretich It ranges all the way back to his first business experiences he had in middle school all the way through his current operations today It also looks at the many challenges he faced along the way and how he was able to overcome adversity *Beaches, Blood, and Ballots* James Patterson Smith, 2000 This book the first to focus on the integration of the

Gulf Coast is Dr Gilbert R Mason's eyewitness account of harrowing episodes that occurred there during the civil rights movement. Newly opened by court order documents from the Mississippi Sovereignty Commission's secret files enhance this riveting memoir written by a major civil rights figure in Mississippi. He joined his friends and allies Aaron Henry and the martyred Medgar Evers to combat injustices in one of the nation's most notorious bastions of segregation. Wading In Amy Lemco, 2023-09-11 **Wading In** Desegregation on the Mississippi Gulf Coast frames the fight for beach and school desegregation within the history of Black life in Biloxi beginning with the arrival of slave ships on the Gulf Coast islands in 1721. Detailing the buildup of Back of Town businesses, lynchings in the early 1900s and national and state legislation repressing Black progress, author Amy Lemco contextualizes the regional atmosphere. Dr Gilbert Mason, a resilient civic leader, humanitarian and lover of the water, and his family encountered in 1955. Using extensive archival records and interviews with survivors, the book chronicles how Dr Mason inspired and helped organize local Black activists to peacefully protest the apartheid of Biloxi's beaches. Dr Mason operated under the surveillance of the State Sovereignty Commission, assaults by private citizens and the terrors of a decade riddled with the assassinations of civil rights workers. Grassroots efforts he led and inspired in Biloxi joined with the national movement to weaken the hold of white supremacy in the state. With unwavering perseverance and bravery, Dr Mason and fellow activists achieved the desegregation of Mississippi's beaches and made Harrison County schools the first primary school district in the state to integrate. **Wading In** firmly establishes Dr Mason as a national civil rights role model and presents the story of Mississippi's struggle to a new generation of readers.

After Before Time Robbi Neal, 2016-04-01 **Stories of life from a remote Aboriginal community** that sing with vivid and simple life truth and power. At the end of 2008 Robbi Neal and her family travelled to the other end of mainland Australia to a remote Aboriginal community. They planned to stay for twelve months. Seven years later they are still there. This moving collection of linked narratives centring around a remote Indigenous community has been inspired by real people and real events; the stories might read like fiction but they are based on fact. The events they describe really happened. Each story is true to the person who inspired it and Robbi has been given permission to share these truths by writing them down, both by the person who influenced each story and by the Elders concerned. These stories sing with vivid and simple life truth and power. These are stories of shame, pain and sorrow but also joy and love and they transform our understanding of the Indigenous experience. The narratives tell familiar stories of dispossession, destitution, children being taken away, hopelessness and powerlessness but it tells them in a very different, direct, simple and powerfully moving way. Robbi Neal captures in a unique and compelling way the voices and histories of these people, their warmth, humour, wisdom and often their irrepressible joy. **AFTER BEFORE TIME** is profoundly fresh, powerful and moving. Reading **After Before Time** is a total heart experience. Be prepared to experience a whole gamut of feelings as there is no soft pedalling here. The characters disclose the depth of their anger, sadness, grief and pain directly and bluntly. But there is also
