John C. Thibdeau

My Morocco:

Morocco and earthquakes seen through my glasses Poul Otto Jorgensen, 2024-10-15 I spend a lot of time in Morocco where I am married to the Berber woman Jamila We live in a mountain area in the village of Hay Assersif which is near a larger town called Aourir located approximately 20 km from Agadir When I am in Morocco I often talk to the people about Morocco and the different areas each with their own distinctive character When I drink my tea with nana mint I get to know many things ranging from geography population composition occupations government systems and family relationships and much more Regarding family relationships you have to be careful because in the Berber area where I am I have learned that many people are related to each other Well I know your wife well because my mother is her cousin I was told once and it was not the last time Sometimes when we go to Aourir and my wife greets someone I might already know I say Where do you know her from Well that's my aunt says Jamila The family is like brothers and sisters they can say bad things about each other but if I interfere I get the hat pool Although all those I have talked to and talk to about Morocco probably do not think how much and great information they have given me I would like to thank them very much because without their help it would not have been possible to write this book I would especially like to thank my little Berber wife Jamila Subsequent thanks must go to my friends mentioned in no particular order Soufiane Hassan my brother in law Mohamed Ahmed and Aaziz I have purposely not mentioned their last names as I know they won't care Furthermore my late brother Henning Jorgensen's reports have been an invaluable help He often told about the Morocco he traveled sparsely when he worked in Morocco where he also had many acquaintances from high to low

Garbin,2013-07-01 In Game of My Life Georgia Bulldogs several prominent Georgia players of the past share their fondest single game experience and memories in their own words Some of these games involve championships and others seem ordinary save for significant personal meaning In each case it is the player who singles out the game that moment in time that to him is the most defining of his Bulldog career From Pro Football Hall of Famer Charley Trippi to Tra Battle who in 2006 helped the Bulldogs shock Auburn and many more great Bulldogs in between the players have created a plethora of memorable experiences on the football field In this book they can tell you about those games when everything seemed to come together to create an experience that they will never forget **Among My Books** James Russell Lowell,1882 **Medicines of the Soul** Fedwa Malti-Douglas,2023-07-28 In

Medicines of the Soul the autobiographical writings of three leading women in today s Islamic revival movement reveal dramatic stories of religious transformation As interpreted by Fedwa Malti Douglas the autobiographies provide a powerful groundbreaking portrayal of gender religion and discourses of the body in Arabo Islamic culture At the center of each story is a lively female Islamic spirituality that questions secular hierarchies while reaffirming patriarchal ones In Medicines of the Soul the autobiographical writings of three leading women in today s Islamic revival movement reveal dramatic stories of religious transformation As interpreted by Fedwa Malti Douglas the autobiographies provide a powerful g Home and Migrant Identity in Dialogical Life Stories of Moroccan and Turkish Dutch Femke Stock,2017-09-04 In Home and Migrant Identity in Dialogical Life Stories of Moroccan and Turkish Dutch Femke J Stock explores the multivoiced life stories of Dutch adults of Moroccan and Turkish descent Focusing on stories about home this book deals with social relationships and being oneself countries and houses discrimination and Islamophobia family and religion and how these feature in personal narratives Through microanalysis of case study material using Dialogical Self Theory this book formulates and substantiates clear insights into descendants of migrants roots and routes their sense of home and their ambivalent processes of dis identification and belonging Showing how religion plays a relatively marginal role in personal narratives it provides an antidote to the widespread tendency to address and study Muslims almost exclusively in terms of their religious identity

Sufism in Morocco's Religious Politics John C. Thibdeau,2023-07-25 This book outlines the role of Sufism in Moroccan politics in the twenty first century through a comparative study of contemporary Sufi organizations The author begins his analysis by highlighting the strategies employed by the Moroccan state over the past twenty years aimed at regulating and producing an authorized Moroccan Islam in the kingdom Despite these policies of spiritual security and spiritual diplomacy including the state sponsorship of Sufi organizations the author argues that this has not decreased diversity nor produced a banal interpretation of Islam but rather given rise to diverse articulations and performances of this religiosity Through a

comparative analysis of three Sufi organizations based on eighteen months of fieldwork two of which have never before been studied the author brings into relief the spaces of creative enactment of Sufism as an ethical tradition Ultimately it is argued that each Sufi organization reflects a different refraction of i s n a concept emphasising the cultivation of public piety which underpins the Moroccan state s formulation of Islam Focused on both theoretical contributions to Islamic studies and topical treatments of geopolitical issues like spiritual diplomacy the Western Sahara and Morocco Algeria the book spans multiple disciplines including anthropology religious studies sociology and political science *Across the Mediterranean* Tammy Greene, Editor: Cari Hernandez, *The Old Plantation* Susan P.
