the world but our government and all the people of the world that they may consider Gods way and not their own ways to survive in this world God has given this country the best of all blessings We have never had a war with another country on our own native soil We have been blessed with riches and freedom abundantly because we started this country by putting God first in all things But our government has turned its back on Gods ways and if not corrected God will surely lay his wrath against this country and many will suffer and many will die if we dont begin to live the last days according to his word and by his laws which are written in his Holy Bible I have been inspired by God to write this that millions of souls from Nation to Nation shall be saved That many may take heed to put on the whole armor of God to prepare for a spiritual warfare As all the revelations are coming to past before our very eyes I hope this will help save our cultures bring back tradition and ethic norms and values into our American Society I want to give thanks to God AAA NA and my sister Sandra Wright for helping and inspiring me to finish this four year task and to continue Gods work to bring the true believers together for God and help break the many cycles that are causing our sociological structure to self destruct From a child I was told some day that I would be special or do something for Gods will being the 7th son and the 7th child They said I was Holy In this book I will tell you all the good and bad things which I saw in my life time and experiences with the natural and the super natural and the spiritual warfare that exist between life and death and the good and the evil which is real in all our lives today This book no matter how hypocritical it may seem is based on true stories of my own self experiences that it may help some people whos having the same problems come forth for testimony so the unbelievers will become believers in Christ Jesus and to learn that Satan and his demons are real

The Princess Doll's Scrapbook Elaine Melby Ayre,2014-12-04 imparts evanescent visions of oceans crossed and lands traversed from the late 1800s and grounds the reader to the present time Beginning in Norway and culminating in Canada a lovingly crafted outline of the author s rich family history more than the record of an heirloom or a family tree the reconstruction of the story of a family rooted and established in love sharing an unshakeable faith and reaping the blessing of a clan that has spanned centuries a compelling

work because of the universal appeal of seeking out one's family history and the sense of timeless belonging revealed throughout a haunting yet comforting story that shares the same interesting elements of famous stories that explore the details of pioneer living. I compliment you on your thorough thoughtful research and your writing style. This book is a real treasure. It will appeal to a variety of readers young and old, anyone interested in Norwegian immigrant stories or who want to know something about researching family history and learn what drew relatives to Canada a century ago and about the adventure of doing research about things of value to us.
