

A photograph of a rocky shoreline. The foreground is filled with dark, wet rocks and pebbles, some covered in green algae. The ocean is in the background, with white-capped waves crashing against the shore. The sky is a pale, overcast blue.

My Past Was Written The Taking Of Innocence:

Predator Within Ophelia Lucas, 2006-11-20 This book the Predator Within reflects many people who have experienced the similar abuse Growing up in todays society is a real challenge for any child as well as an adult My life is based on my own personal struggles within The obstacle sometimes is not what you try to avoid but what you try to forget We all have something that we are ashamed of or want to forget but our minds are a light to our soul and a hard drive of information that no matter how hard we try to delete the information the shame or fear is still in memory This book is a light of my soul and a memory of my hard drive to move forward This is about my lifes journey to continue to pursue my destiny even when the odds are tacked against you My life is only a testimony to all not to give up on their dreams even if life takes an ugly turn never give up on your destiny to be all that God wants you to be I have learned to be an over comer instead of the victim For every book purchase a part of it proceeds will be donated to develop awareness and encourage others who have lost their way Thank you for all of your supports

The 3rd Greatest Book Ever Written Dr. Brandon Day, 2025-05-10 Dr Brandon Day takes us on his lifelong odyssey of hellish introspection and painstaking self discovery He chronicles his battles with homelessness addiction bosses teachers cable companies neighbors his children and his ex wife to answer the existential question that burns inside all of us Am I the Asshole NEW YORK TIMES Brandon Day grew up in an abusive home All through his childhood his sadistic and overbearing parents tortured him by forcing him to perform all sorts of unthinkable acts such as brushing his teeth and doing his homework and by the time he was ten years old he had already become addicted to Nintendo He would spend hours upon hours in his bedroom playing games such as Mike Tyson s Punchout and The Legend of Zelda as a means to escape the suffering he endured at the hands of his cruel and merciless parents Without any real skills talent or drive Dr Brandon Day knew that if he wanted to become rich and famous that he would have to tell his story He would have to write a really self righteous memoir where he plays the victim and shits all over his friends and family complains about how hard his life is and then brags about how he overcame it all That would be his only way out of the insufferable torture of having hardly any followers on social media But upward mobility required crafting the perfect resilience narrative He had to prove to himself and the rest of the world that he was not just lazy and he was an overcomer made stronger by all the bullshit he had endured at the hands of not only his parents but other family members friends co workers teachers wives ex wives bosses neighbors and even his own children However the truth was more complicated After he graduated from college Dr Brandon s mom and dad kept breaking his balls about smoking too much pot and finding a fucking job already If only it were that easy Eventually his parents would kick him out of their house and even force him to pay for his own car insurance when he was just a young scared 26 years old little boy Dr Brandon learns to confront his own past filled with many secrets a marijuana stash he hid in his sock drawer all through high school phone calls from debt collectors who use strange numbers to try to trick him into picking up dozens of lost car keys and wallets he never found and

sometimes even peeing in the kitchen sink when he is drunk All of which led to the unbecoming desperation of a 40 year old man forced to a reckoning with his own identity Although Dr Brandon would go on to graduate from college and become a high school guidance counselor he found that sweet ass summer vacations and a strong teacher s union didn t necessarily mean safety from judgment from the patriarchy or American meritocracy Both a chronicle of the American Dream and an indictment of it this searing debut memoir exposes the price we pay for the promise of a bright future Dr Brandon Day s story challenges our ideas of what it means to overcome and live life on our own terms even if those terms mean that you re kind of an asshole *The Mysteries of London Volume 1 (of 4) (Illustrations)* George William MacArthur Reynolds,2014-12-02

Example in this ebook Between the 10th and 13th centuries Civilisation withdrew from Egypt and Syria rested for a little space at Constantinople and then passed away to the western climes of Europe From that period these climes have been the grand laboratory in which Civilisation has wrought out refinement in every art and every science and whence it has diffused its benefits over the earth It has taught commerce to plough the waves of every sea with the adventurous keel it has enabled handfuls of disciplined warriors to subdue the mighty armaments of oriental princes and its daring sons have planted its banners amidst the eternal ice of the poles It has cut down the primitive forests of America carried trade into the interior of Africa annihilated time and distance by the aid of steam and now contemplates how to force a passage through Suez and Panama The bounties of Civilisation are at present almost everywhere recognised Nevertheless for centuries has Civilisation established and for centuries will it maintain its headquarters in the great cities of Western Europe and with Civilisation does Vice go hand in hand Amongst these cities there is one in which contrasts of a strange nature exist The most unbounded wealth is the neighbour of the most hideous poverty the most gorgeous pomp is placed in strong relief by the most deplorable squalor the most seducing luxury is only separated by a narrow wall from the most appalling misery The crumbs which fall from the tables of the rich would appear delicious viands to starving millions and yet those millions obtain them not In that city there are in all districts five prominent buildings the church in which the pious pray the gin palace to which the wretched poor resort to drown their sorrows the pawnbroker s where miserable creatures pledge their raiment and their children s raiment even unto the last rag to obtain the means of purchasing food and alas too often intoxicating drink the prison where the victims of a vitiated condition of society expiate the crimes to which they have been driven by starvation and despair and the workhouse to which the destitute the aged and the friendless hasten to lay down their aching heads and die And congregated together in one district of this city in an assemblage of palaces whence emanate by night the delicious sounds of music within whose walls the foot treads upon rich carpets whose sideboards are covered with plate whose cellars contain the choicest nectar of the temperate and torrid zones and whose inmates recline beneath velvet canopies feast at each meal upon the collated produce of four worlds and scarcely have to breathe a wish before they find it gratified Alas how appalling are these contrasts And as if to hide its infamy from the face of heaven this city wears upon its brow an everlasting cloud

which even the fresh fan of the morning fails to disperse for a single hour each day And in one delicious spot of that mighty city whose thousand towers point upwards from horizon to horizon as an index of its boundless magnitude stands the dwelling of one before whom all knees bow and towards whose royal footstool none dares approach save with downcast eyes and subdued voice The entire world showers its bounties upon the head of that favoured mortal a nation of millions does homage to the throne whereon that being is exalted The dominion of this personage so supremely blest extends over an empire on which the sun never sets an empire greater than Jenghiz Khan achieved or Mohammed conquered This is the parent of a mighty nation and yet around that parent s seat the children crave for bread To be continue in this ebook *My Struggle: Book 2* Karl Ove Knausgaard,2014-06-03 A six volume work of fiction by the Norwegian author Karl Ove Knausgaard *Colours of Your Life* Steve Dinga,2012-09-05 Have you ever wanted to reconnect with your childlike spirit and live with peace joy gratitude happiness and an expanded presence of love in your life By healing past disappointments and traumatic experiences Colours of Your Life provides a framework to aid the process of forgiving yourself and others and opening your heart to the possibility of living life to the fullest For those who are in recovery Colours of Your Life presents a foundation to continue the work of twelve step programs For those seeking a deeper sense of peace and fulfillment it serves as a holistic approach to wellness And to those who have been on a healing path it anchors your spiritual awakening by providing a daily ongoing discipline to follow Wherever you are on your spiritual journey you can return to a place of peace and love a place you have only left in your thoughts not in reality You can experience a deeper sense of love in the present moment aware of your authentic self free to create the colours of your life For the bee a flower is the fountain of life and to the flower a bee is a messenger of love and to both the bee and the flower the giving and receiving of pleasure is a need and an ecstasy The Prophet by Kahlil Gibran To Then and Back Again J. Bryson McMillan,2012-03-02 To Then And Back Again is a memoir written in two parts It s a book for those who enjoy the trials and tribulations of real life people and feel they can or would like to relate to those whom they are reading about It s a memoir about only those richest most interesting details concerning my life or so I would like to think It was written to convey those sometimes simple sometimes complex but many times emotionally charged experiences I ve had during my life Whether these emotions were elicited by the harsh realities of adversity that I like many have faced and overcome or by the personal triumphs achieved through perseverance and at times through sheer willpower alone is for the reader to decide I will however try to express them in such a manner as to allow the readers the chance to decide for themselves We will embark on a journey to then and back again an odyssey that will encompass a multitude of adventures that are at times disturbing and chaotic and at other times fascinating and humorous These adventures will range from overcoming desperation and loneliness as a result of a hidden identity to the anguish of a best friend and his suicide that served absolutely no purpose nor had any meaning a suicide that gained nothing for anyone especially himself From an insidious monster s theft of a child s innocence to things that just happen catching you unaware

then kicks you right square in your pearly whites The journey will certainly run the gamut of human experiences and emotions and I will share my life with the reader if they wish to take the ride And of which I m also certain if I do it suitably then they will vicariously become the reader s adventures as well The first part is about my life from the time I was about eight years old when our family home was destroyed by fire to when I was just out of high school and first went out to live on my own The second part will be about my life from when I was about twenty until I was thirty something It will begin when my dad and I built my first home until I finally moved from my home town to go off to medical school

A Struggle for Rome
 Felix Dahn, 2017-11-22 Felix Dahn was a nineteenth century German Professor of Jurisprudence as well as a historian novelist and poet who was greatly admired by his academic contemporaries for his grasp of the historical detail of the periods about which he wrote He has been well served by this magisterial translation which at last makes this astonishingly rich novel available to the modern English reader This is a story perhaps the story of the clash between two great civilizations of the sixth century of the Common Era when the Roman Empire had crumbled into dust the struggle for Rome and for Italy between the Eastern Roman Empire of Byzantium ruled by Justinian and the Gothic warrior tribes who had captured Italy under their legendary king Theodoric We see this epoch through the eyes of different personalities at the centre of these events which shook the world as they knew it most are historical figures and some are imaginary but typical Justinian and his beautiful and scheming wife Theodora the great commander Belisarius immortalised by Robert Graves Totila and Teias two Gothic kings one as bold and bright as the sun and the other as black as night and Cethegus the Prefect of Rome and the last of the Romans whose cold and calculating nature runs through the book like a steel thread who will stop at nothing to regain the ancient city and who in the end fails and redeems his many crimes with a hero s death Firmly based on historical fact and contemporary sources *A Struggle for Rome* is one of the great historical novels of the world
