Obsession Carolyn Beard Whitlow,Marilyn Krysl,2014-03-04 The sestina of medieval French origin is a complex poetic form of 39 lines six sestets and a three line envoy in which the six end words teleutons of the lines of the first sestet stanza are repeated in a specific order as teleutons in the five succeeding sestets In the envoy the six teleutons are again picked up one of them being buried in and one finishing each line Because of the complexity of the form the sestina fell out of favor with poets for several decades However a twenty first century revival of the form is underway This is the first anthology of sestinas that showcases both traditional and innovative examples of the form by modern and contemporary poets award winners and emerging writers alike Organized by such themes as Americana Art Love and Sex and Memory Contemplation Retrospection and Death the collection also includes sestinas with irregular teleutons and unconventional sestinas An evocative introduction by Marilyn Krysl acquaints readers with the form The volume concludes with useful indexes of first lines and teleutons increasing access to the poems beyond the poets names

In Spite of Heroin Dana Chase,2016-09-15 An idyllic upbringing unconditional love and the serenity of the Heartland USA were not enough to shield this close knit family from heroin In her moving ultimately hopeful narrative of struggle and redemption Dana Chase writes unsparingly of how she survived the shock of learning that her beautiful identical twin sons had become heroin addicts and the terror that unfolded as a result Chase and her husband returned to North Dakota in 1993 when their twins were ten months old to give them the same benefits she had as a child But steadfast family values and the manageable pace of North Dakota did not work their charm this time around By the time the boys were twenty they were drug dealers heroin addicts and felons This family's catastrophic status quo included overdoses attempted suicide court mandated stays at rehab centers and countless cycles of incarceration including a federal indictment none of which had been anywhere near Chase's maternal radar Chase had lived her entire adult life believing what you think about you bring about In spite of her innate optimism she wondered if I wasn't thinking about it how'd I bring it about This is a cautionary tale that delivers a blunt impact of reality to any parent who believes this can't happen to our family It portrays a courageous mother and her attempts to save her sons from wasted lives and tragic drug related deaths In Spite Of Heroin reveals a parent's nightmare and the struggle of a lifetime Eminently readable In Spite Of Heroin is a shocking true story that readers will sacrifice sleep to finish

Liar's Code Richard Chiappone,2016-05-03 Warm funny and memorable musings on a life spent fishing With this eclectic collection

of personal essays taking him from his childhood haunts along the industrial Niagara River of the 1960s to Alaska and the saltwater flats of the Caribbean Richard Chiappone elongates the fishing writing genre suggesting that he finds almost anything a fisherman does interesting anything but the actual fishing In one piece he gets no farther than the curb outside his upstate New York childhood home futilely waiting for his ride to the rivers of his dreams In another account he describes an afternoon standing in a midwinter snow bank casting to house cats With humor and self skewering wit Chiappone admits he can't cast very well ties some of the ugliest flies in the world and spent nineteen years of his life trying to catch a permit The essays both funny and touching reveal him as a writer of stark contradictions a man who despises winter and loves living in Alaska who laments having spent half his life just downstream from the infamous Love Canal and simultaneously remembers those years with elegiac fondness Lifting his gaze past the tip of his fly rod and beyond the river and the fish all the way into his own heart he portrays everything from a sentimental memory of his mother to his doubts about the adequacy of his grief over a dead daughter making this compilation a kind of memoir in linked essays a fisherman's life examined Skyhorse Publishing is proud to publish a broad range of books for fishermen Our books for anglers include titles that focus on fly fishing bait fishing fly casting spin casting deep sea fishing and surf fishing Our books offer both practical advice on tackle techniques knots and more as well as lyrical prose on fishing for bass trout salmon crappie baitfish catfish and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
