My Search For The Truth:

A Call To Truth: My Search Gary Nicks, 2017-01-23 Have you ever questioned the teachings of the church Do they make sense to you When there are teachings you don't understand have you ever been told Just take it on faith brother I have This was not acceptable to me If God wants us to know him and his son Jesus Christ and the Word of God is his communication to us then we as individuals should be able to study his Word and understand it However I believe that we are in the unfortunate time for the church in which the prophecy of the Apostle Paul has come to its fulfillment For the time will come when men will not put up with sound doctrine Instead to suit their own desires they will gather around them a great number of teachers to say what their itching ears want to hear They will turn their ears away from the truth and turn aside to myths 2 Timothy 4:3-4 This book presents many of the questions I had in my quest for truth It addresses some of the most egregious doctrines that lead people away from understanding God's plan and how they are to fit into it In order to effectively seek God you must ask questions Why Mainly because it is just as easy to believe a lie as it is the truth Remember John 4:23-24 Yet a time is coming and has now come when the true worshipers will worship the Father in spirit and truth for they are the kind of worshipers the Father seeks God is spirit and his worshipers must worship in spirit and in truth In Search of Truth Dean Parrish, 2020-09-01 Everyone's truth is in their own perspective and choosing What you choose to believe becomes your accepted truth However just because you accept something as truth does not mean it is real Some truths can be subjective but real or absolute truth remains constant and unchanging and will ultimately be revealed whether you believe it or not This easy to read book uses humor life experiences and stories to give valuable insights on truth and perspective You will be both entertained and challenged as you learn that finding real truth often requires you to dig deeper What you discover about the word truth may surprise you *My Search for the Truth* Wallace Croyle, 1991* **Plain View** Tom Rawls, 2016-09-05 PLAIN VIEW is about finding new touch points for communicating Christ in this complex 21st Century context It's about discovering the triggers that nudge people towards genuine spiritual curiosity PLAIN VIEW is about discovering triggers that nudge people towards genuine spiritual curiosity PLAIN VIEW looks at how to embrace and communicate a tough resilient and durable theology that stands tall through the mud blood and sweat of this brutal 21st Century **The Costly Call** Emir Fethi Caner, H. Edward Pruitt, 2006-08-25 Personal narratives of the consequences of converting to Christianity from Muslims around the world Provided by publisher *The Health Seeker* Bonnie Mae Leonard, 2002-08-22 THE HEALTH SEEKER explains how I became terminally ill when my silicone breast implants ruptured In my testimony I reveal the steps I took that enabled God to heal me Although you might not have breast implants my book will show you how to have optimum health by changing the way you eat If you feel that God is motivating you to begin a new journey in the area of alternative health my book is for you If I can do it so can you Take the risk See what THE HEALTH SEEKER can do for you **Because of Our Unbelief** Paul E Orman, 2024-08-22 Because of Our Unbelief encompasses the social issues of our day and examines them

from both a secular and a Biblical point of view The issues that divide us as a nation The issues that clearly show a battle for Good and Evil that which is Right and that which is Wrong It shows how Holy Scripture may influence our thinking and help shape the important decisions we make in life It outlines how we have abandoned our belief in God the Creator and how that has led us down a path of destruction Both the Christian and non Christian worldviews are examined and the affects they have on one another is examined And it intends to show that our poor decisions are made due to our unbelief in God For Christians our compromise of His moral truth and for non Christians the suppression of God s Law written on our hearts and minds And that if we were to correct that unbelief not only would we free God to heal our land but that we could see a great revival sweep across the globe resulting in hundreds of thousands of souls being added to the Kingdom of God A third Great Awakening where God makes one last plea with humanity before the return of our Lord and Savior Jesus Christ **In**

search of truth, conversations on the Bible and popular theology, for young people, by Amy Marian Pritchard,1875

Herald of Gospel Liberty Elias Smith,1909 **Search For Truth The seeker begins...** BRYAN RADZIN,2014-08-18 I don t have so much tricks up my sleeve as much as journalistic fundamentals to take down powerful and influential people that think they re completely above the law and won t ever get caught I want to show them that we re watching and they will be held accountable So if a politician is only in it for the money and say they want illegals to leave is there a possibility they don t want them to leave Is there a chance they really want them here because immigrant labor is cheaper than American Are politicians making money hand over fist because the companies that employ immigrants make truckloads of it themselves and therefore contribute more to campaigns The vigilante types are probably linked to the corrupt politicians who both stand to lose equally if immigrants were made legal The politicians would lose the status quo of cheap labor they can take advantage of and the vigilantes would have to deal with a multi racial society which is all meant to benefit the status quo
