Optimum Vizhan,2016-09-08 Can My Life Change compassionately identifies my justifiable bad routines and counters them with good routines in over 365 Plus Routine Life Changing Inspirational Routines are like double edged swords One side of the blade helps me cut through my distractions so I can obtain my goals While the other side hypnotizes me into believing my deliverance comes from a routine Ironically the true end results of all routines make me complacent and further away from obtaining my desires The key to Can My Life Change is in mastering how I can break my routine self induced trances I start by clearing my mind with any of the 365 Plus Inspirational Then practice derailing any of my current routines that Im addicted to It could be doing an unplanned fast to break a feeding routine eating a new food group to change a nutritional routine choosing an unfamiliar subject to change a study routine moving the furniture around in a room to change a view routine changing a job status to change a work routine getting married to change a life style routine having a child to change a relationship routine and or a million other things I keep practicing derailing hypnotic routines until it becomes a natural harmonious spontaneity for me and my loved ones Remember God is everywhere He is never limited to a specific routine to produce a certain blessing or miracle He creates life out of anything anytime and anywhere for anyone unconditionally And were made in His that likeness In my moments of doubt I reach out into believing God Can Change My Life even though I have no clue how He will I can ask Him to give me the faith and the will to believe My Life Can Change
