M. Borodin,2025-08-05

An extraordinary rediscovered memoir of one man striving to make a distinguished scientific career and live an ordinary life amidst the brutal purges of Stalinist Russia Remarkable an astonishing testimony that has never seemed more timely or more pertinent Nicholas Shakespeare From humble origins the eminent Russian scientist Nicholas Borodin forged a career in microbiology in the era of Stalin Pragmatic and dedicated to his work he accepted the Soviet regime so much so that he even worked on several occasions with the Secret Police providing information on those around him But in 1948 while on a state sponsored trip to the UK to report on the bulk manufacture of antibiotics he could no longer ignore his rising consciousness of the suppression of independent thought in his country It was then that he committed high treason by writing to the Soviet ambassador to renounce his citizenship One Man in his Time is the story of a man trying to live an ordinary life in extraordinary times Rich in incident and astonishing details it charts Borodin s childhood during the revolution and famine through to his scientific career amidst the suspicion and violence of the purges Written with crystal clarity it is unsparing and frank in its depiction of the author s collaboration with Soviet authorities Published here with an introduction by foreign correspondent and journalist John Simpson One Man in His Time offers unparalleled insight into the daily reality of life under totalitarian rule Miss Your Forever Dominic

Murgido,2021-03-29 On a Monday in January the author s life changed in the blink of an eye when his wife was killed in a vehicular accident by a distracted driver three days after her birthday That day changed his life forever The feelings and thoughts associated with the loss of one s spouse is horrific in itself but when it is sudden and unexpected the death can be difficult to accept in your new life without your loved one Miss Your FOREVER highlights how an untimely death will affect

you in ways that most other losses do not while it takes on a dimension all its own With this life changing situation the author will discuss his grief journey through reflections that he wrote and share entries from his personal journal while taking you on a path of discovery and renewal
