

The background of the image is dark and textured, resembling a close-up of a rough surface or a night sky. A prominent, diagonal streak of lighter, greyish-white material runs from the top left towards the bottom right, creating a sense of movement and depth. The overall tone is moody and atmospheric.

Sin Less Thomas Warren, 2009-09-21 Sin Less focuses on the sin nature and selfishness against which every Christian struggles a subject more often avoided than brought into focus But with this truthful assessment the author gives helpful Biblical guides for strengthening one's relationship with God and getting real victory over the Dark Guest Most important for us is its application to everyday life and its challenge to be serious about personal holiness Jim Cummin Life To Life Ministry Sin Less challenges you to look deep within your own heart and examine your own sinfulness in the light of Christ's goodness It encourages and guides you to live a life with the hope that as you trust in Christ you can have victory over your sin Deborah Bartow Training and Support Manager for Wycliffe Associates

The Origin of Sin David Konstan, 2022-02-10 Where did the idea of sin arise from In this meticulously argued book David Konstan takes a close look at classical Greek and Roman texts as well as the Bible and early Judaic and Christian writings and argues that the fundamental idea of sin arose in the Hebrew Bible and the New Testament although this original meaning was obscured in later Jewish and Christian interpretations Through close philological examination of the words for sin in particular the Hebrew hata and the Greek hamartia he traces their uses over the centuries in four chapters and concludes that the common modern definition of sin as a violation of divine law indeed has antecedents in classical Greco Roman conceptions but acquired a wholly different sense in the Hebrew Bible and New Testament
