Mother Teresa's General Letters to Her Sisters Kolodiejchuk MC Brian,2024-06-21 Mother Teresa s General Letters to Her Sisters is a collection of Mother Teresa s circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider

audience Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa's unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charisma endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God

Never Say Uncle Cherie Lewis, 2023-08-24 Cherie Lewis has created a captivating read that is a page turner and a book that will be hard to put down Being as intensely private as she is talented Cherie Lewis shares her inspiring story like no one else can giving the reader the ride of a lifetime as she desperately searches for her life's purpose This is a story told with bravery insight integrity and the unwavering desire to survive Never Say Uncle is a novel based on a true story of never giving up and never giving in and never surrendering to the enemy within The author takes you to the dark side revealing how the main character a barefooted little girl in pigtails escapes the wrath of childhood abuse becoming a mighty warrior battling to keep control of her life after love loss and heartache The author takes you on a journey from overcoming obstacles of being victimized to becoming a survivor from the enemy that had taken a solemn oath to keep her from harm's way From the very beginning the writer shares the tale of a family of tortured souls and the brave young girl who must fight against the disloyal protector and untrustworthy guardians of her childhood only to escape into the arms of a self-proclaimed mountain man falling into a world of bitterness anger and despair as she jumps out of the frying pan and into the fire From the first page to the last the author does not disappoint
