Samuel G. Phillips,1872 *The Antiquities of the Christian Church, 2 Volumes* Joseph Bingham,2006-02-10 The design which I have formed to myself is to give such a methodical account of the Antiquities of the Christian Church as others have done of the Greek and Roman and Jewish antiquities not by writing an historical or continued chronological account of all transactions as they happened in the church by by reducing the ancient customs usages and practices of the church under certain proper heads whereby the reader may take a view at once of any particular usage or custom of Christians for four or five of the first centuries to which I have generally confined my inquiries in this discourse from the Preface The Antiquities of the Christian Church ...
