(London, England),1919

Crusade: The Uses of a Word from the Middle Ages to the Present Benjamin Weber,2024-01-29 The word crusade covers today a wide variety of meanings in most European languages The link between these uses and the historical phenomenon labelled as crusade by historians is often very narrow and particularly changing Understanding the real meaning of the word crusade its connotations and implications and thus the conscious or unconscious intentions of its uses requires a precise knowledge of the historical evolutions of the word from its first appearance in the 13th century until nowadays This book offers the first comprehensive view of the historical construction of the meaning of the word crusade through comparative perspectives from the Middle Ages to the 21st century Its 11 articles introduction and conclusion examine different uses of the word in a single language or within a specific context and analyse each of them as a different conceptualisation of the crusading phenomenon The book explains the progressive widening of the meaning of the term from a military expedition to Jerusalem to the most metaphorical uses It demonstrates the differences between the connotations of the word in various languages and cultures and thus the variety of its possible uses It insists on the reluctance and reticence that crusade has always provoked since the Middle Ages precisely because the conceptualisation it implied was not shared by all The book will be of interest not only for crusade scholars and for diachronic linguists but also for anyone interested in understanding better modern discourses and references to the crusade by politicians activists and journalists through a precise inquiry on the

historical developments of the word and the variety of its meanings

Embark on a breathtaking journey through nature and adventure with is mesmerizing ebook, Witness the Wonders in **Novellino Of Masuccio 2vol** . This immersive experience, available for download in a PDF format (Download in PDF: *), transports you to the heart of natural marvels and thrilling escapades.
