God the Savior Philip Nation,2015 **A Commentary on Numbers** Pekka Pitkänen,2017-06-26 This book provides a new reading of the biblical book of Numbers in a commentary form Mainstream readings have tended to see the book as a haphazard junkyard of material that connects Genesis Leviticus with Deuteronomy and Joshua composed at a late stage in the history of ancient Israel By contrast this book reads Numbers as part of a wider work of Genesis Joshua a carefully crafted programmatic settler colonial document for a new society in Canaanite highlands in the late second millennium BCE that seeks to replace pre existing indigenous societies In the context of the tremendous influence that the biblical documents have had on the world in the last 2 000 3 000 years the book also offers pointers towards reading these texts today This volume is a fascinating study of this text and will be of interest not only to biblical scholars but to anyone with an interest in the history of the ancient Levant and colonisation and colonialism in the ancient world more broadly **Secrets of the Prince of Expositors** Michael Hawk Mills,2025-04-25 Crowds thronged to hear Alexander Maclaren Some tried to bribe the doormen for a seat and extra chairs often had to be placed on stage next to the pulpit What drew so many to travel to Manchester England to hear a preacher Maclaren knew how to apply the text to real life His dedication to expository preaching was unique in his day and even surpassed that of his friend Charles Haddon Spurgeon His ministry remains as a

needed model for today because countless congregants still see the Bible as stories with little or no relevance to their daily duties Every Sunday people go to a Bible study listen to a sermon or read Scripture and they leave without transforming any part of their lives Despite consistently studying the Bible some people show little difference between the way they act now and the way they acted years ago This problem partially comes down to a lack of good biblical application coming from preachers and teachers of Scripture Maclaren s sermons as well as his essay An Old Preacher on Preaching teach expositors today how to make the Bible s truths come alive and be applicable

Sovereign Authority and the Elaboration of Law in the Bible and the Ancient Near East Dylan R. Johnson,2020-08-04 Five Pentateuchal texts Lev 24 10 23 Num 9 6 14 Num 15 32 36 Num 27 1 11 Num 36 1 12 offer unique visions of the elaboration of law in Israel s formative past In response to individual legal cases Yahweh enacts impersonal and general statutes reminiscent of biblical and ancient Near Eastern law collections From the perspective of comparative law Dylan R Johnson proposes a new understanding of these texts as biblical rescripts a legislative technique that enabled sovereigns to enact general laws on the

basis of particular legal cases Typological parallels drawn from cuneiform and Roman law illustrate the complex ideology informing the content and the form of these five cases The author explores how latent conceptions of law justice and legislative sovereignty shaped these texts and how the Priestly vision of law interacted with and transformed earlier legal traditions
