Anita Desai has spoken of her work's richness and ardent life. Mixing heartbreak and humor, dizzying flights of fantasy and plunging descents to earth, *Tolstaya* is the natural successor in a great Russian literary lineage that includes Gogol, Yuri Olesha, Bulgakov, and Nabokov. *White Walls* is the most comprehensive collection of Tolstaya's short fiction to be published in English so far. It presents the contents of her two previous collections, *On the Golden Porch* and *Sleepwalker in a Fog*, along with several previously uncollected stories. Tolstaya writes of lonely children and lost love, of philosophers of the absurd and poets working as janitors, of angels and halfwits. She shows how the extraordinary will suddenly erupt in the midst of ordinary life as she explores the human condition with a matchless combination of unbound imagination and unapologetic sympathy.
