Womanhood, 1905

Bhasa G.S.Iyer, 2013-06-29

The rediscovery of the 13 plays of Bhasa Mahakavi and their publication in Thiruvananthapuram in 1912 by Mahamahopadhyaya T Ganapatisastri was as important an event in the recovery of India s cultural and literary history as was the deciphering of the Ashokan edicts in the 19th century in the recovery of India s political history Bhasa was known from allusions by other poets and fragments stretching from the time of Kalidasa all the way to the 12th century Inexplicably he vanished from India s collective memory since then At the same time the reverence in which he was held is amply evident from the regularity of references to him and the unanimity of critics and rasikas on the superb quality of his work The recovered Bhasa has now taken his rightful place in the stage and is presented again and again not only in Sanskrit but in most modern Indian languages too It is an eloquent demonstration of his enduring power to

move an audience his undiminished relevance and most important of all the stunning stage worthiness of his works the quality that raises him far above every other ancient dramatist of India known to us

A Nurse's Survival Guide to Mentoring Karen Elcock, Kath Sharples, 2011-02-01 Are you mentoring students This is an indispensable handbook for both new and experienced mentors seeking practical advice academic staff who deliver mentorship programmes link lecturers who support mentors in practice Guidance and tips on supporting and assessing Understanding accountability mapping to NMC standards Skills focus using case studies Hints tips insights and humour Supporting the student with a disability Using simulated learning The role of the sign off mentor

A Nurse's Life in War and Peace E. C. Laurence, 2019-12-19 E C Laurence s A Nurse s Life in War and Peace is a poignant exploration of the duality of the nursing profession juxtaposing the harrowing experiences of war with the tranquility of civilian life Through a series of richly woven narratives and vivid imagery Laurence employs a lyrical yet unflinching prose style that captures the emotional spectrum of a nurse s journey The book situates itself within the broader literary context of war literature offering an intimate glimpse into the often overlooked sacrifices and triumphs of medical professionals amidst chaos The author s detailed observations illuminate the resilience of the human spirit making the text both compelling and profoundly moving E C Laurence drawing from her own extensive experiences as a nurse brings authenticity and depth to her depictions Having served in various capacities during tumultuous times Laurence s insights reflect the psychological toll of conflict and the healing power of compassion Her background not only informs her narrative but also enriches the historical perspective presented in the book garnering respect from both literary and medical communities This book is highly recommended for readers interested in the multidimensional experiences of nurses as it bridges the gap between personal narrative and historical documentation A Nurse s Life in War and Peace is an essential read for those seeking to understand the complexities of caregiving in extreme circumstances providing a voice to the heroes often forgotten in the annals of history

A Nurse's Story Tilda Shalof, 2010-02-05 The team of nurses that Tilda Shalof found herself working with in the intensive care unit ICU of a big city hospital was known as Laura s Line They were a bit wild smart funny disrespectful of authority but also caring and incredibly committed to their jobs Laura set the tone with her quick remarks Frances from Newfoundland was famous for her improvised recipes Justine the union rep wore t shirts emblazoned with defiant slogans like Nurses Care But It s Not in the Budget Shalof was the one who had been to university The others accused her of being sooo sensitive They depended upon one another Working in the ICU was both emotionally grueling and physically exhausting Many patients quite simply were dying and the staff strove mightily to prolong their lives With their skill dedication and the resources of modern science they sometimes were almost too successful Doctors and nurses alike wondered if what they did for terminally ill patients was not in some cases too extreme A number of patients were admitted when it was too late even for heroic measures A boy struck down by a cerebral aneurysm

in the middle of a little league hockey game A woman rescued too late from a burning house It all took its toll on the staff And yet on good days they thrived on what they did Shalof describes a colleague who is managing a crashing patient I looked at her Nicky was flushed with excitement She was doing five different things at the same time planning ahead for another five She was totally focused in her element in control completely at home with the chaos There was a huge smile on her face Nurses like to fix things If they can Shalof a veteran ICU nurse reveals what it is really like to work behind the closed hospital curtains The drama the sardonic humour the grinding workload the cheerful camaraderie the big issues and the small all are brought vividly to life in this remarkable book **My Life in Mental Health: A Nurse's Story** John Nugent, RN, 2015-11-06 My Life in Mental Health A Nurse s Story relates honestly and without pretense the journey of a man who grew up in a family who struggled with mental health issues John Nugent the memoirist tells how those early experiences led him to explore psychology to better understand both himself and his often chaotic family His hands on work in mental health nursing provides the grounding for his narrative that explores the development of modern mental health care In just a few decades mental health treatment transformed from a doctor knows best discipline and arrived where the best treatments tend to emerge from the expressed needs and desires of clients My Life in Mental Health A Nurse s Story will inform and inspire anyone who has felt the impact of mental illness in his or her family or who cares about people with mental illness The author makes a compelling case for putting to rest the enduring stigma toward people who live with mental illness

Around the Fire: A Nurse's Story Buck Benson, 2024-09-20 Around the Fire by Buck Benson details the challenging and dehumanizing process to becoming a dedicated nurse The story is a testament to the power of perseverance the importance of supportive relationships and the enduring impact of faith and self belief **British Journal of Nursing** , 1923
Bulletin, Chicago School of Sanitary Instruction ... Department of Health , 1929
