at the moment Gregor likes racing fast cars and seducing fast women and not necessarily in that order Settle down Not a chance Gregor has his own brilliant idea find some wholesome and desperate girl to pretend to be his girlfriend No harm No foul Unless things start getting a little bit too real Kara Alerby knows she s a sucker for blues eyes and a great smile so when Gregor comes into her theater wanting to hire her to act the part of his adoring girlfriend she s already got her defenses on high alert But Kara s a practical girl and Gregor s offering a boatload of money that would go a long way toward making her dream a reality All she has to do is remind herself every second of every day they re together that it s all make believe even when it doesn t always feel that way The Billionaire s False Fianc e Jess Green has had to fight for everything she has When she sees her future about to slide into an abyss thanks to an offhand comment made by her sexy but oblivious boss Alistair Beaumont she decides to take things into her own hands Everyone in the financial world knows the Beaumont brothers need to settle down else the company that Jess depends upon will go under So when Alistair is overheard discussing his disbelief in love and marriage the company stock price plunges When Alistair suffers a bout of amnesia on a skiing trip Jess sees a way to save the company and decides to tell him one teeny tiny lie she s his fianc Alistair loves one thing and one thing only his freedom and certainly not the girl he finds in his bed claiming to be his future wife Amnesia or not something s not right Sure she s got that girl next door sexiness about her and his attraction to her is powerful but deep in his gut he s rebelling against the idea of being tied down Snowed in and isolated from the world in an exclusive lodge Alistair begins to believe they are a couple and he actually finds himself falling in love But when Alistair gets his memories back will he choose to stay with Jess who he can t get out of his mind or out of his heart or will he choose to take back the freedom he s always craved The Billionaire s Last Chance Conall Beaumont CEO and COO of B3 Motors was just about to propose to the woman of his dreams when it all went south Turns out the lady had a habit of killing her husbands so Conall will have to look elsewhere if he wants to find a wife It just so happens that the stunningly beautiful woman who witnessed his humiliation is the daughter of the lawyer who s executing his grandfather s will a will Conall would do just about anything to get his hands on in order to save his company and the livelihoods of the people who work for him If putting his hands on a beautiful woman will get him closer to that goal then he s game Besides there s something about Bernadette Rowland that has him thinking she could be more than just a pawn in his grandfather s game Bernadette wasn t looking for a man but when Conall inserted himself into her life she didn t put up much of a struggle He s sexy and smart and seems genuinely interested in her work as a wolf researcher Bernadette can t resist his charm and before long she s swept up into his world But just when she thinks she s found someone who could be her mate for life she discovers the real reason he s been piling on the charm and their perfect romance crumbles
