Martha William Gilbert,1871 **The Hatchet of the United States Ship "George Washington"** ,1918 Martha William Gilbert (Novelist.),1871 HIV/AIDS and the Drug Culture Elizabeth Hagan,Joan Gormley,1998 HIV AIDS and the Drug Culture explores interventions for decreasing the rate of HIV infection among injection drug users **Touched By Angels of Mercy** Laura H. Lagana,2001-10-30 Touched by Angels of Mercy contains small doses of genuine life from nurses patients and caregivers that touch the heart and foster healing This collection of short stories and poems interspersed with tasteful cartoons contains helpful resource information as well as a brief biography of each contributing author Many of the works in this collection offer a glimpse into the nurse patient relationship as seen through the eyes of the patient nurse or family member Some of the stories reveal caregiving scenarios taken from brief moments in history behind prison walls or even on a golf course Anyone may be labeled an Angel of Mercy This term is not exclusive to nurses Our world needs the healing angels who come to us in a variety of forms when and where we least expect them At some time in our lives each one

of us will encounter illness pain and death Along with it will come the need for a helping hand and the gentle caring touch of an angel of mercy Everyone has the ability to be courageous tenacious and loving When people are hurting whether from illness injury or other reasons they have the instinctive need to be touched and nurtured People also have the need and desire to share their experiences with others This process of sharing is frequently healthful and therapeutic The strength knowledge and inspiration that comes from recounting personal life and death experiences with one another stimulates healing The profession of nursing deals with the prevention of illness as well as the care and rehabilitation of the sick Although it takes a special person to answer this calling today's nurses are vastly different from those of yesteryear The changing world of healthcare has created unique challenges and added pressures for nursing but it has also created new frontiers In addition there is a growing number of caregivers in our society Caregivers often feel isolated apprehensive exhausted and overwhelmed They desperately need relief as well as ongoing support Nurses and caregivers reach out and become angels for others They are compassionate intelligent and caring beings that provide hands on care to help the sick to heal or comfort them as they die Nurses and caregivers are not invincible they also need to take care of themselves The need to be touched by another and to share personal experiences are universal human requirements The strength knowledge and inspiration that comes from recounting personal life and death experiences stimulates healing Wounds heal from the inside out so does the heart and soul Writing these stories has been a therapeutic experience for our authors and for some an extremely difficult task It is our hope that by reading and sharing these real life personal experiences you too will be touched inspired and healed

Dr. Terri's Project Laura C. Raef,1984 Martha's Journals: Book One Thomas Isaac Franklin,2009-03-02 Martha Baker was a very average Midwestern girl She wrote in her journal nearly every day of her life beginning at the age of nine Her life changed directions many times but she always stayed true to her journal Some people find it hard to deny their nature Martha found it impossible Her inner conflicts and tortured decisions affected her life far more than events happening in the world around her Author Thomas Isaac Franklin served as both editor of Martha's journals and writer of this chronicle of her early life All of the most fantastic events and deeply felt emotions in the book came directly from her journals Her entries were often graphic uncensored and raw They are intended for mature readers Franklin had to supplement the sometimes sparse journal entries with research He interviewed Martha's relatives friends and noteworthy characters that appear in her journals He found it necessary to expand the least descriptive portions of the journals to add imagery form and continuity to his writing As you open Martha's Journals Book One you will be privy to her deepest held thoughts and desires She will tell you secrets she would never verbalize to even her closest friends This narrative follows Martha's life from birth to womanhood You will accompany her as she explores her mind body and desires like few women could or would Read the first three chapters of Martha's story online at Xlibris.com **The Romantic Spirit** Mary June Kay,1984 The Difficult Doctor Alba Marie Pastorek,1986 *AB Bookman's Weekly* ,1999
