Nurses Story:

The Nurse's Story Carol Gino, 2010-10-12 With uncompromising honesty Carol Gino strips the TV image to reveal the gritty truths of a nurse's life

A Nurse's Story Tilda Shalof, 2005-02-22 The team of nurses that Tilda Shalof found herself working with in the intensive care unit ICU of a big city hospital was known as Laura's Line. They were a bit wild, smart, funny, disrespectful of authority but also caring and incredibly committed to their jobs. Laura set the tone with her quick remarks. Frances from Newfoundland was famous for her improvised recipes. Justine, the union rep, wore t-shirts emblazoned with defiant slogans like "Nurses Care But It's Not in the Budget". Shalof was the one who had been to university. The others accused her of being sooo sensitive. They depended upon one another. Working in the ICU was both emotionally grueling and physically exhausting. Many patients quite simply were dying and the staff strove mightily to prolong their lives. With their skill, dedication and the resources of modern science, they sometimes were almost too successful. Doctors and nurses alike wondered if what they did for terminally ill patients was not in some cases too extreme. A number of patients were admitted when it was too late even for heroic measures. A boy struck down by a cerebral aneurysm in the middle of a little league hockey game. A woman rescued too late from a burning house. It all took its toll on the staff. And yet on good days they thrived on what they did. Shalof describes a colleague who is managing a crashing patient. I looked at her. Nicky was flushed with excitement. She was doing five different things at the same time, planning ahead for another five. She was totally focused in her element, in control completely at home with the chaos. There was a huge smile on her face. Nurses like to fix things. If they can. Shalof, a veteran ICU nurse, reveals what it is really like to work behind the closed hospital curtains. The drama, the sardonic humour, the grinding workload, the cheerful camaraderie, the big issues and the small all are brought vividly to life in this remarkable book.

The Nurse in History and Opera Judith Barger, 2024-04-08 From Scarabea Artusa's old nurse in Francesco Mannelli's *La Maga Fuminata* 1638 Venice through the Canadian nursing sisters in Stephanie Martin's *Llandovery Castle* 2018 Toronto, over one hundred nurse characters appear in opera roles ranging from silent cast extra to principal singer. *The Nurse in History and Opera: From Servant to Sister* explores that role over the span of opera's existence. Judith Barger examines the nurse character in opera within the sociohistorical context of her real-life counterparts off stage. The progression of the nurse from servant to sister, both inside and outside the opera house, is a commentary on how society has viewed its women. The book then discusses textual and musical interactions between opera's nurses and other characters with attention to what the nurse's role contributes to opera in six categories identified as common to opera's nurses: Comic, Former Knowledgeable, Motherly, Scheming, and Specialized. When viewed through the lens of social history, opera's nurse characters merit attention for the glimpse that they offer of a unique musical and dramatic journey from servant to sister and for the commentary that they offer on women's perceived place and status not only on the opera stage but in society as well. Nurses Matter Verena

Tschudin,1999-11-11 Today s nurses find themselves in the position of having to redefine their identity They must ask themselves why they matter what is important about them as professionals and how they contribute as team members Starting from an ethical standpoint this book explores the nature of nursing and the dilemmas facing today s professionals The author shares her vision of a new kind of professional a vision which will empower readers to discover fresh meaning in their work and in their role Realizing the Future of Nursing: VA Nurses Tell Their Story Department of Veteran Affairs Nurses,2015-09-29 The stories told in this book reflect the hard work and dedication of the Veterans Affairs nurses who provide care to our nation s heroes Four key messages outlined in the book help explain the important role of VA nurses Key Message 1 Nurses should practice to the full extent of their education and training Key Message 2 Nurses should achieve higher levels of education and training through an improved education system that promotes seamless academic progression Key Message 3 Nurses should be full partners with physicians and other health care professionals in redesigning health care in the United States Key Message 4 Effective workforce planning and policy making require better data collection and an improved information structure This book addresses the staffing issues in military healthcare with policy and workforce planning towards an improved information structure between the nurses healthcare professionals and physicians Keywords Department of Veterans Affairs nursing program Veteran Affairs VA nursing nurses Veterans Affairs nursing education progrm VA nursing education program U S Department of Veterans Affairs u s department of veterans affairs va VA staffing issues in military healthcare Discrimination Experienced in the Nursing Profession by Minority Nurses Melvina Semper DNP,2016-08-10 Even in todays diverse world discrimination unfortunately still occurs on the street in schools and in the workplace In her compilation of fifty true stories Dr Melvina Semper provides a disheartening look into the experiences of twenty first century minority student nurses and practicing nurses working in New York City hospitals Dr Semper who holds three nursing degrees interviewed fifty nurses whose personal stories reveal the ill treatment and lack of promotion diversity moral support and other barriers students and nurses must face on the job From the Hispanic nurse whose patient requested that only a white nurse care for her to the Russian nurse who was only allowed to work night shifts to the minority nurse who witnessed an accidental patient death and then was told not to talk about it by her white managers Dr Semper not only shares real life stories but also highlights the need for stricter laws enforcement of affirmative action and the regulation of health care facilities to eradicate racisms at all levels Discrimination Experienced in the Nursing Profession by Minority Nurses offers eye opening stories that will create awareness of the obstacles racism and discrimination that minority student nurses and practicing nurses face while working in New York City hospitals **The Making of a Nurse** Tilda Shalof,2010-02-05 The bestselling author of A Nurse s Story is back with more insider stories Tilda Shalof has been a caregiver all her life at home for her family at work for strangers but her skills didn t come easily From when she was a child taking care of her sick parents to her current position on an ICU team in one of Canada s largest hospitals there have always

been daunting challenges and worthy rewards for her work With her trademark humour unflinching honesty and skilled storytelling Shalof describes her experiences becoming the capable nurse she is today After graduation from nurse s college finding no jobs in Toronto Shalof travelled to Tel Aviv Israel to work in a hospital for the first time finding adventure and young love in the process A summer stint as a camp nurse came with requests for condoms strange allergies and overly protective parents The Making of a Nurse contains these stories and much more and they are comforting entertaining shocking funny heart warming and heart wrenching From hospitals to home care they will give readers a glimpse into the life of a nurse and the hidden medical world

The Nation of Nurses Jalil Johnson,2021-04-22 Inspires nurses to envision themselves as leaders innovators and agents of change Firmly grounded in the digital age this unique and innovative book focuses on the challenges and opportunities for nurses in the 21st century The author one of nursing s fastest rising influencers focuses on the power dynamic between nurses and the healthcare system which often impedes opportunities for nurses to manage and lead effectively and offers contemporary solutions that help nurses to mobilize and completely revolutionize healthcare as we know it Based on the author s extensive experience with digital and online trends communities and spaces the book offers practical strategies whereby nurses can assert themselves within the healthcare and education systems to make positive change on institutional regional and national levels Focusing on nurse self advocacy the book offers concrete strategies to ameliorate a top concern for nurses a perceived lack of power and respect in the workplace It features step by step processes for empowering and mobilizing nurses as change agents at a systemic level demonstrates how nurses can alter cultural norms and perceptions of their profession and illustrates how nurses can maximize their influence and impact on institutional and government policy Woven throughout is the author s extraordinary personal story of rising from a Certified Nursing Assistant to CEO of the largest nurse run online community Key Features Delivers contemporary strategies to help nurses powerfully assert themselves within the healthcare and education systems toward effecting positive change Discusses how nurses can significantly impact healthcare on institutional regional and national levels Addresses a top concern for nurses a perceived lack of power and respect in the workplace Accessibly written for all nurses with step by step instructions for implementing the book s concepts and strategies Demonstrates how to use social media platforms to expand the influence of nurses in the healthcare system

The Language of Kindness Christie Watson,2018-05-08 1

INTERNATIONAL BESTSELLER A moving lyrical beautifully written portrait of a nurse and the lives she has touched Christie Watson spent twenty years as a nurse and in this intimate poignant and remarkably powerful book she opens the doors of the hospital and shares its secrets She takes us by her side down hospital corridors to visit the wards and meet her unforgettable patients In the neonatal unit premature babies fight for their lives hovering at the very edge of survival like tiny Emmanuel wrapped up in a sandwich bag On the cancer wards the nurses administer chemotherapy and long after the medicine stops working something more important which Watson learns to recognize when her own father is dying of cancer In the pediatric

intensive care unit the nurses wash the hair of a little girl to remove the smell of smoke from the house fire The emergency room is overcrowded as ever with waves of alcohol and drug addicted patients as well as patients like Betty a widow suffering chest pain frail and alone And the stories of the geriatric ward Gladys and older patients like her show the plight of the most vulnerable members of our society Through the smallest of actions nurses provide vital care and kindness All of us will experience illness in our lifetime and we will all depend on the support and dignity that nurses offer us yet the women and men who form the vanguard of our health care remain unsung In this age of fear hate and division Christie Watson has written a book that reminds us of all that we share and of the urgency of compassion Narrative Nursing - What Does it Mean to be a Professional Nurse Joyce J. Fitzpatrick, Peter Stoffan, 2025-12-01 A nursing narrative note is a type of nursing documentation used to provide clear detailed information about a patient A narrative note is written in paragraph form and tells a story if you will about the patient the care being received response to treatment and any interventions or education provided Narrative notes allow for more detailed descriptions of health conditions and concerns which means you have greater freedom when it comes to painting a representative picture of a patient's health You can communicate their thoughts and feelings as well as your own professional judgments The format of the book will cover the Narrative Nursing workshop format that has been instituted over the years with nurses from a range of organizations Each nurse will follow an outline of storytelling and select one meaningful nurse patient nurse colleague or nurse leader encounter to present as a story to share with other nurses Each chapter contains stories from nurses at all levels of development from the novice student nurse to the expert nurse and nurse leader The overall purpose is to illustrate in a structured format the impact of nursing care provided to individuals families and communities The storytelling process that will be used includes the key techniques of storytelling namely engaging the audience describing the scene building tension focusing on what is important keeping the flow logical and making the story conclusive particularly in light of the lessons learned from the story Each story will be accompanied by analysis and commentary from the two primary authors remarking on the meaningfulness of the story lessons learned and lessons for other nurses Each story will be unique but there will be conclusions drawn at the end of each story and there will also be an introductory chapter and a final chapter written by the primary authors to introduce the value of story telling and in the final chapter to synthesize lessons learned A main feature of this book is that the stories will allow the reader to identify personal and professional moral and ethical principles confronted by clinical nurses and nurse leaders at all levels

The Cadet Nurse Corps in Arizona: A History of Service Elsie M. Szecsy, 2016-04-07 Congress established the U S Cadet Nurse Corps during World War II to meet the high demand for medical care The first federal women's education program it included a nondiscrimination policy decades before the civil rights movement The trailblazing cadets and innovative healthcare practices at the five participating teaching hospitals in Arizona left a lasting national legacy Sage Memorial Hospital was the country's only accredited nursing school for Native Americans Santa Monica's Hospital and nursing school

was the first to integrate west of the Mississippi The daughter of a Navajo medicine man U S Army Nurse Corps second lieutenant Adele Slivers helped bridge a gap between traditional healing practices and modern medicine Arizona author Elsie Szecsy details momentous local challenges and achievements from this pivotal era in American medicine **A History of the U.S. Army Nurse Corps** Mary T. Sarnecky,1999-11 Traces the history of the corps since its founding in 1901 A work essential to any study of the corps or military medicine Choice **Philippine-American Military History, 1902-1942** Richard B. Meixsel,2015-10-02 Military obligations rested lightly upon the Filipino people for much of the period that America occupied the Philippines but Filipinos could enlist in the United States Army and Navy attend the service academies at West Point and Annapolis or join military organizations restricted to duty in the islands such as the Philippine Scouts Philippine Constabulary Philippine National Guard and the navy s insular force In the 1930s the Philippine government established its own armed forces Throughout much of this time the U S army also kept a substantial portion of its troop strength in the Philippines This annotated bibliography of nearly 700 titles highlights the extent and variety of the Philippine American military experience from the conquest of the islands by the United States in 1902 to the defeat of Philippine and American forces by the Japanese in 1942 The bibliography includes memoirs and biographies of Filipino and American officers and enlisted men from MacArthur to Ferdinand Marcos unit histories army post and navy base histories medals and insignia books and the most extensive list of prisoner of war memoirs yet published Annotations address controversies such as the widely disparate estimates of American deaths on the Bataan Death March and include previously unpublished information such as casualty figures for American and Philippine forces in 1941 1942 *Nursing History Review, Volume 10, 2002* Diane Hamilton,Joan E. Lynaugh, RN, PhD, FAAN,2001-10-30 Long neglected the history of nursing has recently become the focus of a considerable amount of attention Over the past decade developments in the history of medicine the history of women particularly of women s work and nursing itself have resulted in a new recognition of the importance of the subject Nursing History Review enables those interested in nursing and health care history to trace new and developing work in the field The Review publishes significant scholarly work in all aspects of nursing history as well as reviews of recent books and updates on national and international activities in health care history Under the distinguished editorship of Joan Lynaugh with the Editorial Review Board including such noted nurses as Ellen Baer Susan Baird Olga Maranjian Church Donna Diers Marilyn Flood Beatrice Kalisch The Review provides historical articles historiographic essays discourse on the work of history and multiple book reviews in each annual issue **Index-catalogue of the Library ...** Library of the Surgeon-General's Office (U.S.),1961 **Ethics and Process in the Narrative Study of Lives** Ruthellen Josselson,1996-03-14 In taking up the topic of ethics and narrative inquiry The Narrative Study of Lives rightfully establishes itself as the site where the most critical theoretical methodological and interpretive work on narrative in the human disciplines is now occurring The editor and the contributors to this volume are to be thanked for their deeply probing forward

looking analyses of the ethical problems that arise when researchers produce narratives about persons with whom close personal relationships have been formed Norman K Denzin University of Illinois Urbana Champaign All of us who work with life history narratives are grateful to Dr Josselson and her colleagues for moving us step by step toward a discipline with definable ethics and methodology and at the same time holding up for us the incredible diversity of the field and the range of insights it offers Mary Catherine Bateson author of *Peripheral Visions* The most significant truths about human beings are to be found in the stories of their lives But what happens to those stories and to the people whose lives are told when a researcher seeks to make those stories known Ruthellen Josselson has assembled an international cast of scholars to reflect on the process of life narrative study and the ethical dilemmas that face researchers whose very mode of narrative inquiry may inevitably involve a violation of another and unwittingly lead to a sense of betrayal shame or guilt In these disarmingly candid and engaging essays narrative researchers of many different stripes talk about the morally delicate and epistemologically precarious enterprise of telling another's story The authors raise fascinating questions about who ultimately controls the tellings what happens to stories once they are told and why stories influence not only the people whose lives are told but also the tellers themselves whose own professional and personal lives may even be captured by or appropriated into the stories they are aiming to tell This exceptional volume the latest in The Narrative Study of Lives series is essential for researchers professionals and students in research methods including qualitative methods developmental psychology education relationships and language and discourse analysis

Index-catalogue of the Library of the Surgeon General's Office, National Library of Medicine National Library of Medicine (U.S.),1961 Collection of incunabula and early medical prints in the library of the Surgeon general's office U S Army Ser 3 v 10 p 1415 1436

Index-catalogue of the Library of the Surgeon-General's Office, United States Army National Library of Medicine (U.S.),1961 **Index-catalogue of the Library of the Surgeon General's Office, United States Army (Army Medical Library)** National Library of Medicine (U.S.),1959 **Stories of Children's Pain** Bernie Carter,Joan Simons,2014-04-15

Working with a child in pain is difficult unavoidable and especially challenging when the child cannot explain what they are feeling In this important book Bernie Carter and Joan Simons bring together experience evidence and research to deconstruct the topic and present the reality of children's pain Each chapter starts with a personal story from a child a family member or a healthcare professional The stories are drawn from a wealth of original research and focus the reader on the individual child and their family The chapter then goes on to introduce the relevant research theory and implications for practice so health professionals can use the evidence to support compassionate child centred care Among the topics addressed are Ethical dilemmas Assessing pain Working in different settings Inexplicable pain It is valuable reading for any healthcare student or professional working with children of all ages

Nurses Story Introduction

In today's digital age, the availability of Nurses Story books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Nurses Story books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Nurses Story books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or

professional purposes. By accessing Nurses Story versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Nurses Story books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Nurses Story books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Nurses Story books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Nurses Story books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Nurses Story books and manuals for download and embark on your journey of knowledge?

FAQs About Nurses Story Books

1. Where can I buy Nurses Story books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Nurses Story book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Nurses Story books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Nurses Story audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Nurses Story books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
