Nurses Search And Rescue:

Search and Rescue Management , Fundamentals of Search and Rescue Donald C. Cooper,2005 This book provides an overview of all aspects of search and rescue procedures and equipment It teaches the absolutely essential techniques employed by nearly all search and rescue personnel This book offers an in depth and practical approach to search and rescue and is recommended for all emergency responders For both paid and unpaid professionals this resource combines dynamic features with the latest comprehensive content **International Disaster Nursing** Robert Powers,Elaine Daily,2010-05-03 The effects of a disaster on healthcare can range from conditions that immediately besiege the system with large numbers of patients to catastrophes that strain its long term sustainability Nurses as frontline health professionals must have an understanding of the situations they may face before during and after a disaster and they must develop the skills and strategies to provide effective and immediate care International Disaster Nursing is the first truly comprehensive and internationally focused resource to address the diversity of issues and myriad scenarios that nurses and other health personnel could encounter during a disaster event This text defines the many roles of the nurse within a multidisciplinary team and aids the implementation of the community s disaster plans in a crisis With an alarming increase in the occurrence of disasters in the last decade International Disaster Nursing is the hallmark text in the field *Hurricane Katrina* David M. Walker (au),2006-08 Testimony of David Walker Comptroller Gen of the U S before the Comm on Homeland Security Governmental Affairs U S Senate The size strength of Hurricane Katrina resulted in one of the largest natural disasters in our nation s history Hurricane Katrina raised major questions about our nation s readiness ability to respond to catastrophic disasters Hurricane Rita increased demands on an already stressed response recovery effort by all levels of government The two hurricanes provided a sobering picture of the overwhelming strains on response recovery if there are back to back catastrophic disasters in the same area Includes recommendations *Navy Medicine* ,1980 **U.S. Navy Medicine** ,1979
