

Nurses War

Barbara Tomblin

Nurses War:

And If I Perish Evelyn Monahan, Rosemary Neidel-Greenlee, 2004-11-09 In World War II 59 000 women voluntarily risked their lives for their country as U S Army nurses When the war began some of them had so little idea of what to expect that they packed party dresses but the reality of service quickly caught up with them whether they waded through the water in the historic landings on North African and Normandy beaches or worked around the clock in hospital tents on the Italian front as bombs fell all around them For more than half a century these women s experiences remained untold almost without reference in books historical societies or military archives After years of research and hundreds of hours of interviews Evelyn M Monahan and Rosemary Neidel Greenlee have created a dramatic narrative that at last brings to light the critical role that women played throughout the war From the North African and Italian Campaigns to the Liberation of France and the Conquest of Germany U S Army nurses rose to the demands of war on the frontlines with grit humor and great heroism A long overdue work of history *And If I Perish* is also a powerful tribute to these women and their inspiring legacy

They Called Them Angels Kathi Jackson, 2000-06-30 A topical presentation of firsthand accounts from some of the thousands of army and navy nurses who served both stateside and overseas during World War II this book tells the stories of the brave women who used any and all resources to save as many lives as possible Although military nurses could have made more money as civilians thousands chose to leave the warmth and security of home to care for the young men who went off to war They were not saints but vibrant women whose performance changed the face of both military and civilian nursing Jackson s account follows both army and navy nurses from the time they joined the military through their active service to their lives today The jobs done by military nurses were valuable and varied Some worked in clean stateside hospitals Some found themselves nursing in tents or bombed out buildings Others entered hospitals so recently occupied by Axis forces that Nazi propaganda still covered the walls While often treating ordinary accidents and illnesses they were responsible for men with wounds so disfiguring that it took all of their willpower to maintain the hopeful attitude that the men so desperately required From the humorous account of a nurse in her forties who joined the war effort despite the smirks of those much younger to the sorrow shared when men and women were separated and became prisoners of war these are the stories of women who lived under extraordinary circumstances in an amazing time women who even today bear emotional scars along with their lasting pride

G.I. Nightingales Barbara Tomblin, 1996-01-01 Recounts the history of the Army Nurse Corps whose members served with but not in the armed forces and describes the experiences of nurses in every theater of World War II including the special situation faced by African American nurses

The War Nurse Tracey Enerson Wood, 2021-07-06 Any readers who enjoyed the mix of romance intrigue and medical accuracy of *Call the Midwife* will love *The War Nurse* New York Journal of Books An impeccably researched well drawn based on a true story tale written by a former RN *The War Nurse* shines an important light on a woman whose story was until now lost to time Kristin Harmel New York Times

bestselling author of *The Book of Lost Names* Based on a true story *The War Nurse* is a sweeping historical novel by USA Today bestselling author Tracey Enerson Wood that takes readers on an unforgettable journey through WWI France She asked dozens of young women to lay their lives on the line during the Great War Can she protect them Superintendent of Nurses Julia Stimson must recruit sixty four nurses to relieve the battle worn British months before American troops are ready to be deployed She knows that the young nurses serving near the front lines will face a challenging situation but nothing could have prepared her for the chaos that awaits when they arrive at British Base Hospital 12 in Rouen France The primitive conditions a convoluted ineffective system and horrific battle wounds are enough to discourage the most hardened nurses and Julia can do nothing but lead by example even as the military doctors undermine her authority and make her question her very place in the hospital tent When trainloads of soldiers stricken by a mysterious respiratory illness arrive one after the other overwhelming the hospital s limited resources and threatening the health of her staff Julia faces an unthinkable choice to step outside the bounds of her profession and risk the career she has fought so hard for or to watch the people she cares for most die in her arms Fans of Martha Hall Kelly s *Lost Roses* and Marie Benedict s *Lady Clementine* will devour this mesmerizing celebration of some of the most overlooked heroes in history the fierce determined and brave nurses who treated soldiers in World War I Praise for *The War Nurse* Through careful research this book shows the incredible bravery and compassion of women who find themselves in extraordinary situations Julia Kelly international bestselling author of *The Last Garden in England* and *The Light Over London* A rich gripping history of one woman s lifelong battle against systemic prejudice Stewart O Nan award winning author of *The Good Wife* Once again Tracey Enerson Wood with her impeccable research and evocative prose kept me glued to the page Wood has a talent for bringing strong yet lesser known women from history to life Linda Rosen author of *The Disharmony of Silence* A riveting and surprisingly timely story of courage sacrifice and friendship forged at the front lines Kelly Mustian author of *The Girls in the Stilt House* If you like me are a voyeur of historical drama that unfolds as if the kitchen window flew open and the characters were caught in action then *The War Nurse* is for you Diane Dewey author of *Fixing the Fates* Fans of Patricia Harman will love Wood s treatment of medical expertise in a historical setting Booklist

Civil War Nurse John R. Brumgardt, 2025-03-14 The chief nurse of the Union Hospital in Washington D C describes life and stress in the hospital and comments on notable persons of power Her heretofore unpublished diary and letters comprise a fresh highly significant document concerning the medical history of the Civil War and the contributions of women nurses in the Northern military hospitals This book is edited with Introduction and Commentary by John R Brumgardt

Nurses in War Elizabeth Scannell-Desch, Mary Ellen Doherty, 2012-04-23 Print CourseSmart

Nurses After War Mary Ellen Doherty, Elizabeth Scannell-Desch, 2016-07-05 Based on candid interviews with 35 nurses who were deployed for the wars in Iraq and Afghanistan this is the first book to reveal the stresses and moral dilemmas they experienced as they transitioned back into everyday life The nurses share their difficulties with family

separation clinical reassignments post traumatic stress disorder the perceived stigma of seeking mental health counseling and compassion fatigue They describe how doing nursing in a war zone changed them personally and expanded their nursing skills and how reintegration was more difficult than they had anticipated In addition to serving as a personal account of the experiences both individual and collective of these military nurses the book will serve researchers as a compelling example of qualitative phenomenological and descriptive research Interviewees describe in vivid detail their homecoming family adjustments renegotiation of spousal and parenting roles domestic and workplace challenges and many other dilemmas posed by the reintegration process They provide insights and thoughtful recommendations for changes to current military debriefing to improve the experiences of future wartime nurses Encompassing all three branches of the military the book also examines the differences between active duty services and reserve unit services issues of substance abuse the Veterans Administration the burden of multiple deployments and other common threads among nurses who served in Iraq and Afghanistan

KEY FEATURES Provides vivid narrative accounts of nurses reintegration experiences Delivers the first research study of nursing reintegration which includes Army Navy and Air Force Nurse Corps officers following deployment in the Iraqi and Afghani Conflicts Demonstrates how a comprehensive qualitative nursing research study can be crafted into a highly accessible compelling account Explores the personal and professional paths of 35 nurses returning from war Addresses the reintegration differences between active duty versus reserve status

Women at War Elizabeth M. Norman, 1990 The story of fifty military nurses who served in Vietnam

Easing Pain on the Western Front Paul E. Stepansky, 2019-12-13 World War I is regarded as the first modern war driven by fearful new technologies of mechanized combat The unprecedented carnage rapidly advanced military medicine transforming the nature of wartime caregiving and paving the way for modern nursing practice Drawing on firsthand accounts of American nurses as well as their Canadian and British counterparts historian Paul E Stepansky describes nurses encounters with devastating new forms of injury wounds from high explosive artillery shells poison gas burns shell shock the Spanish Flu Comparing nursing practice on the western front with nursing care during the American Civil War the Spanish American War and the Anglo Boer War the author is especially attentive to the emergent technologies employed by nurses of the Great War

Vietnam War Nurses Patricia Rushton, 2013-04-17 Eighteen nurses who served in the United States military nurse corps during the Vietnam War present their personal accounts in this book They represent all military branches and both genders They served in the theater of combat in the United States and in countries allied with the U S They served in front line hospitals hospital ships large medical centers and small clinics They speak of caring for casualties during a conflict filled with controversy and of patriotism of the nursing profession of travel and the adventure of friendship and love

Faces of Civil War Nurses Ronald S. Coddington, 2020-10-06 A collection of rare archival images and biographical sketches of the dauntless women who served as nurses and caregivers during the Civil War During the American Civil War women on both sides of the conflict radiating

patriotic fervor equal to their male counterparts contributed to the war effort in countless ways forming charitable societies becoming nurses or even marching off to war as vivandieres unofficial attaches to the regiments In *Faces of Civil War Nurses* Ronald S Coddington turns his attention to the experiences of 77 women of all ages and walks of life who provided care during the war as nurses aid workers and vivandieres Their personal narratives are as unique as fingerprints each provides a distinct entry point into the larger social history of the brutal and bloody conflict Coddington tells these determined women's stories through letters diaries pension files and newspaper and government reports Using identified tintypes and cartes de visite of women on both sides of the war many of them never before published Coddington uncovers the personal histories of each intrepid individual Following their postwar stories he also explains how the bonds they formed continued long after the cessation of hostilities The fifth volume in Coddington's series on Civil War soldiers this captivating microhistory will appeal to anyone with an interest in the Civil War women's studies social history nursing or photography Praise for Ronald Coddington's *Faces* Series An engaging look at a neglected part of the history of the American Civil War Booklist Coddington has hit upon a unique and fascinating niche in the seemingly endless march of Civil War books C RL News A lavishly produced visual record of southern Civil War soldiers will appeal to serious photography enthusiasts and collectors as well as those readers captivated by the personal stories of Civil War soldiers Civil War Books and Authors Coddington's prose is as unpretentious as the faces he shares yet authoritative It resurrects details that broaden our understanding of those sad times and sheds valuable light on the shape of modern culture Atlanta Constitution Even at a distance of over a hundred years the faces staring out of these pages create an undeniable emotional connection with the reader This book is highly recommended H CivWar H Net Reviews A fascinating window into the war's impact on the individual soldier well researched and engagingly written Any teacher of the Civil War would do well to consult this volume and incorporate some of the captivating tales into lectures and readings Journal of Military History

No Time for Fear Diane Burke Fessler, 1996 *No Time For Fear* summons the voices of more than 100 women who served as nurses overseas during World War II letting them tell their story as no one else can Fessler has meticulously compiled and transcribed more than 200 interviews with American military nurses of the Army Army Air Force and Navy who were present in all theaters of WWII Their stories bring to life horrific tales of illness and hardship blinding blizzards and near starvation all faced with courage tenacity and even good humor This unique oral history collection makes available to readers an important counterpoint to the seemingly endless discussions of strategy planning and troop movement that often characterize discussions of the Second World War

Officer, Nurse, Woman Kara Dixon Vuic, 2010-01-01 Winner 2010 Lavinia L Dock Award American Association for the History of Nursing American Journal of Nursing Book of the Year in History and Public Policy I never got a chance to be a girl Kate O Hare Palmer lamented thirty four years after her tour as an army nurse in Vietnam Although proud of having served she felt that the war she never understood had robbed her of her innocence and forced her to grow up too quickly As depicted in a

photograph taken late in her tour long hours in the operating room exhausted her both physically and mentally Her tired eyes and gaunt face reflected the weariness she felt after treating countless patients some dying some maimed all like her forever changed Still she learned to work harder and faster than she thought she could to trust her nursing skills and to live independently She developed a way to balance the dangers and benefits of being a woman in the army and in the war Only fourteen months long her tour in Vietnam profoundly affected her life and her beliefs Such vivid personal accounts abound in historian Kara Dixon Vuic's compelling look at the experiences of army nurses in the Vietnam War Drawing on more than 100 interviews Vuic allows the nurses to tell their own captivating stories from their reasons for joining the military to the physical and emotional demands of a horrific war and postwar debates about how to commemorate their service Vuic also explores the gender issues that arose when a male dominated army actively recruited and employed the services of 5 000 nurses in the midst of a growing feminist movement and a changing nursing profession Women drawn to the army's patriotic promise faced disturbing realities in the virtually all male hospitals of South Vietnam Men who joined the nurse corps ran headlong into the army's belief that women should nurse and men should fight Officer Nurse Woman brings to light the nearly forgotten contributions of brave nurses who risked their lives to bring medical care to soldiers during a terrible and divisive war

A War Nurse's Diary World War I Nurse, 1918 **Lingering Fever** LaVonne Telshaw Camp, 1997-01-01 In 1945 the author found herself in the monsoon drenched jungles of Assam caring for soldiers in the China Burma India theater of war in a thatched roof hospital that had few modern facilities Nothing in her nurse's training had prepared her for the tropical diseases her patients faced nor had her experiences readied her for a hospital where men spat on the floor rats were pervasive and patients who used their handguns to chase gigantic cockroaches were as likely to sell their medicine as swallow it What made the experience tolerable was Nurse Camp's romance with one of the airmen who flew the Hump supplying OSS troops behind Japanese lines and carrying General Joseph Stillwell's Chinese troops to fight the battle of North Burma She accompanied her future husband on some of his missions flying over the treacherous mountains to China and down to Calcutta Based in part on letters she wrote to her parents this is the poignant story of one nurse's experience in World War II and how her service changed her life forever

Beyond the Call of Duty Judith Barger, 2013 This book offers an in depth account of the events leading up to the formation of the military flight nurse program their training for duty and the air evacuation missions in which they participated Dust jacket *Nurse Writers of the Great War* Christine E. Hallett, 2016-02-15 The First World War was the first total war Its industrial weaponry damaged millions of men and drove whole armies underground into dangerously unhealthy trenches Many were killed Many more suffered terrible life threatening injuries wound infections such as gas gangrene and tetanus exposure to extremes of temperature emotional trauma and systemic disease In an effort to alleviate this suffering tens of thousands of women volunteered to serve as nurses Of these some were experienced professionals while others had undergone only minimal training But regardless of

their preparation they would all gain a unique understanding of the conditions of industrial warfare Until recently their contributions both to the saving of lives and to our understanding of warfare have remained largely hidden from view By combining biographical research with textual analysis Nurse writers of the great war opens a window onto their insights into the nature of nursing and the impact of warfare An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence

Pure Grit Mary Cronk Farrell, 2023-05-23 Farrell chronicles the harrowing story of U S Army and Navy nurses based in the Philippines during WWII a memorable portrayal Booklist starred review In the early 1940s young women enlisted for peacetime duty as U S Army nurses But when the Japanese attack on Pearl Harbor in 1941 blasted the United States into World War II 101 American Army and Navy nurses serving in the Philippines were suddenly treating wounded and dying soldiers while bombs exploded all around them The women served in jerry rigged jungle hospitals on the Bataan Peninsula and in underground tunnels on Corregidor Island Later when most of them were captured by the Japanese as prisoners of war they suffered disease and near starvation for three years *Pure Grit* is a story of sisterhood and suffering of tragedy and betrayal of death and life The women cared for one another maintained discipline and honored their vocation to nurse anyone in need all 101 coming home alive The book is illustrated with archival photographs and includes an index glossary and timeline Farrell doesn't spare her young readers any grim details She includes the challenges these women faced and the joy they felt on returning home As awful as history can be now might be the right time to introduce the next generation to this important period The Washington Post Young readers who enjoyed Tanya Lee Stone's *Almost Astronauts 13 Women Who Dared to Dream* will also appreciate this story of courageous women whose story was nearly forgotten School Library Journal

Veiled Warriors Christine E. Hallett, 2014-08-28 Caring for the wounded of the First World War was tough and challenging work demanding extensive knowledge technical skill and high levels of commitment Although allied nurses were admired in their own time for their altruism and courage their image was distorted by the lens of popular mythology They came to be seen as self sacrificing heroines romantic foils to the male combatant and doctors handmaidens rather than being appreciated as trained professionals performing significant work in their own right Christine Hallett challenges these myths to reveal the true story of allied nursing in the First World War one which is both more complex and more absorbing Drawing upon evidence from archives across the world *Veiled Warriors* offers a compelling account of nurses wartime experiences and a clear appraisal of their work and its contribution to the allied cause between 1914 and 1918 on both the Western and the Eastern Fronts Nurses believed they were involved in a multi layered battle Primarily they were fighting for the lives of their patients on the second battlefield of casualty clearing stations transports and military hospitals Beyond this they were an integral component of the allied military machine putting their own lives at risk in field hospitals close to the front lines on board hospital ships vulnerable to enemy submarine attack and in base hospitals subject to heavy bombardment As working women in a sometimes hostile chauvinistic world allied

nurses were also fighting to gain recognition for their profession and political rights for their sex For them military nursing might help to win not only the war itself but also a more powerful voice for women in the post war world **Women as Veterans in Britain and France after the First World War** Alison S. Fell, 2018-07-12 This is the story of how women in France and Britain between 1915 and 1933 appropriated the cultural identity of female war veteran in order to have greater access to public life and a voice in a political climate in which women were rarely heard on the public stage The veterans covered by this history include former nurses charity workers secret service agents and members of resistance networks in occupied territory as well as members of the British auxiliary corps What unites these women is how they attempted to present themselves as female veterans in order to gain social advantages and give themselves the right to speak about the war and its legacies Alison S Fell also considers the limits of the identity of war veteran for women considering as an example the wartime and post war experiences of the female industrial workers who led episodes of industrial action

The book delves into Nurses War. Nurses War is a crucial topic that needs to be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Nurses War, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Nurses War
- Chapter 2: Essential Elements of Nurses War
- Chapter 3: Nurses War in Everyday Life
- Chapter 4: Nurses War in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Nurses War. The first chapter will explore what Nurses War is, why Nurses War is vital, and how to effectively learn about Nurses War.
3. In chapter 2, the author will delve into the foundational concepts of Nurses War. This chapter will elucidate the essential principles that need to be understood to grasp Nurses War in its entirety.
4. In chapter 3, this book will examine the practical applications of Nurses War in daily life. This chapter will showcase real-world examples of how Nurses War can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Nurses War in specific contexts. This chapter will explore how Nurses War is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Nurses War. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Nurses War.

Nurses War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Nurses War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nurses War has opened up a world of possibilities. Downloading Nurses War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nurses War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and

authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nurses War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nurses War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nurses War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Nurses War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Nurses War Books

1. Where can I buy Nurses War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
