Nursing Partnership Judith C. Christensen, 1990-05-01 *Perspectives on Cancer Care* Tonks N. Fawcett, Anne McQueen, 2010-11-11 *Perspectives on Cancer Care* is a unique collection of insights from contributors based on their specific expertise and experience. It provides a range of perspectives on cancer care to inspire readers and encourage high quality care through an enhanced understanding of patients' needs and carers' skills. The book presents a series of chapters highlighting different circumstances and approaches to the complex reality of cancer care. In each chapter the author presents their own picture of their experience of the individual's needs and the care required to address these needs illustrating the particular sensitivity, trust, empathy and support required in the care of patients with cancer and their families. The holistic approach to total care is a prominent feature in cancer care and this is illustrated throughout the various chapters. This collection of perspectives on cancer care highlights particular issues in the field, encourages best practice, draws on the expertise of specialist practitioners in the field of cancer care, features a holistic approach to cancer care illustrated through scenarios.

The Collaborative Partnership Approach to Care - A Delicate Balance Laurie N. Gottlieb, RN, MSc(A), PhD, Nancy Feeley, RN, MSc(A), PhD, Cindy Dalton, 2005-11-08 *The Collaborative Partnership Approach to Care: A Delicate Balance* brings together the insights and discoveries by expert clinicians and teachers who use a collaborative approach to care. The primary focus of this book is on the relationships between professionals and the people they care for, not just between professionals. Based on the McGill Model of Nursing, the authors stress the value of working in collaboration with the client, family or community. Written for nursing students of all levels, it also will be of interest to health care and mental health professionals. Uses a variety of formats to present ideas about collaboration. Describes ideas about collaboration from the perspective of expert clinicians who have been using collaboration as their approach to nursing care. Integrates quotes from interviews with expert clinicians to illustrate ideas about collaboration. Uses examples from clinical practice to help the reader understand how these theoretical ideas are translated into practice. Describes ideas used in teaching students about collaboration. Raises questions that can guide further research in this area.
