Florence Nightingale is famous as the lady with the lamp in the Crimean War 1854 56 There is a massive amount of literature on this work but as editor Lynn McDonald shows it is often erroneous and films and press reporting on it have been even less accurate The Crimean War reports on Nightingale s correspondence from the war hospitals and on the staggering amount of work she did post war to ensure that the appalling death rate from disease higher than that from bullets did not recur This volume contains much on Nightingale s efforts to achieve real reforms He A.L.A.
