a vital role in the life and ministry of the pastor As leaders pastors both create and nurture culture in a church The biblical vision for that culture is Christoformity or Christlikeness Grounding pastoral ministry in the pastoral praxis of the apostle Paul McKnight shows that nurturing Christoformity was at the heart of the Pauline mission The pastor s central calling then is to mediate Christ in everything McKnight explores seven dimensions that illustrate this concept friendship siblings generosity storytelling witness subverting the world and wisdom as he calls pastors to be conformed to Christ and to nurture a culture of Christoformity in their churches **NLT Study Bible Large Print** Tyndale,2020-11-03 Make Your Study Personal and Your Devotions Serious You study the Bible to connect with God s heart The NLT Study Bible gives you the tools you need to enter the world of the Bible so you can do just that Including over 25 000 study notes plus profiles charts maps timelines book and section introductions and approximately 300 theme notes the NLT Study Bible will make your study personal and your devotions serious This new large print edition features a generous 10 point font The New Living Translation breathes life into even the most difficult to understand Bible passages changing lives as the words speak directly to their hearts Women Leaders in Ministry Myrtle Pellew,2011-12-01 **The Ministry of Nurture** Duffy Robbins,1990 In this thoughtful comprehensive guide you will find ideas for encouraging spiritual growth in young people by one of the most authoritative voices in youth ministry today **2 Corinthians** R. Kent Hughes,2006-02-02 During Paul s ministry Corinth was a newly rebuilt bustling important city in the Roman Empire It was a place full of pride individualism wealth and religious pluralism No wonder its inhabitants held little regard for Paul s message Sound familiar Our contemporary culture has much in common with ancient Corinth The relevance of this book to churches today is astounding Paul delivers powerful theology that turns the values of the ancient Roman world upside down the grace of God the centrality of the cross and God s power made perfect in weakness He challenges us to live counterculturally In this commentary on 2 Corinthians Pastor R Kent Hughes carefully examines this letter from the apostle Paul to the church in Corinth continuing to provide rich biblical insight for the body of Christ Part of the Preaching the Word series **Second Corinthians and Paul's Gospel of Human Mortality** Richard I. T. Johnson

Raih,2021-10-06 The spiritual decay of nominalism threatens the established church worldwide While spiritual lethargy is often addressed from the perspective of theology and discipleship little attention has been given to the role of homiletics in revitalizing a congregation s spiritual health In this study Dr Johnson Raih explores the impact of preaching on members of Baptist churches in Imphal Manipur India from 2000 to 2015 He utilizes interviews and questionnaires from pastors church leaders and lay members to assess the presence of nominalism within church congregations along with the effects of various preaching methods on increasing or decreasing spiritual vitality Combining this qualitative research with scriptural and theological insight Raih suggests that expository preaching has the power to confront and even eradicate nominalism within the church He draws on biblical examples along with the methodology of John Stott and Timothy Keller to offer ten practical recommendations for countering nominalism homiletically whether in Imphal India or around the world *The Preacher's Commentary - Vol. 30: 1 and 2 Corinthians* Kenneth L.
