Nusayrialawi Religion:

The Nusayrī - 'Alawīs Yaron Friedman, 2009-11-23 Friedman offers new and updated research on the Nusayr Alaw sect today a leading group in Syria covering a variety of aspects and focusing on the Middle Ages A century after Dussaud's *Histoire et religion des Nosair* s 1900 he reviews the history and religion of the sect in the light of old documents used by orientalists in the nineteenth century documents that became available in the twentieth century and later sources of the Nusayr Alaw sect published most recently in Lebanon Also studied in depth for the first time is the question of the identity of the sect through the Alaw Sunn Sh triangle **Cycle of Fear** Leon Goldsmith, 2015-05-15 The Alawites are a key component to the current civil war in Syria Journalist Robert D Kaplan compared Hafez al Assad's coming to power to an untouchable becoming maharajah in India or a Jew becoming tsar in Russia an unprecedented development shocking to the Sunni majority population which had monopolized power for so many centuries 31 In 1971 al Assad declared himself president of Syria a position the constitution at the time permitted only for Sunni Muslims The author shows how the political behavior of Alawites has long been shaped by the group's insecurity and lack of true integration into society *The Alawīs of Syria* Michael Kerr, Craig Larkin, 2015 A wide ranging exploration of the cultural and historical hinterland of Syria's powerful Shia minority **A History of the 'Alawīs** Stefan Winter, 2016-09-20 The Alawīs or Alawites are a prominent religious minority in northern Syria Lebanon and southern Turkey best known today for enjoying disproportionate political power in war torn Syria In this book Stefan Winter offers a complete history of the community from the birth of the Alawī Nusayrī sect in the tenth century to just after World War I the establishment of the French mandate over Syria and the early years of the Turkish republic Winter draws on a wealth of Ottoman archival records and other sources to show that the Alawīs were not historically persecuted as is often claimed but rather were a fundamental part of Syrian and Turkish provincial society Winter argues that far from being excluded on the basis of their religion the Alawīs were in fact fully integrated into the provincial administrative order Profiting from the economic development of the coastal highlands particularly in the Ottoman period they fostered a new class of local notables and tribal leaders participated in the modernizing educational political and military reforms of the nineteenth century and expanded their area of settlement beyond its traditional mountain borders to emerge from centuries of Sunni imperial rule as a bona fide sectarian community Using an impressive array of primary materials spanning nearly ten centuries *A History of the Alawīs* provides a crucial new narrative about the development of Alawī society **Gods and Religions** Saul Silas Fathi, 2023-12-22 **Syria through Jihadist Eyes** Nibras Kazimi, 2013-09-01 With field notes accumulated in a Syrian environment not generally hospitable to research and inquiry Nibras Kazimi provides a unique view of the Syrian regime and its base at home filling a void in our understanding of the intelligence barons and soldiers who run that country He offers a look at the tactical propagandists and strategic ingredients required in jihadist eyes for a successful jihad and whether those ingredients are available in Syria Routledge Handbook

of Minorities in the Middle East Paul S Rowe, 2018-09-20 The Routledge Handbook of Minorities in the Middle East gathers a diverse team of international scholars each of whom provides unique expertise into the status and prospects of minority populations in the region The dramatic events of the past decade from the Arab Spring protests to the rise of the Islamic state have brought the status of these populations onto centre stage The overturn of various long term autocratic governments in states such as Tunisia Egypt Libya and Yemen and the ongoing threat to government stability in Syria Iraq and Lebanon have all contributed to a new assertion of majoritarian politics amid demands for democratization and regime change In the midst of the dramatic changes and latent armed conflict minority populations have been targeted marginalized and victimized Calls for social and political change have led many to contemplate the ways in which citizenship and governance may be changed to accommodate minorities or indeed if such change is possible At a time when the survival of minority populations and the utility of the label minority has been challenged this handbook answers the following set of research questions What are the unique challenges of minority populations in the Middle East How do minority populations integrate into their host societies both as a function of their own internal choices and as a response to majoritarian consensus on their status Finally given their inherent challenges and the vast sweeping changes that have taken place in the region over the past decade what is the future of these minority populations What impact have minority populations had on their societies and to what extent will they remain prominent actors in their respective settings This handbook presents leading edge research on a wide variety of religious ethnic and other minority populations By reclaiming the notion of minorities in Middle Eastern settings we seek to highlight the agency of minority communities in defining their past present and future

Alevi Identity Tord Olsson, Elisabeth Ozdalga, Catharina Raudvere, 2005-09-30 Alawites cultural religious and social perspectives Syrian Civil War Robert M. Kerr, 2020-02-24 This invaluable resource provides students with a comprehensive overview of the Syrian Civil War with roughly 100 in depth articles by leading scholars on an array of key topics and several important primary source documents This important work provides a thorough introduction to the origins events and impact of the devastating Syrian Civil War illuminating the complexities and the consequences of this long lasting conflict From the emergence of the war in early 2011 following the Arab Spring that swept across the Middle East to the rise of the Islamic State ISIS through the re establishing of control of most of the country by Syrian president Bashar al Assad s armed forces by late 2018 this comprehensive work covers every aspect of this conflict that has devastated millions The book begins with a detailed overview of the Syrian Civil War that provides context to each of the reference entries that follow The introductory material also includes essays on the causes and consequences of the war Next comes the A Z reference entries on such topics as Bashar al Assad chemical weapons the refugee crisis the Battle of Saraqeb and White Helmets In addition the book includes about a dozen curated and contextualized primary source documents along with a comprehensive chronology and an extensive bibliography *Greater Syria* Daniel Pipes, 1992-03-26 While for many years scholars and

journalists have focused on the more obvious manifestations of political life in the Middle East one major theme has been consistently neglected This is Pan Syrian nationalism the dream of creating a Greater Syria out of an area now governed by Syria Lebanon Israel Jordan and Turkey Though not nearly as well known as Arab or Palestinian nationalism and hardly studied in depth Pan Syrianism has had a profound effect on Middle Eastern politics since the end of World War I In Greater Syria the noted Middle East scholar Daniel Pipes provides the first comprehensive account of this intriguing important and little understood ideology

Nusayrialawi Religion Introduction

In today's digital age, the availability of Nusayrialawi Religion books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Nusayrialawi Religion books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Nusayrialawi Religion books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Nusayrialawi Religion versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Nusayrialawi Religion books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Nusayrialawi Religion books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Nusayrialawi Religion books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Nusayrialawi Religion books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Nusayrialawi Religion books and manuals for download and embark on your journey of knowledge?
