Early Modern Disputations and Dissertations in an Interdisciplinary and European Context Meelis Friedenthal, Hanspeter Marti, Robert Seidel, 2021-01-25 From the sixteenth through to the eighteenth century printed disputations were the main academic output of universities This genre is especially attractive as it deals with the most significant cultural and scientific innovations of the early modern period such as the printing revolution and the development of new methods in philosophy education and scholarly exchange via personal networks Until recently academic disputations have attracted comparatively little scholarly attention This volume provides for the first time a comprehensive study of the early modern disputation culture both through theoretical discussions and overviews and numerous case studies that analyze particular features of disputations in various European regions **The study of languages** Einar Haugen, 2019-04-01 No detailed description available for The study of languages Classified bibliography of literature on the Acts of the Apostles Mattill, 2019-07-01

Jesus as the Son of 1-2 Samuel's David Marc Grønbech-Dam, 2024-05-21 Although the Gospel of Matthew emphasizes Jesus as the son of David no one has systematically investigated how 1 2 Samuel influence Matthew's portrayal of Jesus as the son of David This work addresses that lacuna and shows how the sustained use of 1 2 Samuel in Matthew evokes the themes of mercy and righteousness as the hallmarks of a proper Davidic shepherd The book's systematic intertextual and narrative approach offers another way to understand Matthew's Christology and portrayal of the kingdom of heaven It helps the reader appreciate the justice focused nature of Jesus' rule and its religious and political implications

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
