## Passages For Consolation:

Passages for Consolation Michael Myers,1993-02      To Know as I Am Known: The Communion of the Saints and the Ontology of Love Mark McLeod-Harrison,2019-02-05 The doctrine of the communion of the saints is central in the spiritual lives and theology of millions of Christians However it has been neglected by much recent philosophical scholarship To know as I am known addresses this oversight by offering a contemporary analysis of this venerated doctrine By taking two related puzzles inherent in the doctrine itself McLeod Harrison explores and reflects on not only the communion of the saints but also on the ontology of love Divided into five parts this book provides an account of human nature and sin before suggesting a way of thinking of love that is rooted both in the doctrine of the Trinity and in the thought of several contemporary analytic thinkers along with Dostoyevsky Eckerd Royce While the integral issues of the doctrine are related to the why be moral problem McLeod Harrison shows that the challenges of the doctrine arise from the unique nature of agape divine love Thus the communion of the saints comes through the challenges intact with a plausible interpretation of saintly motivation and human solidarity Born out of 20 years of thought this essential and sophisticated reflection serves as an important contribution to the field of the philosophy of religion that will inspire and engage students scholars and Christians alike
