**Passamaquoddy/Maliseet reference book** Joseph A. Nicholas, David A. Francis, 1988 *A Passamaquoddy-Maliseet Dictionary* David A. Francis, Robert Leavitt, 2008-01-01 This dictionary of Passamaquoddy Maliseet an aboriginal language spoken in New Brunswick and Maine is the result of more than thirty years of collaboration among native speakers educators and linguists The first of its kind in Canada the volume contains more than 18 000 entries over 1 200 pages including a comprehensive English index that will guides readers to discover shades of meaning and to better understand pronunciation and grammatical structure This unprecedented book is in many ways more than a dictionary An important cultural document it contains detailed knowledge of the physical intellectual social spiritual and emotional environments of the Maliseet and Passamaquoddy people Sample sentences taken from both oral tradition and contemporary conversation reveal details of Passamaquoddy Maliseet thought and culture personal attitudes and humour as well as a linguistic ingenuity **Canadian**

**Reference Sources** Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers

**Working as Indigenous Archaeologists** George Nicholas, Joe Watkins, 2024-09-30 Working as Indigenous Archaeologists explores the often contentious relationship between Indigenous and other formerly colonized peoples and Archaeology through their own voices Over the past 35 plus years the once novel field of Indigenous Archaeology has become a relatively familiar part of the archaeological landscape It has been celebrated criticized and analyzed as to its practical and theoretical applications and its political nature No less important are the life stories of its Indigenous practitioners What has brought some of them to become practicing archaeologists or heritage managers What challenges have they faced from both inside and outside their communities And why haven't more pursued Archaeology as a vocation or avocation This volume is a collection of 60 autobiographical chapters by Indigenous archaeologists and heritage specialists from around the world some community based some academic some in other realms who are working to connect past and present in meaningful and

especially personal ways As Archaeology continues to evolve there remain strong tensions between an objective science oriented evidentiary based approach to knowing the past and a more subjective relational humanistic approach informed by local values traditional knowledge and holistic perspective While there are no maps for these new territories hearing directly from those Indigenous individuals who have pursued Archaeology reveals the pathways taken Those stories will provide inspiration and confidence for those curious about what lies ahead This is an important volume for anyone interested in the present state and future of the archaeological discipline *The Gale Encyclopedia of Native American Tribes* Sharon Malinowski,1998 This acclaimed set offers students and researchers thorough objective and systematic essays on the history culture and current status of all federally recognized Native American groups approximately 400 in all **Algonquian and Iroquoian Linguistics** ,2005 *Giants Monsters and Dragons* Carol Rose,2001-12-04 Contains alphabetically arranged entries that describe the imaginary creatures found in legends religions folklore oral history and theologies around the world

**A Reference Grammar of Warao** Andrés Romero-Figueroa,1997 *Papers of the Fortieth Algonquian Conference* Karl S. Hele,J. Randolph Valentine,2012-10-01 The papers of the Algonquian Conference have long served as the primary source of peer reviewed scholarship addressing topics related to the languages and societies of Algonquian peoples Contributions which are peer reviewed submissions presented at the annual conference represent an assortment of humanities and social science disciplines including archeology cultural anthropology history ethnohistory linguistics literary studies Native studies social work film and countless others Both theoretical and descriptive approaches are welcomed and submissions often provide previously unpublished data from historical and contemporary sources or novel theoretical insights based on firsthand research The research is commonly interdisciplinary in scope and the papers are filled with contributions presenting fresh research from a broad array of researchers and writers These papers are essential reading for those interested in Algonquian world views cultures history and languages They build bridges among a large international group of people who write in different disciplines Scholars in linguistics anthropology history education and other fields are brought together in one vital community thanks to these publications **Power without Law** Alex M. Cameron,2009-10-01 The Supreme Court of Canada decision in the Marshall case asserted sweeping Native treaty rights and generated intense controversy In Power without Law Alex Cameron enlivens the debate over judicial activism with an unprecedented examination of the details of the Marshall case analyzing the evidence and procedure in the trial court and tracing the legal arguments through the Court of Appeal to the Supreme Court of Canada He argues that there were critical defects in the process the successful argument at the Supreme Court of Canada was never tested in the lower courts the Crown s expert was precluded from testifying about a vital document the Court s analysis does not accord with the historical evidence and the treaty rights are inconsistent with the colonial law of Nova Scotia Concluding that the Marshall decision was the result of incautious judicial activism Power without Law challenges us to reconsider the role of our courts in the Charter era

Snowshoe Country Thomas M. Wickman, 2018-09-20 An environmental and cultural history of winter in the colonial Northeast examining indigenous and settler knowledge of life in the cold

**Papers of the Fifty-Third Algonquian Conference / Actes du cinquante-troisième Congrès des Algonquinistes** Inge Genée, Monica Macaulay, Margaret Noodin, 2024-05-01 Papers of the Algonquian Conference is a collection of peer reviewed scholarship from an annual international forum that focuses on topics related to the languages and cultures of Algonquian peoples This series touches on a variety of subject areas including anthropology archaeology education ethnography history Indigenous studies language studies literature music political science psychology religion and sociology Contributors often cite never before published data in their research giving the reader a fresh and unique insight into the Algonquian peoples and rendering these papers essential reading for those interested in studying Algonquian society

*Born in the Blood* Brian Swann, 2011-06-01 Since Europeans first encountered Native Americans problems relating to language and text translation have been an issue Translators needed to create the tools for translation such as dictionaries still a difficult undertaking today Although the fact that many Native languages do not share even the same structures or classes of words as European languages has always made translation difficult translating cultural values and perceptions into the idiom of another culture renders the process even more difficult In *Born in the Blood* noted translator and writer Brian Swann gathers some of the foremost scholars in the field of Native American translation to address the many and varied problems and concerns surrounding the process of translating Native American languages and texts The essays in this collection address such important questions as what should be translated how should it be translated who should do translation and even should the translation of Native literature be done at all This volume also includes translations of songs and stories

A Reference Grammar of Mbay John M. Keegan, 1997

*A History of the Study of the Indigenous Languages of North America* Marcin Kilarski, 2021-12-06 The languages indigenous to North America are characterized by a remarkable genetic and typological diversity Based on the premise that linguistic examples play a key role in the origin and transmission of ideas within linguistics and across disciplines this book examines the history of approaches to these languages through the lens of some of their most prominent properties These properties include consonant inventories and the near absence of labials in Iroquoian languages gender in Algonquian languages verbs for washing in the Iroquoian language Cherokee and terms for snow and related phenomena in Eskimo Aleut languages By tracing the interpretations of the four examples by European and American scholars the author illustrates their role in both lay and professional contexts as a window onto unfamiliar languages and cultures thus allowing a more holistic view of the history of language study in North America
