Passengers to America Michael C. O'Laughlin, 2000 Lists over 7 000 emigrant names in alphabetical order Includes the years 1811 1847 Passengers to America Michael Tepper, 1978 A consolidation of ship passenger lists from the New Englan Historical and Genealogical Register Bonded Passengers to America Peter Wilson Coldham, 198? Bonded Passengers to America Peter Wilson Coldham, 1983 Indentured persons or convicts conscripted from English prisons and poor houses to come to the America to work as bonded workers **American Passenger Arrival Records** Michael Tepper, 1993 Lured by opportunity or driven by necessity millions of people made their way to America in the most determined and sustained migration the world has ever known Initially they left traces of their immigration in scattered records and documents later their arrival in this country was documented so minutely that the records resulting from this documentation are among the largest the most continuous and the most uniform in the nation s archives **Ships from Ireland to Early America, 1623-1850** David Dobson, 1999 David Dobson sets out to overcome some of the obstacles facing North Americans attempting to trace ancestors in Ireland prior to 1820 Researchers with colonial Irish ancestors must contend with the fact that no official records of arriving immigrants exist for the United States prior to 1820 nor prior to 1865 in Canada On the other hand if the researcher can establish that an immigrant ancestor lived in or near a certain port of entry at a particular time he may be able to jump the Atlantic by utilizing the records of the very vessels known to or likely to have transported passengers from Ireland to North America between 1623 and 1850 Modeled after a similar volume compiled by the author for Scottish vessels of this era *Ships from Ireland to Early America* is an alphabetically arranged list of 1 500 vessels known to have embarked from Ireland to North America For each vessel we learn the dates and ports of embarkation and arrival and the source of the information and frequently the number of passengers and the name of the ship s captain In the compilation of the volume Mr Dobson combed through contemporary newspapers government records in Great Britain and North America and a small number of published works The author s sources are itemized and coded at the front of the volume where the reader will also find an informative essay on the conditions of colonial transportation to North America While Mr Dobson makes no claims as to the comprehensiveness of this list of Irish vessels he has nonetheless assembled another groundbreaking work on a subject of great importance to American genealogists *Italians to America: March 1903-April 1903* Ira A. Glazier, Percy William Filby, 1992 *Italians to America* is the first indexed reference work devoted to Italian immigrants to the United States This series contains passenger list information in chronological order on the first major wave of Italian migration during the last two decades of the nineteenth century as well as the beginning of the twentieth century As with the highly regarded companion series on German immigrants *Italians to America* presents the passenger lists in chronological order including information on each person s age sex occupation village of origin and
