*On the Run* Alice Goffman, 2014-04-22 A remarkable chronicle related with honesty and compassion this ethnography reveals the impact of probation and parole practices on one community Publisher Weekly The War on Drugs has done almost nothing to prevent drugs from being sold or used but it has created a little known surveillance state in America s most disadvantaged neighborhoods Alice Goffman spent six years living in one such neighborhood in Philadelphia and her observations reveal the effects of this pervasive policing Goffman introduces us to an unforgettable cast of young African American men who are caught up in this web of warrants and surveillance All find the net of presumed criminality built as it is on the very associations and friendships that make up a life nearly impossible to escape We watch as the pleasures of summer evening stoop sitting are shattered by the arrival of a carful of cops looking to serve a warrant we watch as teenagers teach their younger siblings and cousins how to run from the police and we see over and over the relentless toll that the presumption of criminality takes on families and futures Through her gripping accounts of daily life in the forgotten neighborhoods of America s cities Goffman makes it impossible to ignore the very real human costs of our failed response Extraordinary Malcolm Gladwell The New Yorker A remarkable feat of reporting Astonishing and riveting The New York Times Book Review Goffman s lively prose opens a window into a life where paranoia has become routine Baltimore City Paper Goffman gives us a subtle analysis and poignant portrait of our fellow citizens who struggle to preserve their sanity and dignity Cornel West author of Race Matters

**The Puritan Way of Death** David E. Stannard, 1977 A scholarly study which focuses on a single aspect of Puritan culture Journal of Palliative Care, 2000 The Network Society Dirk Messner, 2013-10-11 The author argues that the countries that at the end of the 20th century have economic social and ecological success will not be unleashed market economies but active and learning societies that attempt to solve their problems via an organizational and governance related pluralism In God's Image Matthew Akim Tomlinson, 2009-03-10 Today most indigenous Fijians are Christians and the Methodist Church is the foundation of their social and political lives Yet as this thought provoking study of life on rural Kadavu Island finds Fijians also believe that their ancestors possessed an inherent strength that is lacking in the present day Looking in particular at the interaction between the church and the traditional chiefly system Matt Tomlinson finds that this belief about the superiority of the past provokes great anxiety and that Fijians seek ways of recovering this strength through ritual and political action Christianity itself simultaneously generates a sense of loss and the means of recuperation To unravel the cultural dynamics of Christianity in Fiji Tomlinson explores how this loss is expressed through everyday language and practices
