Passion For Kittens:

A Passion for Kittens J. C. Soares,1995 For the Love of A Cat David St. John Thomas,2010-09-09 Few people can appreciate the joy that being owned by a cat brings better than David St John Thomas the latest in a long line of publishers and authors to pay homage to the very special cats who have entered their busy lives This is a book for everyone who really cares about cats Vividly written sometimes serious sometimes light hearted anyone who has fallen for a cat however much against their better judgement is bound to find it uplifting While cat people are nice Hitler couldn't stand them the real heroes in this book are naturally the cats themselves A rich portfolio of feline characters including the author's own cats step off the page or perhaps lie curled in seductive curves on it so vividly that you can feel their fur and hear their purr Rich in entertaining anecdotes and asides For the Love of a Cat will enhance every cat owner's understanding of their feline friend and remind them again and again just how lucky they are to share their lives with this most fascinating of creatures

Passion for Cats Ellen Denton,Katie Winkler,Jack Hillman,Pat Walker,2015-11-21 Passion for Cats is a collection of five fiction and five non fiction cat tales from amazing writers who share a deep rooted passion for our feline friends The stories take readers on an incredible journey between fact and fiction There are cats that save our planet and humans who seemed destined to sponsor homeless cats and of course cats who rule the world Can you tell fact from fiction **A Passion for Cats** Philip Wood,1987 Every Cat Has A Story: True Stories Exploring the Spiritual Connection of Felines with Their Beloved Owners Jasmine Kinnear,2007 Every Cat Has A Story is an exploration of the intimacy that exists between felines and their owners Submitted from writers throughout the world these stories touch on the synchronicity of Universal intervention which unites a cat with their person As you enjoy these stories possibly a new perspective of your own cat's special qualities may become evident Your feline's life has not gone unnoticed for you have been a living testament to the delight and enchantment they have brought into your family Every cat does indeed have a story a moment and a legacy that touches their owner's world in a significant manner A sampling of the 16 stories includes The Blue Angel Her Garden of Pets one man's connection to feline spirituality which ultimately connects us one to the other Finding Karma at the SPCA is a story of Universal destiny in which a cat immediately recognizes her owner yet neither had ever met before My Cat is So Insolent She Has A Price on Her Head is written with a dry sense of humor exploring the what ifs of a cat lover and her lessons learned Caterina Portrait of a Feline Soul Mate is the kitten we all seek but would we have the awareness to recognize her in a room full of kittens Then again would she recognize us This is an intriguing educational and entertaining collection of cat stories that you may fondly recall during those private moments shared only with your cat About the Author Jasmine Kinnear has been active in the world of cats for many years as a writer Feline Behavior Consultant registered cat breeder and cattery mentor Her distinctive ability to think just like a cat has permitted her to assist others in better understanding their felines unique spiritual nature She is now embarking on a new path and requesting others to also share

their stories to honor the special people and or pets within their own lives Her compassion sensitivity and understanding of the human condition lends itself to the Every Story series of books Every Cat Has A Story is Jasmine Kinnear s third book

and Learning in the Digital Age James Paul Gee, Elisabeth R. Hayes, 2011-02-01 In Language and Learning in the Digital Age
linguist James Paul Gee and educator Elisabeth Hayes deal with the forces unleashed by today s digital media forces that are
transforming language and learning for good and ill They argue that the role of oral language is almost always entirely
misunderstood in debates about digital media Like the earlier inventions of writing and print digital media actually power up
or enhance the powers of oral language Gee and Hayes deal as well with current digital transformations of language and
literacy in the context of a growing crisis in traditional schooling in developed countries With the advent of new forms of
digital media children are increasingly drawn towards video games social media and alternative ways of learning Gee and
Hayes explore the way in which these alternative methods of learning can be a force for a paradigm change in schooling This
is an engaging accessible read both for undergraduate and graduate students and for scholars in language linguistics
