Passion Policy:

Policy and Passion Mrs. Campbell Praed, 1881 *Policy and passion* Rosa Caroline Praed, 1881 **The Passion of Jesus in the Gospel of Mark** Donald Senior, 1991 The passion is the climactic event in each of the gospels This volume elucidates the passion in its historical background and explores its theological breadth and depth With scholarly finesse and pastoral awareness the author sets the vibrant message of the passion speaking to our lives and times **Passion and Restraint** Denis Clark, 2022-07-26 Much of today's international order can be traced to the experimentations with governance that occurred in central Europe immediately after World War I And though Western governments did not bring about the creation of Poland on their own or determine all of its eventual borders their attempts to do so left many lingering grudges and made the years immediately following the war a crucial period in Polish and international history Passion and Restraint examines how British French and American foreign policymakers interacted with Poles and the idea of an independent Poland during this period Western policymakers knew little about Poland in 1914 but by war's end they were drawing the new country's borders sending humanitarian aid and imposing minority protections Attitudes regarding national character and emotional restraint were central intertwined themes in British French and American diplomacy during this period of Polish rebirth and policymakers' opinions of national character evolved based on personal experiences political conditions and dominant understandings of the Polish people in the early twentieth century Amid these changing attitudes policymakers emphasized the necessity of Polish emotional restraint Demonstrating how emotions and stereotypes were integral to diplomatic decision making Passion and Restraint brings attention to these often overlooked historical factors advancing a new lens for the study of Polish European and international history **Passion V. Arrogance** Margaret Broderick, 2005 Recounts the compelling story of a small Midwest women owned winery their impressive start and international growth the difficult business decision to close and the results from the business world The story captures the excitement and the dream that all entrepreneurs are committed to when they start The tale proceeds with changes in relationships economic times and how the government's involvement with a financial institution operation causes a rippling effect Once the owners enter into legal system to protect what they created one improbable event after another leads to the dismantling of their life's dream The author lives the story and in honest and candid words discusses the mistakes struggles and ultimate belief in the leadership and management allowing them to continue the battle Get involved with this emotional two year struggle of winery versus bank woman versus man right versus wrong and passion versus arrogance **The Passion of Max Von Oppenheim** Lionel Gossman, 2013 Born into a prominent German Jewish banking family Baron Max von Oppenheim 1860-1946 was a keen amateur archaeologist and ethnologist His discovery and excavation of Tell Halaf in Syria marked an important contribution to knowledge of the ancient Middle East while his massive study of the Bedouins is still consulted by scholars today He was also an ardent German patriot eager to support his country's pursuit of its place in

the sun Excluded by his part Jewish ancestry from the regular diplomatic service Oppenheim earned a reputation as the Kaiser's spy because of his intriguing against the British in Cairo as well as his plan at the start of the First World War to incite Muslims under British French and Russian rule to a jihad against the colonial powers After 1933 despite being half Jewish according to the Nuremberg Laws Oppenheim was not persecuted by the Nazis In fact he placed his knowledge of the Middle East and his connections with Muslim leaders at the service of the regime Ranging widely over many fields from war studies to archaeology and banking history *The Passion of Max von Oppenheim* tells the gripping and at times unsettling story of one part Jewish man's passion for his country in the face of persistent and in his later years genocidal anti-Semitism

A Life-Long Passion Paul van de Velde, 2021-11-01 Anyone who is not astonished at Professor Veth's knowledge knows nothing about knowledge. Thus spoke Multatuli, one of the most important anti-colonial writers. Max Havelaar of modern Dutch history. P. J. Veth was the man who discovered Multatuli and he himself was a remarkable pamphleteer. With his great knowledge of the Dutch Indies, Veth played an influential role in shaping the Dutch identity without the Dutch Indies. The 19th-century Netherlands would be unthinkable. Paul van der Velde describes the turbulent life of Veth and his passion to get the Dutch Indies accepted as an adult partner. He was the scourge of the conservative Netherlands and his role in the literary and political circles of his time was quite remarkable. He was one of the most eminent Dutch scholars with an international reputation. *A Life-long Passion* gives a vivid insight into the life of this exceptional 19th-century man.

Research Handbook on Street-Level Bureaucracy Peter Hupe, 2019 When the objectives of public policy programmes have been formulated and decided upon, implementation seems just a matter of following instructions. However, it is underway to the realization of those objectives that public policies get their final substance and form. Crucial is what happens in and around the encounter between public officials and individual citizens at the street level of government bureaucracy. This Research Handbook addresses the state of the art while providing a systematic exploration of the theoretical and methodological issues apparent in the study of street-level bureaucracy and how to deal with them.

Passion, Pride, and Politics: The Life and Legacy of America's Presidents Pasquale De Marco, 2025-04-13 In this comprehensive and engaging chronicle, we delve into the captivating lives and remarkable legacies of America's presidents. From the founding fathers to the modern era, this book paints a vivid portrait of the individuals who have held the highest office in the land, shaping the course of the nation and leaving an indelible mark on its history. Through captivating storytelling and insightful analysis, we explore the triumphs and tribulations of these extraordinary leaders. We witness their rise to prominence, their struggles in office, and the impact of their decisions on the nation and the world. From the economic policies that shaped the nation's prosperity to the social issues that divided it, we gain a deeper understanding of the challenges and opportunities that come with the presidency. We also confront the darker aspects of presidential history, shedding light on scandals and controversies that have tarnished the reputation of the office. From Watergate to Iran Contra, we examine the profound impact of these events, exploring the consequences for the individuals involved and the nation as a whole. Beyond the political arena, we delve into the personal lives of the presidents, offering a glimpse into their families, their

passions and their struggles We discover the unique qualities and characteristics that have defined each administration from the leadership styles of different presidents to the enduring legacies they have left behind This book is not merely a collection of biographies it is an exploration of the American presidency itself We examine the powers and limitations of the office the challenges and opportunities it presents and the qualities and characteristics that make a great president As we turn the pages we gain a renewed appreciation for the complexities of the presidency and the vital role it plays in shaping the destiny of a nation If you like this book write a review on google books
