The Way of Passion Andrew Harvey, 2013-07-23 A modern mystic and religious scholar presents a stunning collection of Rumi poems and reveals how the Sufi poet's words can guide us through spiritual and ecological crisis The minds of two mystics intermingle in a work of inspired vision and clarity Jalalud Din Rumi enlightened spiritualist poet of Sufism has been venerated by Moslems everywhere since his death in 1273 No other poet in history not even Shakespeare or Dante has made so exalted and comprehensive an impact on his own civilization In the latter part of the 20th century he has become for people of every race and creed the poet of the new mystical Renaissance that is slowly but surely coming to its flowering No one has done more than Andrew Harvey to spread popular awareness of Rumi's message Himself a charismatic mystic he has spent the last 20 years of his life in search of the essential truths that could transform the spiritual barrenness at the heart of modern Western civilization In his books *Love's Fire* and *Speaking Flame* he has recreated Rumi's poems with a brilliance that speaks eloquently to us today *The Way of Passion* draws on the poems to present a guide to the contemporary spiritual and ecological crisis Each chapter Harvey tells us is a dance a dance of mirrors in which essential spiritual themes return to be reflected in different constellations and harmonies a dance around Rumi and that mystery of Love he lived and expressed so completely Inspired by Rumi's voice and by his own startling ability to see into the innermost heart of life Harvey urges us to change to have faith and to act through Love to transform this time of Apocalypse into the time of Resurrection The passion of his words shines from the pages with an intensity that can embrace and inspire us all

Radical Passion Andrew Harvey, 2012-10-23 This culmination of award winning author Andrew Harvey's life's work bridges the great divide between spiritual resignation and engaged spiritual activism A manifesto for the transformation of the world through the fusion of deep mystical peace with the clarity of radical wisdom it is a wake up call to put love and compassion to urgent focused action According to Harvey we are in a massive global crisis reflected by a mass media addicted to violence and trivialization at a moment when what the world actually needs is profound inspiration a return to the heart centered way of the Divine Feminine the words of the mystics throughout the ages and the cultivation of

the nonviolent philosophies of Gandhi Nelson Mandela Aung San Suu Kyi and the Dalai Lama Harvey s concepts of radical passion and sacred activism fly in the face of restraint of pessimism of denial of all that is inhumane fusing the mystic s passion for God with the activist s passion for justice and for healing the division between heaven and earth heart and will body and soul prayer and action Sacred activism asks that we engage deeply on a personal spiritual and political level so as to become a fully empowered fully active and contemplative humanity that can turn tragedy into grace and desolation into the opportunity to build and co create a new world Unlike many spiritual books Radical Passion does not veil the dark with artificial hope It explores the catastrophes of our current times and celebrates the ecstatic hope and divinity that is possible right now and in the future
