Landscaping Postcoloniality. The Dissemination of Cameroon Anglophone Literature B. Ashuntantang, 2009-03-15 This is a foundational text on the production and dissemination of Anglophone Cameroon literature The Republic of Cameroon is a bilingual country with English and French as the official languages Ashuntantang shows that the pattern of production and dissemination of Anglophone Cameroon literature is not only framed by the minority status of English and English speaking Cameroonians within the Republic of Cameroon but is also a reflection of a postcolonial reality in Africa where mostly African literary texts published by western multi national corporations are assured wide international accessibility and readership This book establishes that in spite of these setbacks Anglophone Cameroon writers have produced a corpus of work that has enriched the genres of prose poetry and drama and that these texts deserve a wider readership **Tching Music**

Bahá'í Ethics in Light of Scripture: Virtues and divine commandments Udo Schaefer, 2007 There is a fundamental discrepancy between man as he is and man as he could be if only he recognized his true being and purpose Ethics is the discipline by which man can understand how he can pass from the first condition to the second Udo Schaefer s Baha i Ethics in Light of Scripture is an attempt to analyse the underlying structures and detect the interior architecture of the Baha i moral system and is a step towards developing a Baha i moral theology Doctrinal Fundamentals the first of two volumes provides a historical overview of the Baha i Faith a systematic survey of its doctrines and an overview of the origin and derivation of moral values It considers the metaphysical nature of human beings and human responsibilities looks at reason and conscience and explores liberty and its limits Schaefer s second volume deals with concrete values the virtues divine commandments and principles of social ethics from a Baha i perspective Hoofprint of the Ox Master Sheng-yen, 2002-08-08 Revered by Buddhists in the United States and China Master Sheng yen shares his wisdom and teachings in this first comprehensive English primer of Chan the Chinese tradition of Buddhism that inspired Japanese Zen Often misunderstood as a system of mind games the Chan path leads to enlightenment through apparent contradiction While demanding the mental and physical discipline of traditional Buddhist doctrine it asserts that wisdom Buddha nature is innate and immediate in all living beings and thus not to be achieved through devotion to the strictures of religious practice You

arrive without departing Master Sheng yen provides an unprecedented understanding of Chan its precepts and its practice Beginning with a basic overview of Buddhism and meditation Hoofprint of the Ox details the progressive mental exercises traditionally followed by all Buddhists Known as the Three Disciplines these procedures develop moral purity meditative concentration and enlightening insight through the stilling of the mind Master Sheng yen then expounds Chan Buddhism recounting its centuries old history in China and illuminating its fundamental tenets He contemplates the nature of Buddhahood specifies the physical and mental prerequisites for beginning Chan practice and humbly considers what it means to be an enlightened Chan master Drawing its title from a famous series of pictures that symbolizes the Chan path as the search of an ox herd for his wayward ox Hoofprint of the Ox is an inspirational guide to self discovery through mental transformation A profound contribution to Western understanding of Chan and Zen this book is intended for practicing Buddhists as well as anyone interested in learning about the Buddhist path

The Passion Paradox Brad Stulberg, Steve Magness, 2019-03-19 The coauthors of the bestselling Peak Performance dive into the fascinating science behind passion showing how it can lead to a rich and meaningful life while also illuminating the ways in which it is a double edged sword Here s how to cultivate a passion that will take you to great heights while minimizing the risk of an equally great fall Common advice is to find and follow your passion A life of passion is a good life or so we are told But it s not that simple Rarely is passion something that you just stumble upon and the same drive that fuels breakthroughs whether they re athletic scientific entrepreneurial or artistic can be every bit as destructive as it is productive Yes passion can be a wonderful gift but only if you know how to channel it If you re not careful passion can become an awful curse leading to endless seeking suffering and burnout Brad Stulberg and Steve Magness once again team up this time to demystify passion showing readers how they can find and cultivate their passion sustainably harness its power and avoid its dangers They ultimately argue that passion and balance that other virtue touted by our culture are incompatible and that to find your passion you must lose balance And that s not always a bad thing They show readers how to develop the right kind of passion the kind that lets you achieve great things without ruining your life Swift compact and powerful this thought provoking book combines captivating stories of extraordinarily passionate individuals with the latest science on the biological and psychological factors that give rise to and every bit as important sustain passion
