

THE ANATOMY OF PASSIONATE PERFORMANCE

Passionate Performance

Passionate Performance is achieved when employees are fully engaged – when they demonstrate a **strong, sustained intellectual and emotional attachment to their work.**

You will know when employees are demonstrating Passionate Performance because you will feel the enthusiasm and see the results. Your team will have more fun creating better outcomes. They will be fully present at work, in the moment, in the flow. They will perform at higher levels and be motivated to do more. They will feel like kids again – a time when they had fun doing their very best at whatever they were engaged in. In short, **their work will feel like play.**

Can you remember a situation where you felt like this? Maybe it was a special project where everything came together perfectly. Or a team you were on where everyone did what was best for the team, creating a rare synergy. Or a certain cause you volunteered for where you felt like the best of your skills and talents flowed naturally to make a real difference. Most of us can remember a situation like this because it was such a unique experience and left us with such a special feeling. It may have been a lot of work, but we most frequently describe it as “fun.” That’s because our minds and hearts were fully engaged.
