Satyagraha in South Africa Mahatma Gandhi,1928

The Nonviolent Struggle for Indian

Freedom, 1905-19 David Hardiman,2018-11-15 Much of the recent surge in writing about the practice of nonviolent forms of resistance has focused on movements that occurred after the end of the Second World War many of which have been extremely successful Although the fact that such a method of resistance was developed in its modern form by Indians is acknowledged in this writing there has not until now been an authoritative history of the role of Indians in the evolution of the phenomenon Celebrated historian David Hardiman shows that while nonviolence is associated above all with the towering figure of Mahatma Gandhi passive resistance was already being practiced by nationalists in British ruled India though there was no principled commitment to nonviolence as such It was Gandhi first in South Africa and then in India who evolved a technique that he called satyagraha His endeavors saw nonviolence forged as both a new word in the English language and a new political concept This book conveys in vivid detail exactly what nonviolence entailed and the formidable difficulties that the pioneers of such resistance encountered in the years 1905 19 *The Indian struggle, 1920-1934* Subhas Chandra Bose,1948 Approaches to the Study of Intercultural Transfer Thomas Adam,2019-10-31 Approaches to the Study of Intercultural Transfer presents a collection of compelling case studies in the areas of social reform museums philanthropy football nonviolent resistance and holiday rituals such as Christmas that demonstrate key mechanisms of intercultural transfers Each chapter provides the application of the intercultural transfer studies paradigm to a specific and distinct historical phenomenon The chapters not only illustrate the presence or even the depth and frequency of intercultural transfer but also reveal specific aspects of the intercultural transfer of phenomena the role of agents of intercultural transfer and the transformations of ideas transferred between cultures thereby contributing to our understanding of the mechanisms of intercultural transfers Passive Resistance in South Africa K. The Crisis

,1957-11 The Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders

decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens

Theorizing Anti-Racism Abigail B. Bakan, Enakshi Dua, 2014-01-01 Theorizing Anti Racism presents insightful essays that engage both Marxist thought and postcolonial and critical race theory with a focus on clarification and points of convergence

A History of Nationalism in the East Hans Kohn, 1929 *Routledge Revivals: Mahatma Gandhi's Ideas (1929)* C.F. Andrews, 2016-09-19 First published in 1929 this book was intended to explain with documentary evidence the main principles and ideas for which Gandhi had stood over the course of his career up until that point The author draws upon his long and intimate personal relationship with Gandhi to give an authoritative and individual account of a man whose politics and philosophy has invited continuing analysis extended with illustrative selections from his speeches and writings The context in which Gandhi's ideas were formed and developed provides the focus for this book with the first part examining the religious environment and the second the historical setting

Indian Liberalism between Nation and Empire Elena Valdameri, 2022-03-10 This book analyses the political thought and practice of Gopal Krishna Gokhale 1866 1915 preeminent liberal leader of the Indian National Congress who was able to give a global voice to the Indian cause Using liberalism nationalism cosmopolitanism and citizenship as the four main thematic foci the book illuminates the entanglement of Gopal Krishna Gokhale's political ideas and action with broader social political and cultural developments within and beyond the Indian national frame The author analyses Gokhale's thinking on a range of issues such as nationhood education citizenship modernity caste social service cosmopolitanism and the women's question which historians have either overlooked or inserted in a rigid nation bounded historical narrative The book provides new enriching dimensions to the understanding of Gokhale whose ideas remain relevant in contemporary India A new biography of Gokhale that brings into consideration current questions within historiographical debates this book is a timely and welcome addition to the fields of intellectual history the history of political thought Colonial history and Indian and South Asian history

Political and Economic Foundations in Global Studies Michael Anderson, Stephanie Holmsten, 2020-01-29 Political and Economic Foundations in Global Studies provides an innovative introductory examination of the global forces shaping the world today seen through political and economic lenses Along with its companion Social and Cultural Foundations in Global Studies the book exposes students to the historical contours of and the key concepts and processes that underlie the interconnections among individuals societies organizations and governments As in the rest of Routledge's Global Studies series the Foundations books employ a two part strategy conceptual underpinnings explored in the first part are enlivened by case studies in the second Special features magnify the utility of the text Text boxes are employed to expand and emphasize specific material they are used to open up the coverage to related topics or to call attention to especially critical material such as historical milestones or key vocabulary Resource boxes offer links that point readers to sources mostly online on the topics discussed and establish a rich archive of additional material for readers to

draw on At the same time back of chapter References and Further Research lists help students to trace the material used by authors or to follow more general leads relating to the topics covered in the chapters Images highlight specific details of the case studies helping to bring the subjects alive **Gandhi: Selected Political Writings** Mahatma Gandhi, Dennis

Dalton, 1996-01-01 Based on the complete edition of his works this new volume presents Gandhi's most important political writings arranged around the two central themes of his political teachings satyagraha the power of non violence and swaraj freedom Dennis Dalton's general Introduction and headnotes highlight the life of Gandhi set the readings in historical context and provide insight into the conceptual framework of Gandhi's political theory Included are bibliography glossary and index

Gandhi's Rise to Power Judith M. Brown, 1972-06-01 Dr Brown presents a political study of the first clearly defined period in Mahatma Gandhi's Indian career from 1915 to 1922 The period began with Gandhi's return from South Africa as a stranger to Indian politics witnessed his dramatic assertion of leadership in the Indian National Congress of 1920 and ended with his imprisonment by the British after the collapse of his all India civil disobedience movement against the raj Focusing on Gandhi this book nevertheless investigates the changing nature of Indian politics It aims to study precisely what Gandhi did on whom he relied for support how he interacted with other nationalist leaders and how he saw his own role in Indian public life Unlike the usual interpretation of Gandhi's rise to power as based on a charismatic appeal to the Indian masses this study argues that his influence depended on a capacity to generate a network of lesser leaders or subcontractors who would organise their constituencies for him whether these were caste communal or economic groups or whole areas
