## **Passport To Anywhere The Story Of Lars Eric Lindblad:**

Passport to Anywhere Lars-Eric Lindblad, John Grant Fuller, 1983      *Profits and Sustainability* Geoffrey Jones, 2018-01-26

Are profits and sustainability compatible This book brings unique perspectives to this key debate by exploring the history of green entrepreneurship since the nineteenth century and its spread globally in industries including renewable energy organic food natural beauty ecotourism recycling architecture and finance The book uses the lens of the extraordinary and often eccentric men and women who defied convention and imagined that business could help save the planet rather than consume it The social and religious beliefs that drove many of these individuals are explored as the book looks at how they overcame huge obstacles to execute their strategies The green entrepreneurs seen here are shown to have created new markets and industries and driven innovations in sustainable practices even at times when most consumers and governments marginalized the entire subject The struggles of early pioneers appear to have been rewarded by the growth of environmental awareness among consumers business leaders and others in recent years but the Earth's environmental health continues to deteriorate If profits and sustainability have proved challenging to reconcile the book argues that one reason was how they were both defined      **The Oxford Handbook of Luxury Business** Pierre-Yves Donzé, Véronique

Pouillard, Joanne Roberts, 2022 This innovative volume brings together contributions from leading experts in the study of luxury to present the full range of perspectives on luxury business from a variety of social science approaches Topics include conceptual foundations and the evolution of the luxury industry the production of luxury goods luxury branding and marketing distributing luxury globalization and markets and issues of morality inequality and environmental sustainability The Oxford Handbook of Luxury Business is a necessary resource for all students and researchers of the field as well as for forward thinking industry professionals      **Contesting the Yellow Dragon** Xiaofei Kang, Donald S. Sutton, 2016-09-12

Winner of the 2016 Choice Outstanding Academic Title Award This book is the first long term study of the Sino Tibetan borderland It traces relationships and mutual influence among Tibetans Chinese Hui Muslims Qiang and others over some 600 years focusing on the old Chinese garrison city of Songpan and the nearby religious center of Huanglong or Yellow Dragon Combining historical research and fieldwork Xiaofei Kang and Donald Sutton examine the cultural politics of northern Sichuan from early Ming through Communist revolution to the age of global tourism bringing to light creative local adaptations in culture ethnicity and religion as successive regimes in Beijing struggle to control and transform this distant frontier      *Antarctic Pioneer* Joanna Kafarowski, 2022-05-10 Jackie Ronne reclaims her rightful place in polar history as the first American woman in Antarctica Jackie was an ordinary American woman whose life changed after a blind date with rugged Antarctic explorer Finn Ronne After marrying they began planning the 1946 1948 Ronne Antarctic Research Expedition Her participation was not welcomed by the expedition team of red blooded males eager to prove themselves in the frozen hostile environment of Antarctica On March 12 1947 Jackie Ronne became the first American woman in Antarctica

and months later one of the first women to overwinter there The Ronne Antarctic Research Expedition secured its place in Antarctic history but its scientific contributions have been overshadowed by conflicts and the dangerous accidents that occurred Jackie dedicated her life to Antarctica she promoted the achievements of the expedition and was a pioneer in polar tourism and an early supporter of the Antarctic Treaty In doing so she helped shape the narrative of twentieth century Antarctic exploration

**Exploring the Last Continent** Daniela Liggett, Bryan Storey, Yvonne Cook, Veronika Meduna, 2015-09-29 This multi disciplinary book will cater to students and those who want to have a more critical look behind the scenes of Antarctic science This book will take a systems approach to providing insights into Antarctic ecosystems and the geophysical environment Further the book will link these insights to a discussion of current issues such as climate change bio prospecting environmental management and Antarctic politics It will be written and edited by experienced Antarctic researchers and scientists from a wide range of disciplines Academic references will be included for those who wish to delve deeper into the topics discussed in the book

*Tourism and Change in Polar Regions* C. Michael Hall, Jarkko Saarinen, 2010-07-15 The world's polar regions are attracting more interest than ever before Once regarded as barren inhospitable places where only explorers go the north and south polar regions have been transformed into high profile tourism destinations increasingly visited by cruise ships as well as becoming accessible with direct flights Tourism is seen as one of the few economic opportunities in these regions but at the same time the polar regions are being opened up to tourism development they are being affected by a number of new factors that are interconnected to travel and tourism Climate change landscape and species loss increasing interest in energy resources and minerals social changes in indigenous societies and a new polar geopolitics all bring into question the sustainability of polar regions and the place of tourism within them This timely volume provides a contemporary account of tourism and its impacts in polar regions It explores the development and prospects of polar tourism as well as tourism's impacts and associated change at high latitudes from environmental economic social and political perspectives It draws on cutting edge research from both the Arctic and Antarctic to provide a comparative review and illustrate the real life issues arising from tourism's role in these regions Integrating theory and practice the book fully evaluates varying perspectives on polar tourism and proposes actions that could be taken by local and global management to achieve a sustainable future for polar regions and development of tourism This complete and current account of polar tourism issues is written by an international team of leading researchers in this area and will have global appeal to higher level students researchers academics in Tourism Environmental Studies Arctic Polar Studies and conservation enthusiasts alike

**Roger Tory Peterson** Douglas Carlson,2012-11-12 Beginning with his 1934 Field Guide to the Birds Roger Tory Peterson introduced literally millions of people to the pleasures of observing birds in the wild His field guide which has gone through five editions and sold more than four million copies fostered an appreciation for the natural world that set the stage for the contemporary environmental movement When Rachel Carson s Silent Spring sounded a warning about the threat to birds and their habitats in the 1960s the Peterson field guides had already prepared the public and the scientific community to heed the warning and fight to save habitat and protect endangered species a result that Peterson wholeheartedly approved In this authoritative highly readable biography of Roger Tory Peterson 1908 1996 Douglas Carlson creates a fascinating portrait of the complex often conflicted man behind the brand name He describes how Peterson s obsession with birds began in boyhood and continued throughout a multifaceted career as a painter writer educator environmentalist and photographer Carlson traces Peterson s long struggle to become both an accomplished bird artist and a scientific naturalist competing goals that drove Peterson to work to the point of exhaustion and that also deprived him of many aspects of a normal personal life Carlson also records Peterson s many lasting achievements from the phenomenal success of the field guides to the bird paintings that brought him renown as the twentieth century s Audubon to the establishment of the Roger Tory Peterson Institute to carry on his work in conservation and education

**Usos políticos del patrimonio cultural** Fabien Van Geert,Xavier Roigé,Lucrecia Conget,2017-03-31 El patrimonio es con frecuencia motivo de conflictos de oposiciones y de discrepancias políticas Este libro analiza los usos políticos que se hacen de l en aspectos relacionados con las identidades las luchas sociales los enfrentamientos vecinales las reivindicaciones de las sociedades indígenas e incluso en contextos de guerra a partir del estudio de casos etnográficos procedentes de Latinoamérica Europa y España Los autores a través de sus exploraciones en la museografía y las políticas culturales van más allá del análisis del patrimonio para interrogarse sobre los escenarios y los discursos por los que discurren los mecanismos de apropiación y confrontación en el campo patrimonial
