A History of Irish Economic Thought Thomas Boylan, Renee Prendergast, John Turner, 2013-03 For a country that can boast a distinguished tradition of political economy from Sir William Petty through Swift Berkeley Hutcheson Burke and Cantillon through to that of Longfield Cairnes Bastable Edgeworth Geary and Gorman it is surprising that no systematic study of Irish political economy has been undertaken In this book the contributors redress this glaring omission in the history of political economy for the first time providing an overview of developments in Irish political economy from the seventeenth to the twentieth century Logistically this is achieved through the provision of individual contributions from a group of recognized experts both Irish and international who address the contribution of major historical figures in Irish political economy along the analysis of major thematic issues schools of thought and major policy debates within the Irish context over this extended period

Modernism, Ireland and the Erotics of Memory Nicholas Andrew Miller, 2002-09-19 In *Modernism Ireland and the Erotics of Memory* Nicholas Miller re examines memory and its role in modern Irish culture Arguing that a continuous renegotiation of memory is characteristic of Irish modernist writing Miller investigates a series of case studies in modern Irish historical imagination He reassesses Ireland's self construction through external or foreign discourses such as the cinema and proposes readings of Yeats and Joyce as counter memorialists Combining theoretical and historical approaches Miller shows how the modernist handling of history transforms both memory and the story of the past by highlighting readers investments in histories that are produced specifically and concretely through local acts of reading This original study will attract scholars of Modernism Irish studies film and literary theory

**Ireland, Memory and Performing the Historical Imagination** Mary P. Caulfield, 2014-12-09 This book explores the performance of Irish collective memories and forgotten histories It proposes an alternative and more comprehensive criterion of Irish theatre practices These practices can be defined as the rejected contested and undervalued plays and performativities that are integral to Ireland's political and cultural landscapes

*The Cambridge Modern History* Sir Stanley Mordaunt Leathes, 1908

Public History in Ireland Leonie Hannan, Olwen Purdue, 2024-06-28 Through a collection of essays that reflect the complexity of the island's historical past as it operates today *Public History in Ireland* delivers a scholarly yet accessible introduction to contemporary topics and debates in Irish public history Despite the reputation that Ireland both north and south has gained as a place of contestation this is the first book length study to tackle its diverse and often difficult public histories *Public History in Ireland* offers examples drawn not only from museums heritage and collections prime mediators of public historical interpretation but also from the work of artists and academics It

considers the silences in Ireland's history telling including those of the recent conflict in Northern Ireland and of the traumatic public discoveries and re-evaluations of the island's institutions of social control. The book's key message is that history is active, making itself felt in ongoing debates about heritage, identity, nationhood, post-conflict society and reparative justice. It shows that Irish public history is freighted and often fraught with jeopardy but as such it is rich with insight that has relevance far beyond this island's shores. This book is useful for students, scholars and practitioners working in the fields of public history and the history of Ireland.

**The Cambridge History of Ireland: Volume 2, 1550-1730** Jane Ohlmeyer, 2018-03-31. This volume offers fresh perspectives on the political, military, religious, social, cultural, intellectual, economic and environmental history of early modern Ireland and situates these discussions in global and comparative contexts. The opening chapters focus on Politics and Religion and War and offer a chronological narrative informed by the re-interpretation of new archives. The remaining chapters are more thematic, with chapters on Society, Culture and Economy and Environment, and often respond to wider methodologies and historiographical debates. Interdisciplinary cross-pollination between on the one hand history and on the other disciplines like anthropology, archaeology, geography, computer science, literature and gender and environmental studies informs many of the chapters. The volume offers a range of new departures by a generation of scholars who explain in a refreshing and accessible manner how and why people acted as they did in the transformative and tumultuous years between 1550 and 1730.

Nature and the Environment in Nineteenth-Century Ireland Matthew Kelly, 2019-11-05. The environmental humanities are one of the most exciting and rapidly expanding areas of interdisciplinary study and this collection of essays is a pioneering attempt to apply these approaches to the study of nineteenth-century Ireland. By bringing together historians, geographers and literary scholars, the volume offers new and original insights into familiar topics.

Ireland's 1916 Rising Mark McCarthy, 2016-05-06. In light of its upcoming centenary in 2016, the time seems ripe to ask why, how and in what ways has memory of Ireland's 1916 Rising persisted over the decades. In pursuing answers to these questions, which are not only of historical concern but of contemporary political and cultural importance, this book breaks new ground by offering a wide-ranging exploration of the making and remembrance of the story of 1916 in modern times. It draws together the interlocking dimensions of history, making, commemoration and heritage to reveal the Rising's undeniable influence upon modern Ireland's evolution, both instantaneous and long-term. In addition to furnishing a history of the tumultuous events of Easter 1916, which rattled the British Empire's foundations and enthused independence movements elsewhere, Ireland's 1916 Rising mainly concentrates on illuminating the evolving relationship between the Irish past and present. In doing so, it unearths the far-reaching political impacts and deep-seated cultural legacies of the actions taken by the rebels, as evidenced by the most pivotal episodes in the Rising's commemoration and the myriad varieties of heritage associated with its memory. This volume also presents a wider perspective on the ways in which conceptualisations of heritage, culture and identity in Westernised societies are shaped by continuities and changes in

politics society and economy In a topical conclusion the book examines the legacy of Queen Elizabeth II's visit to the Garden of Remembrance in 2011 and looks to the Rising's 100th anniversary by identifying the common ground that can be found in pluralist and reconciliatory approaches to remembrance

*Dreams of the Future in Nineteenth-Century Ireland* Richard J. Butler, 2021-09-01 This interdisciplinary collection focuses on the history of the future and in particular how Irish people in the nineteenth century thought about their future in many different ways and contexts It spans the long nineteenth century from c 1800 to c 1914 and includes both people living on the island of Ireland and the Irish abroad women and men the religious and the secular the governing and the governed It explores both individually and collectively the various hopes dreams fears and visions of the future that permeated through nineteenth century Ireland and Irish life The collection also analyses how the Irish future was conceptualized and understood in different cultural contexts how visions of the future shifted in relation to the present and the past and how the future was instrumentalized for political religious or other social agendas It attempts to go beyond the usual political or religious discourses on what the future might hold for Irish people and consider a broader spectrum of witnesses from a mixture of historical and literary sources CONTRIBUTORS Patrick Bethel Richard J Butler Pauline Collombier Lakeman Sophie Cooper Catherine Healy Peter Hession Raphaël Ingelbien Jim Kelly Fiona Lyons Aoife O Leary McNeice Patrick Maume Christopher P Morash Loughlin J Sweeney

Mrozowski, 2011-10-04 The second edition of *Contemporary Archaeology in Theory* The New Pragmatism has been thoroughly updated and revised and features top scholars who redefine the theoretical and political agendas of the field and challenge the usual distinctions between time space processes and people Defines the relevance of archaeology and the social sciences more generally to the modern world Challenges the traditional boundaries between prehistoric and historical archaeologies Discusses how archaeology articulates such contemporary topics and issues as landscape and nature's agency meaning and practice sexuality embodiment and personhood race class and ethnicity materiality memory and historical silence colonialism nationalism and empire heritage patrimony and social justice media museums and publics Examines the influence of American pragmatism on archaeology Offers 32 new chapters by leading archaeologists and cultural anthropologists

**The Irish Short Story at the Turn of the Twenty-First Century** Madalina Armie, 2022-12-30 In the mid 1990s Ireland was experiencing the best of times The Celtic Tiger seemed to instil in the national consciousness that poverty was a problem of the past The impressive economic performance ensured that the Republic occupied one of the top positions among the world's economic powers During the boom dissident voices continuously criticised what they considered to be a mirage identifying the precariousness of its structures and foretelling its eventual crash The 2008 recession proved them right Throughout this time the Irish contemporary short story expressed distrust Enabled by its capacity to reflect change with immediacy and dexterity the short story saw through the smokescreen created by the Celtic Tiger discourse of well being It reinterpreted and captured the

worst and the best of the country and became a bridge connecting tradition and modernity The major objective of this book is to analyse the interactions between fiction and reality during this period in Ireland by studying the short stories written by old and emergent voices published between the birth of the Celtic Tiger in 1995 up to its immediate aftermath in 2013

**Charles Stewart Parnell and His Times** N. C. Fleming, Alan O'Day, 2011-07-06 Charles Stewart Parnell 1846 1891 wrote remarkably little about himself but he has attracted the attention of many writers politicians and scholars both during his lifetime and ever since His controversial and provocative role in Irish and British affairs had him vilified as a murderer in The Times and afterwards dramatically vindicated by the Westminster Parliament It cast him as a romantic hero to the young James Joyce and a self serving opportunist to the journalists of the Nation Parnell has been the subject of court cases parliamentary enquiries and debates journalism plays poems literary analysis and historical studies For the first time all these have been collected catalogued and cross referenced in one volume an invaluable resource for scholars of late nineteenth century Ireland and Britain Divided into fifteen chapters including a biographical sketch the volume contains information on manuscript and archival collections printed primary sources Parnell's writing Parnell's speeches in the House of Commons and outside Parliament contemporary journalism contemporary writing and contemporary illustrations on Irish affairs and a substantial list of scholarly work including biographies books articles chapters and theses This volume offers readers a clear record of the substantial material already available on Parnell and in doing so offers resources to future research in this area

*The Political Role of the European Commission in Regulating State Aid Policy* Elena Escalante-Block, 2025-06-27 This book delves into questions of whether the European Commission is effectively regulating large corporations in Europe and the public perceptions of the legitimacy of its decisions by examining state aid cases and when and how actors choose to politicise or depoliticise them The book analyses how these corporations get away with certain anti competitive behaviours and whether the European Commission is achieving something positive with its state aid cases in this regard It also asks whether the role of the European Commission in regulating anti competitive behaviour is perceived as legitimate by different political actors in the media By uncovering how politicisation and depoliticisation can both positively and negatively shape the EU's legitimacy this book brings clarity to debates about the evolving role of the European Commission in an era of increased political contestation This book is of key interest to scholars and students of European Union politics policy European politics comparative politics public policy political communication global business law and regulation sociology public policy and law and International Political Economy
