## **Past Shock The Origin Of Religion And Its Impact On The Human Soul:**

**Past Shock** Jack Barranger,1998-11 Alvin Toffler once coined the term future shock when people are overwhelmed by the future Past Shock suggests that events from thousands of years ago strongly impact humanity today It reveals why religion was created what organized religion wont tell you the reality of the slave chip programming that we all have what really happened in the Garden of Eden what the Tower of Babel was and why we were stopped from building it how we were conditioned by gods to remain spiritually ignorant and much more Exposes the pretender gods advanced beings who were not divine but had advanced knowledge of scientific principles including genetic engineering Our advanced science of today has begun to unravel their secrets Learn how to overcome the slave chip conditioning and begin living life as it was meant to be as a spiritually fulfilled being

**Past Shock** Jack Barranger,1994-11 **The History of the Christian Religion and Church During the First Three Centuries** Augustus Neander,2000-02 Neander was one of the greatest religious historians to have ever lived In this abbreviated version of a larger work he covers the current of Gnostic ideas during the formation of Christianity This topic is important because it outlines all of the competitive beliefs that were at work at the time and how they affected the Christian struggle in both good and bad ways This rare book may cause one to never look at Christianity in quite the same way again due to its immense scholarship and interesting array of facts

*The Odic Force* Karl Von Reichenbach,2000 Odic force is a vital energy or life force that permeates all living plants animals and humans The author was the first person to approach this force scientifically having conducted hundreds of careful experiments He worked with people who were sensitive enough to accurately detect the polarity of magnets because they could actually see it These people also saw the human aura an energy field connected to the human body plus detected an energy related color spectrum that was linked to metals and minerals This is a simplified version of a more advanced text making it perfect for those wishing to grasp the subject

*Voyages and Discoveries of the Companions of Columbus* Washington Irving,2000-02 Irving was one of the best writers who ever lived In addition to writing Rip Van Winkle and The Legend of Sleepy Hollow he wrote two books on early seafarers and the exploration of the world The first on Columbus is common This book however is more rare and it describes many new discoveries that were happening Explorers set out in search of fame and adventure like Balboa Alonzo de Ojeda Amerigo Vespucci whom America was named after and Ponce de Leon who was seeking the fountain of youth The Appendix contains a manifesto that was read aloud to natives who could not understand it demanding their allegiance to Christianity and Spain or else die It was adopted by all Spanish discoverers and is an important piece of history The book itself is a gold mine of valuable information

*The World As I See It* Albert Einstein,2007 Often called the most advanced and celebrated mind of the 20th Century this book allows us to meet Albert Einstein as a person Explores his beliefs philosophical ideas and opinions on many subjects

*The Origin and Evolution of Religion* Albert Churchward,2000 Other than Sir James Frazer The Golden Bough Churchward is the only person to have written such a monumental work on

religion In it he encompasses the complete evolution of religious ideas over millions of years The first humans from Africa worshipped elemental powers progressed into ancestor worship then finally began to recognize what we could term a Great Spirit Some of our earliest mythological stories are told including tales of Resurrection journeys to the underworld and the first hero stories Also explored are the meanings and true origins of sun worship tree worship phallic worship and serpent worship Ends with something we should all take to heart our religious evolution is definitely not over *The Human Aura* Swami Panchadasi,2005-02 The human aura is believed to be an energy field that surrounds the body Those gifted with a psychic sense and are able to perceive it Glowing colors associated with the aura are said to change with mood or emotion and with practice one can begin seeing and reading auras for themselves This book covers human magnetism the effects of color thought forms building and developing the aura for one's benefit and includes detailed instructions on how to create a protective shield around oneself and offer healing energies to others *The Open Conspiracy* H. G. Wells,2006 This is a guidebook on world control and management which Wells believed should be orchestrated through what he called the Open Conspiracy It is fully outlined here and is designed to be run by many working together as opposed to one group Is this required reading for the world's most powerful people Maybe it is Or maybe it should be **The Science of Getting Rich** Wallace D. Wattles,2007-04 This book claims there is a science to becoming wealthy and reveals it here Since it first appeared in 1915 people have used its principles successfully so it is a time tested system Today this book is in more demand than ever It was the inspiration for the 2006 film *The Secret* A true classic in the art of making money lots of it *The Forerunner* Kahlil Gibran,2007-03 From the acclaimed author of *The Prophet* comes a unique and moving collection of poems and parables The book is short but what the reader may create and experience as a result of its reading could fill volumes The author also an artist has included five black and white illustrations to accompany his work *The Popol Vuh* Lewis Spence,2003-04 When the Spanish took over Central America in the 16th and 17th centuries they made certain to destroy the writings and holy books of the native Mayans in an effort to convert them to Christianity Few texts survived yet one did of the highest importance It is called *The Popol Vuh* It is the creation story of the Mayan culture and according to the author this was the first English rendering of that text It tells the story of a great flood gods who created mankind and a number of other interesting parallels to mythologies from around the world This is the Genesis of the mysterious Mayas and should be essential reading for those interested in our ancient past The book also contains three bonus chapters from Spence on mythology and religion from ancient Mexico All of the gods and deities are fully explained and at times compared with those from Greece Rome and Egypt All told this is a fascinating collection of mythology from Central America and Mexico **A Short History of the World** H. G. Wells,2000 *A Short History of the World* is a period piece non fictional historic work The book was largely inspired by Wells's earlier 1919 work *The Outline of History* It summarises the scientific knowledge of the time regarding the history of Earth and life and begins with its origins goes on to explain the development of the Earth and

life on Earth reaching primitive thought and the development of humankind from the Cradle of Civilisation *The History of Spiritualism Volume 2* Arthur Conan Doyle,2007-07 One of the greatest proponents of spiritualism was Arthur Conan Doyle best known as the creator of Sherlock Holmes Spiritualists believe in the continuation of life after death and that we can communicate with those on the other side in ways that can be helpful In the early 1900 s there was a large Spiritualist movement taking place in the world and Doyle chose to document its entire history in this two volume set Chapters include The Career of Eusapia Palladino Great Mediums from 1870 to 1900 The Society for Psychical Research Ectoplasm Spirit Photography Voice Mediumship and Moulds French German and Italian Spiritualism Some Great Modern Mediums The Religious Aspects of Spiritualism The After Life as Seen by Spiritualists and more To this day the movement has continued to grow with Spiritualist churches existing around the world Many people believe in their principles or have experienced them first hand making this work important to those who wish to investigate further **The History of Spiritualism Volume 1**
