Past Life Regression: Healing Relationship Patterns Through Past Life Regression (Remember Forgotten Memories and Access Emotional Healing With Sleep Hypnosis)
Michael Flowers, 101-01-01
Past life regression therapy is built upon the idea that we're eternal beings that move from life to another in different place and time
As perpetual spirits we come across bodily existence on earth in a series of persona and physical bodies
On a spiritual level we choose every lifetime as a way to learn the lessons we've to head off for ourselves
Exploring our life in the past through a therapy for apparently inexplicable physical or mental issues is known as past life regression therapy
It works together with beliefs of reincarnation and takes us back in earlier life to get a better understanding of our life we live in the present
Inside you will discover How your previous lifetimes are deeply woven into your present discomfort gain insights for profound changes
An immersive exploration into the fascinating realm of past life regression opening new pathways to comfort and renewal
Strategies for setting powerful intentions that direct your subconscious toward relief and self realization
Ways to tap into your soul's repository of records access your own google search the soul across timelines
Hands on methods for revisiting your past lives shedding light on your present identity
Past life regression hypnosis sessions can help you uncover your previous lives remember forgotten memories and access emotional healing to unlock unresolved emotional issues
It's normal to feel a little apprehensive about exploring your past lives
After all this is something that most people don't do every day
But hypnotherapy is a very safe and effective way to access your subconscious mind so that you may overcome certain patterns of behaviour from previous incarnations
