Past Lives, Future Loves Dick Sutphen, 1984-09-03 **Past Lives, Future Loves** Richard Sutphen, 1978 **Past Lives, Future Healing** Sylvia Browne, Lindsay Harrison, 2001-07-01

The Other Side and Back and Life on the Other Side were phenomenal 1 New York Times bestsellers. Now world renowned psychic Sylvia Browne returns with a book that takes her millions of devoted readers on an extraordinary journey of past lives. From two time 1 bestselling author Sylvia Browne comes a remarkable book that shows how our past lives affect everything from our relationships to our health and well being. With millions of copies of her book in print, Sylvia Browne has proven herself the reigning expert on psychic phenomena. In her newest book, the New York Times bestselling author takes us into the mysteries of our own bodies in a comprehensive guide that explores the far reaching influence the afterlife can have on our health and happiness in this life. With the unique understanding, sensitivity, and profound insight that distinguished her previous books, Browne gives us an unprecedented look at the way so many of our health and relationship problems have their roots in our unresolved past lives, from unexplained illnesses to bizarre phobias, from irrational anxieties and fears to the partners and loves we choose. Even birthmarks and recurring dreams can be traced directly back to these past existences. In the friendly, no nonsense style that her fans adore, Browne shares amazing and inspiring real life stories of people who have transformed their lives through understanding their previous existences. **PAST LIVES FUTURE HEALING** takes readers on another fascinating odyssey into the other side. And like her earlier books, this will not only help people lead more satisfying and fulfilling lives but will illuminate a hitherto unknown path to overcoming many of the most frustrating and devastating physical and emotional problems that can occur in life.
