and comfort first and always makes me ask Is this really necessary It took me decades to get here This book is meant as a ride along from red sauce to regional classics to the pastas I ve made my own At its core is a journey back to the home regions of some of my favorite pastas in an effort to understand them with new clarity to gain a deeper knowledge of not only how they are faring in a country undergoing constant culinary evolution but also of their sense of place Perhaps more than anything though this book is my love letter to pasta What has made pasta the cornerstone of Italian culinary culture for centuries an indelible part of so many Americans early food memories and a food so eminently alluring that even the gluten averse cannot resist its siren song is that it asks first and foremost something elemental of us that we enjoy it *Pasta* Missy Robbins,Talia Baiocchi,2021-10-26 JAMES BEARD AWARD NOMINEE A stylish transporting pasta master class from New York City s premier pasta chef with recipes for 40 handmade pasta shapes and 100 Italian American regional Italian and modern dishes IACP AWARD FINALIST Missy Robbins brings her extraordinary knowledge and generous heart to teach us to prepare the pastas that made her restaurants Lilia and Misi two of the best in the world Ina Garten Barefoot Contessa ONE OF THE TEN BEST COOKBOOKS OF THE YEAR San Francisco Chronicle Boston Globe ONE OF THE BEST COOKBOOKS OF THE YEAR Minneapolis Star Tribune Glamour Food52 Epicurious Food trends come and go but pasta holds strong year after year Despite its humble ingredients made of merely flour and water or flour and eggs the magic rituals and art of pasta making span over five centuries Two ingredients are turned into hundreds of stuffed rolled extruded dried stamped and hand cut shapes each with its own unique provenance and enrobed in a favored sauce New York City chef Missy Robbins fell in love with Italian food and pasta twenty five years ago She has been cooking researching and studying her way across Italy ever since which led her to open two of America s most renowned pasta restaurants Lilia and Misi With illustrated step by step recipes for handmaking forty of the most versatile pasta shapes and one hundred recipes for Italian American regional Italian and Robbins s own best pasta dishes plus two dozen vegetable sides this is the hard working manual for home cooks who aspire to master the art of pasta cooking Whether making pasta sheets for lasagna or stamping out pasta coins for Corzetti with Goat Cheese and Asparagus or even buying handmade pasta to make Tagliatelle with Porcini Rosemary and Garlic Robbins provides all the inspiration instruction and encouragement required to make pasta exceptionally well Evocatively photographed with nearly 100 full color mouthwatering photos of pasta dishes and twenty images from Italy this is a richly illustrated ode to the ingredients recipes and craft that have made pasta the most popular fare of a beloved cuisine
