Drama That Works

DESCRIPTION:

Casting: 4 male, 2 female

Programming Tip: Pastor Howitzer and his assistant Eunice return for another installment [see "Pastor General" and "Pastor General—Resource Allocation"]; this sketch works even if you haven't done the prior sketches

A church Programming/Worship team is getting ready to do their weekly evaluation of the weekend service. As they discuss the service, their pastor, Pastor Howitzer drops by and wants to listen in. They continue the evaluation but as they do so, Pastor Howitzer can't help but speak up. He starts friendly enough, but is soon expressing outrage over a bad drama, a crazy idea involving birds in the sanctuary, and offetory music that was so loud people had their hands over their ears. Howitzer makes the whole team give him twenty push-ups.

Pastor General Evaluation Time:

The Source for Effective Church Service Planning, 2003 A comprehensive listing of service tested programming material designed to supplement a church's creative process of service planning Second edition **Evaluating Ministry** Jill M. Hudson, 1992-12-31 Grounding evaluation in the theological and organizational context of mission everyone a minister Hudson describes case studies of four successful evaluation models that include the whole church She suggests how whole church reviews might result in stronger pastoral ministry and new directions for mission An important resource that will help clergy and laity explore mutual ministry judicatory executives strengthen congregations and new pastors get through their first congregational evaluation **Shepherding God's Flock** Jay E. Adams, 2016-10-11 Shepherding God's Flock is both a textbook for students of pastoral ministry and a handbook for pastors Jay Adams is well known for his practical and thorough approach to the many issues of Christian counseling That same practicality and thoroughness is found in this unparalleled handbook on pastoral ministry Not only does it offer pastors one of the best resources in print but it also provides church elders with an orientation and practical guide to aspects of ministry for which they have responsibility It is truly a shepherd's handbook The book is divided into three parts Pastoral Life deals with the pastor his calling and the general care he provides the flock Pastoral Counseling provides an overview of the task and a general approach for pastoral counselors Pastoral Leadership offers a perspective on the ways the pastor can lead the church in its many tasks and responsibilities **When Better Isn't Enough** Jill M. Hudson, 2004-02-01 Many sociologists and a growing number of church scholars have noted that we live in a time of transition from the modern era to the postmodern Whenever a shift of this magnitude occurs it leaves all of life including the church in flux We instinctively strive to stabilize the situation by re-establishing what has worked in the past Increasingly however congregations are finding that the same old things done harder or better don't seem to make a difference Author Jill Hudson argues We must identify new criteria for success and perhaps even for faithfulness and hold ourselves accountable to them Approaching the postmodern era as a tremendous opportunity Hudson identifies 12 characteristics by which we can measure effective ministry for the early 21st century Based on those 12 criteria Hudson has created evaluation tools an early measuring stick to help congregations evaluate their work in this new era Not everything of the past is ineffective and best discarded she says nor will everything we try in the future be successful But by faithfully listening for God's guidance and carefully evaluating progress using Hudson's tools looking at the ministry of the whole people of God as well as that of the professional staff congregations can improve their ministry help members and staff grow in effectiveness deepen a sense of partnership and add new richness to the dialogue about the congregation's future A *Pastor's Survival Guide* , **A Change of Pastors ... and How it Affects Change in the Congregation** Loren B. Mead, 2012-01-09 Twenty years after *Critical Moment of Ministry* was first published Loren Mead returns to his groundbreaking work on one of the most important times in a congregation's life the time between one pastor's leaving and

another's arrival In this revised edition *A Change of Pastors* Mead shares the wisdom he gained from 35 years of studying congregations wisdom that he hopes will allow congregations to take full advantage of this extraordinarily pregnant moment during which incredible congregational change can happen *Practical Psychology for Pastors, 2nd Edition* William R. Miller, Kathleen A. Drummond, 2009-06-22 In *Holy Clarity* Sarah Drummond explores the most basic reason leaders of religious organizations conduct evaluations To find and create God pleasing clarity regarding the organization's purpose and the impact of its activities Leadership and evaluation are not separate disciplines she argues Effective leaders evaluate because they need to know what is happening in their organizations and how those activities are effecting change Drummond first describes the way in which our postmodern culture makes clarity difficult to obtain She then looks at holy clarity from a biblical and theological perspective and make the case that it is a spiritual discipline that can stand on its own theological merits She presents four approaches to evaluation that can help a leader to guide a community toward greater clarity both when evaluating or analyzing programs and when planning and starting programs Finally she considers the work of clarification as a faith practice one that can make a pastor or layperson not just a better leader but a better Christian who is more firmly grounded in God Each chapter concludes with a fictional case study that provides a jumping off point for

discussion and helps bring her theory to life Holy Clarity provides an accessible resource as an entry point for those who are eager to learn the best practices of this crucial discipline *An Assessment of the Current Situation in Haiti* United States.
