Pastor Greg 4 Episodes:

Religious Humor in Evangelical Christian and Mormon Culture Elisha McIntyre, 2018-01-25 Incorporating perspectives from religious studies humor studies cultural and film studies and theology as well as original data from textual analysis and the voices of religious comedians this book critically analyses the experiences of believers who appreciate that their faith is not necessarily a barrier to their laughter It is often thought that religion and humor are incompatible but Religious Humor in Evangelical Christian and Mormon Culture shows that humor is not only a popular means of entertainment but also a way in which an individual or community expresses their identity and values Elisha McIntyre argues that believers embrace their sense of humor actively producing and consciously consuming comic entertainment that reflects their own experiences This process is not however without conflict The book argues that there are specific characteristics that indicate a unique kind of humor that may be called religious humor Through an examination of religious humor found in stand up comedy television sitcoms comedy film and satirical cartoons and drawing on interview data the book outlines the main considerations that Christians take into account when choosing their comedy entertainment These include questions about ideology blasphemy taboos around the body and the motives behind the joke *Law, Politics and Family in 'The Americans'* Austin Sarat, 2023-09-25 Interpreting The Americans through a socially charged lens this special issue offers a compelling insight into the legal and cultural undertones of family dynamics as well as those at the heart of conservative American politics *LGBT Inclusion in American Life* Susan Burgess, 2023-02-21 Using popular culture political time critical race theory and queer theory this book explores how LGBT people were transformed in the post WWII era from dangerous perverts who threatened family and state to military heroes and respectable married couples and parents **The Letters of Gregory the Great: Books 10-14** Pope Gregory I, Pontifical Institute of Mediaeval Studies, 2004 This translation of the Registrum epistularum of Gregory the Great the first complete version in English will provide all medievalists access to one of the most important documentary collections to have survived from the period All fourteen books of the letters are presented in three volumes each with a preface of its own but sharing the introduction found in the first volume *Wired to Lead* Suzanne Nadell, 2025-03-04 Do you feel called to lead but struggle to find your place in the church You have a passion to make a difference but sometimes it feels like your gifts are overlooked or undervalued You're not alone Suzanne Nadell author journalist and Christian leader understands your struggle In her book *Wired to Lead: Being the Leader the Church Didn't Think You Could Be* she shares her own journey of leading in a high pressure secular environment where her talents were celebrated and her leadership embraced In this book you'll learn How to dismantle unconscious biases and love all your neighbors just like Jesus did Practical strategies for bridging the gender divide in your church and community How to employ personal care and growth strategies including the importance of rest and boundaries How to be the solution by looking out for other women and paving the way for the next generation of female leaders *Wired to Lead* is a call to action for Christian

Broken Words Jonathan Dudley,2011-04-05 Abortion Homosexuality Environmentalism Evolution Conservative positions on these topics are the current boundaries of mainstream Evangelical Christianity But what if the theological arguments given by popular leaders on these big four were not quite as clear cut as they claim Growing up as an evangelical Christian Jonathan Dudley was taught that faith was defined by the total rejection of abortion homosexuality evolution and environmentalism But once he had begun studying biology and ethics his views began to change and he soon realized that what he had been told about the Bible and those four big issues may have been misconstrued Broken Words The Abuse of Science and Faith in American Politics assesses the scientific and cultural factors leading evangelicals to certain stances on each issue shows where they went wrong and critically challenges the scriptural ethical and biological arguments issued by those leaders today In Broken Words Dudley applies the Bible and biology to challenge the fixed political dogmas of the religious right Evangelicals are confronted for the first time from within their ranks on the extent to which faith has been corrupted by conservative politics cultural prejudice and naive anti intellectualism A re ordering of American Christianity is underway and this book is an essential part of the conversation **"That doesn't make him gay"** Jeffery P.

Dennis,2025-08-27 How do television viewers decide that characters are gay Why is one viewer convinced by a scene where two men smile at each other whereas another responds to a scene where they share a bed with I don t see how that makes them gay This book examines scenes situations and structures that permit characters to be read as LGBT including two same sex characters as a romantic couple in the dark comedy crime drama The Righteous Gemstones and other contemporary television series contrasted with social media posts that embrace ignore or deny their identity Some surprising strategies emerge such as if a man speaks to a woman he is always straight and they can t be a romantic couple if another character ever refers to them as friends This thoroughly researched work investigates the practices of viewers identifying gayness on television drawing conclusions about both media and audience

Funding Forward Grace Duddy Pomroy,2024-09-17 Many congregations across the country are coming to two seemingly unrelated realizations First the Sunday morning offering may not be enough to sustain their mission Second their ministry has been so internally focused that they are almost entirely disconnected from the community they are called to serve Funding Forward provides a path to help a congregation discern God s mission reconnect with the neighborhood and find a new more economically sustainable model for ministry Drawing on years of teaching research and field work Pomroy shows there are no one size fits all solutions for church and nonprofit finances There is no single model that will work for every ministry Each economic model has a distinct shape because each

ministry has a distinct mission and community However common tools span these ministry models repurposing church property social enterprise impact investing grants multi vocational ministry and more While the tools and models can spark creativity congregational leaders often wonder what process they might use to discern God s mission which tools will work best in their context and how they might get other congregational leaders on board Discernment and execution are much more challenging than the ideation process Funding Forward can help ministers and ministries move through the funding forward process from start to finish paying special attention to the leadership challenges and pitfalls they might encounter along the way

The Drama of Discipleship Gregory R. Perry,2022-04-21 How do Christ s followers reach across the dividing lines of our culture to offer hospitality and hope How do local congregations worship God faithfully on Sunday and bear witness to their neighbors with fitting words and deeds during the week Christ has called his people to follow the ways of his kingdom in their homes workplaces schools churches and neighborhoods The Drama of Discipleship is a resource for being and making disciples of Jesus in the everyday tasks of being human Each episode offers at least one group activity that is designed to catalyze group action on your local stage and build your congregation s practice of taking off the old ways of being human and putting on the true image of God Christ The Drama concludes with additional tools for those who lead small groups in the heartwork of discipleship as well as a neighborhood survey for those who lead congregations in the fieldwork of discipling the nations

Reckless Christianity Douglas Geivett,Holly Pivec,2025-03-27 Bethel Church California is one of the most popular and polarising churches in America With its own Christian music label reports of miraculous healings and the manifestation of a glittering Glory cloud the congregation of Bethel Church is ever growing Bethel Church situates itself in the global movement of the New Apostolic Reformation believing that present day apostles and prophets must govern the church Some praise the church for the clear manifestation of God s activity others see the integration of controversial and hazardous practices into the church In Reckless Christianity Holly Pivec and R Douglas Geivett provide meticulous research and an incisive critique of the Bethel movement Citing its charismatic senior leader Bill Johnson as promoting a reckless Christianity Pivec and Geivett return to Scripture the authoritative Word of God to provide guidance on the boundaries of practice and where these boundaries are

crossed In its pursuit of experimentation Reckless Christianity argues that the leaders of Bethel are pulling its followers into a dangerously speculative and experience driven Faith *A Most Stirring and Significant Episode* H. Paul Thompson, Jr.,2012-10-15 When Atlanta enacted prohibition in 1885 it was the largest city in the United States to do so A Most Stirring and Significant Episode examines the rise of temperance sentiment among freed African Americans that made this vote possible as well as the forces that resulted in its 1887 reversal well before the 18th Amendment to the Constitution created a national prohibition in 1919 H Paul Thompson Jr s research also sheds light on the profoundly religious nature of African American involvement in the temperance movement Contrary to the prevalent depiction of that movement as being one predominantly led by white female activists like Carrie Nation Thompson reveals here that African Americans were central to the rise of prohibition in the south during the 1880s As such A Most Stirring and Significant Episode offers a new take on the proliferation of prohibition and will not only speak to scholars of prohibition in the US and beyond but also to historians of religion and the African American experience *A Short History of the Middle Ages* Barbara H. Rosenwein,2009-01-01 Elegantly written and beautifully produced this book is a treat for teachers and students alike Rosenwein is a masterful storyteller her book will inspire and delight Fiona Griffiths New York University **I am Your Father** Mark Stibbe,2012-09-12 We live in an increasingly fatherless society Fatherless children are far more likely to be criminals or victims In January 2009 Mark quit as the senior leader of a successful and progressive Anglican congregation to found a ministry called The Father s House dedicated to taking the Father s love to the fatherless The task of the family of God is to take the Father s love to the fatherless To do this those who are already members of God s family need to have their father wounds healed This book will help those with hearts broken by their earthly fathers to find in their Heavenly Father the love of all loves In Part 1 Mark describes the different ways in which fathers can hurt their children In Part 2 he goes deeper defining the wound as the orphan heart and describing the main symptoms of this condition in peoples lives In Part 3 he shows how Christians can find true healing through experiencing the Spirit of adoption Witches and Demons Jean La Fontaine,2016-04-01 Devil worship black magic and witchcraft have long captivated anthropologists as well as the general public In this volume Jean La Fontaine explores the intersection of expert and lay understandings of evil and the cultural forms that evil assumes The chapters touch on public scares about devil worship misconceptions about human sacrifice and the use of body parts in healing practices and mistaken accusations of children practicing witchcraft Together these cases demonstrate that comparison is a powerful method of cultural understanding but warns of the dangers and mistaken conclusions that untrained ideas about other ways of life can lead to *Alienated Minority* Kenneth Stow,2009-06-01 This narrative history surveying one thousand years of Jewish life integrates the Jewish experience into the context of the overall culture and society of medieval Europe It presents a new picture of the interaction between Christians and Jews in this tumultuous era Alienated Minority shows us what it meant to be a Jew in Europe in the Middle Ages The story begins in the

fifth century when autonomous Jewish rule in Palestine came to a close and when the papacy led by Gregory the Great established enduring principles regarding Christian policy toward Jews Kenneth Stow examines the structures of self government in the European Jewish community and the centrality of emerging concepts of representation He studies economic enterprise especially banking constructs a clear image of the medieval Jewish family and portrays in detail the very rich Jewish intellectual life Analyzing policies of Church and State in the Middle Ages Stow argues that a firmly defined legal and constitutional position of the Jewish minority in the earlier period gave way to a legal status created expressly for Jews who in the later period were seen as inimical to the common good It was this special status that paved the way for the royal expulsions of Jews that began at the end of the thirteenth century *Christian Nationalism and the Paradox of Secularism* Andrew Fiala, 2025-05-08 Christian nationalism is a backlash against the success of secularism and the growth of nonreligion Its proponents go so far as to claim that secularism is diabolical This rejection of secularism poses a significant challenge for secular systems which aim to be inclusive of diverse religious ideas This book explains the depth of this challenge while recounting the views of Christian nationalists including Donald Trump It shows how key figures in the American tradition Adams Jefferson Madison and others promoted political secularism It uses Christian theology and modern political philosophy to argue in defence of secularism and against Christian nationalism **Actors of the Spaghetti Westerns** James Prickett, 2012-01-20 Musical accompaniment were jazzed up renditions that basically fit the art form like a glove with a stylish beat that usually pounded out the action as the story unfolded The music set the mood and the audiences followed Most of these films would never reach America during the era even though they were generally aimed at the American film goers The Actors who went to Italy and got involved in these lucrative new genre spinoffs all enjoyed star status recognition and glow of the limelight that came with it These are the Actors were talking about here [The Medford Historical Register](#), 1922 **The Publishers' Circular and Booksellers' Record**, 1909
