Pastor Honey and Angel Sarah Bertram,1993-01-01 *Dorothy Poetry Emotional Healing Thru Christ* Dorothy F Williams Alston,2013-05-17 My purpose for writing Dorothys Poetry was to share the feelings that words alone could not express My inner pain was louder than my thoughts I wanted to just yell but who would hear me Poetry was my way of letting others who were suffering as I knowing that no matter that God requests what you have or dont have you need to press on I had twelve weak evil spirits inside Now my confidential blood lamb runs victory daily My book helped me afraid trembled and annoyed and fearless reassurance lifted my spirits Helpful are firm and worthy goals beliefs and wishes those achievement wet and day seasons Moreover I wanted realize some times if I answerability the reasons for mistakes I do inner pain is inside my book and reading over all over again My poetry is about my journey within and the empowerment I received by taking my healing out of mans hand and trusting God for my total healing What you are about to read is my story and through it I hope you will accept that there is only one creator And his spirit and energy lives within us all *The Pastor's Farewell ... A Valedictory Sermon [on Acts Xx. 32].* George Swinnock,1662 **When Angels Fooled the World** Charles Fenyvesi,2003 In the years of Nazi occupation of Hungary Hungarian Jews referred to their Gentile rescuers as angels these seemingly ordinary men and women could hardly explain their actions I did what I had to do almost unconsciously said Lutheran Pastor Gabor Szttehlos Scrawny Mr Kanalas a disreputable janitor could chase away Nazi thugs without hesitation where did such behavior come from and why Erzesebet David was a weak and indecisive woman where did she find the will to forge Christian birth certificates Charles Fenyvesi and members of his family were on the helped by these angels Thousands of others were helped by Raoul Wallenberg the Swedish consul whose actions surprised many who knew him Fenyvesi writes as a historian and beneficiary of these modest angels who with their actions in a time of absolute terror soared while others crawled **The Angels Are in Wyoming** G. David Redding,2016-01-28 As Jack Samson rides into the small Wyoming town of Grigsby one wintery morning he does not know what lies in store for him All he does know is that announcing his arrival with gunfire and soon after beating the local drunkeven if it is to protect a childmakes for a bad first impression But then the towns suspicions of him are not completely unfounded after all he is running from the law Still a few locals give their visitor the shadow of a doubt Pastor James Worthingson for one and the beautiful widowed innkeeper Virginia White along with her mother and daughter These angels see through the moody mysterious exterior of this dark stranger to find that Samson is merely a bitter soul in need of Gods love These allies enlist the help of select localsthe blacksmith who offers Samson work but more importantly the church which offers him direction Meanwhile Virginia and Jack find themselves falling for each other and it isnt long before Samson feels hes on the up and up *In Valhalla's Shadows* W.D. Valgardson,2018-09-08 Ever since the accident ex cop Tom Parsons s life has been crumbling around him his marriage and career have fallen apart his grown children barely speak to him and he can t escape the dark thoughts plaguing his mind

Leaving the urban misery of Winnipeg he tries to remake himself in the small lakeside town of Valhalla with its picturesque winter landscape and promise as a fisherman s paradise As the locals make it clear that newcomers especially ex RCMP are less than entirely welcome he throws himself into repairing his run down cabin But Tom has barely settled in the town when he finds the body of a fifteen year old Indigenous girl on the beach not far from his home The police write off Angel s death as just another case of teenagers partying too hard But the death haunts Tom and he can t leave the case closed something just doesn t add up He begins visiting the locals a mix of Icelandic eccentrics drug dealers and other odd sorts you d expect to find in an isolated town seeking out Angel s story With the entitled tourists with their yachts and the mysterious Odin group living up the lake Valhalla is much more than it originally seemed And as Tom peels off the layers he hopes to expose the dark rot underneath W D Valgardson s expert manipulation of metaphor and imagery brings a mythic scale to the murder mystery at the heart of In Valhalla s Shadows He shapes a portrait of small town living with frank depictions of post

traumatic stress RCMP conduct systemic racism and the real life tragedies that are too often left unsolved **In Angels' Arms** Cheryl Venable,2019-05-01 D J O Connor had spent most of his adult life trying to find two Union Army officers that his family had assigned to have been from the ranks of the heavenly host because of help that they had provided to members of the family during the Civil War Both men had done God s work on earth to benefit not only his family but the whole idea of the greater good Following a clue DJ went to a home in Biscay Colorado where he was welcomed by the family of not only Second Lieutenant Devon W Labatte the man he had been told he would find there but the late Major Dr Earl Townsend the other officer he had been looking for The family invited DJ to sit with them to watch over Devon while he slept because they knew that his time was near As he was seeing the man that he had so much appreciation DJ s curiosity was racing Surveying the room DJ saw the evidence of a life well spent with tokens of travel and remembrances of special people and events One special event was remembered in a very large painting with both men s families along with three other families and on a small table near the bed was the photograph that the painter had used as a guide DJ asked about the painting and how all the people in it had become intertwined into one family For the rest of the day DJ listened intensely to the story of how these two men who had been raised in different parts of the country and with very different financial backgrounds had overcome many obstacles lived through the war become friends fought inner demons and raised their families together all the time treating everyone with respect and giving assistance to others as second nature Seeing Angels Joshua Mills,2019-09-03 A recent study found that 57 percent of Catholics 66 percent of Evangelical Protestants and 10 percent of Jews have reported having a personal experience with a guardian angel And 20 percent of those who identified themselves as having no religion also claimed having encountered an angel Seeing Angels is one of the most in depth examinations of angelic ministry by one of the cutting edge charismatic leaders in the church today Joshua Mills goes beyond the usual takes on angels regarding spiritual warfare and explores who they are how to recognize them and what they do Part I Understanding Your Angels is all

about understanding who angels are exploring why they are necessary and how different angels minister comfort healing love prosperity It reveals who they carry out specific geographic assignments for cities and nations as well as the more unique and extraordinary assignments they receive Part II Discerning Your Angels explains how to become more aware of the unseen heavenly realm as well as how to recognize divine intervention when it does reveal itself to human sight Such manifestations include random strangers visions or signs and messengers that believers receive Joshua also explains the way he has interacted with visions of radiant light swirling colors and what he describes as atmospheric shifts All of this is intended to make believers become more aware of both invisible and revealed spiritual realities Part III Working with Your Angels deals specifically with how to minister alongside these heavenly messengers as they stand watch provide protection and administer strength and comfort This includes recognizing their movements and how to effectively pray for angelic encounters to take place With a foreword by Patricia King Seeing Angels is among the most comprehensive teachings on recognizing angelic beings and understanding how to partner with them in ministry

continue the good fight in living for God In this little book Cheryl Myers presents an unvarnished description of many instances taken from her own spiritual odyssey that many saints will encounter at one time or another in their walk with God In her own unique and sometimes frank way she explains how she was able to always keep the victory and grow in the ways of God while not allowing herself to be overcome by the offenses that others can so often bring to our lives whether wittingly or unwittingly Sometimes all of us may find ourselves contending with people and situations within the church as much as with challenges from without remember a popular sermon theme better the stench of the Ark than the floodwaters outside the Ark And Satan too often works to magnify these problems unduly The key is to learn to forbear others and pray oneself through such situations while keeping the eye on the greater prize of soulwinning and living a spotless life as one runs the course set before us Cheryl offers us many worthwhile pointers here for doing such Rev Jeffery C Long **Lutherans of Cole County, Missouri** Jeremy Amick,2023 The Houses Lutherans Built Large groups of German immigrants began arriving in Cole County in the 1830s By 1843 thirty seven of them banded together to establish the first Lutheran church in the county Zion Church The following year the second Lutheran church was founded near Taos while the pastors at Zion helped establish a third congregation in Lohman in the 1850s Doctrinal disputes inspired members to leave the church in Lohman and establish a new Lutheran congregation in Stringtown after the Civil War Over the generations Zion the Mother Church disbanded but other Lutheran congregations developed in Centertown Honey Creek Russellville Jefferson City and near Brazito Local author Jeremy Amick details the rich history of Lutherans in Cole County **Three Spanish Angels** George Washington Copley,2011-02-22 This is a story about a very poor family living on a mothers small income trying to survive but the oldest son Nick learns that when his little brother Pedro cant go to school because his mama doesnt have the money to get him a pair of shoes and when Nick decided to steal his brother a pair of shoes he blames his mother for putting him in jail they sent Nick away a stranger stepped in and offered the family some help Lopez and Pedro didnt fit in at the church or at school they went to so they seeked revenge against the shoe store owner for sending their brother away and when Lopez and Pedro went to jail they didnt know they were blessed until they met Roman all three were sent to were theyre brother Nick was at and when Nick learned the truth about Roman Roman started crying then suddenly a tragedy strikes Lopez blames Nick for Romans death his brothers learns to hate him Nick has no one to turn to but the altar then miracles start to fall into place **Religious Telescope** ,1898
