**John Richards**

## **Pastoral Care And Counselling An Introduction To Anthropological Theories And Theorists:**

*Pastoral Care & Counselling* Gordon Lynch, 2002-10-04 I would recommend this text as a basic reading resource for those with an interest in the field as well as those who practice pastoral care and counselling Youth the social and institutional factors which form the context of pastoral care and what it means to act in an ethical and competent manner Accessibly written and illustrated with case examples Pastoral Care Counselling will be of interest to those already working in pastoral care and those training in theology and pastoral work *Postfoundationalist Reflections in Practical Theology* Brian C. Macallan, 2014-06-09 Postfoundationalist Reflections in Practical Theology seeks to explore the implications of a Postfoundationalist theology for the discipline of Practical Theology While moving beyond the modernist and postmodernist debates it charts a way forward for a theology that is bound by neither relativism nor certainty It believes that Practical Theology is well suited to this task by its very nature and methodology Examination Regulations University of Oxford, 2007 **Medical Books and Serials in Print, 1979** R. R. Bowker LLC, 1979-05 Christian Counseling and Occultism (Koch) Kurt E. Koch, 1965 **Religion Index One** ,1997 **Pastoral Theology** Ndung'u John Brown Ikenye, 2008 *New Society* ,1979 Index to Theses with Abstracts Accepted for Higher Degrees by the Universities of Great Britain and Ireland and the Council for National Academic Awards ,1998 Theses on any subject submitted by the academic libraries in the UK and Ireland **Whitaker's Books in Print** ,1998 Moving Beyond Individualism in Pastoral Care and Counseling Barbara J. McClure, 2010-01-01 Despite astute critiques and available resources for alternative modes of thinking and practicing individualism continues to be a dominating and constraining ideology in the field of pastoral psychotherapy and counseling Philip Rieff was one of the first to highlight the negative implications of individualism in psychotherapeutic theories and practices As heirs and often enthusiasts of the Freudian tradition of which Rieff and others are critical pastoral theologians have felt the sting of his charge and yet the empirical research that McClure presents shows that pastoral counseling practitioners resist change Their attempts to overcome an individualistic perspective have been limited and ineffective because individualism is embedded in the field's dominant theological and theoretical resources practices and organizational arrangements Only a radical reappraisal of these will make possible pastoral counseling practices in a post individualistic mode McClure proposes several critical transformations broadening and deepening the operative theologies used to guide the healing practice expanding the role of the pastoral counselor reimagining the operative anthropology reclaiming sin and judgment nuancing the particular against the individual rethinking the ideal outcome of the practices and reimagining the organizational structures that support the practices Only this level of revisioning will enable this ministry of the church to move beyond its individualistic limitations and offer healing in more complex effective and socially adequate ways **International Books in Print** ,1986 The Bookseller ,1969 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive

numbering of the regular series      **Introduction to Pastoral Counseling** Loren Townsend, 2009-06-01 Grounded in empirical research and richly illustrated with case studies this introduction continues the theoretical practical and theological expansion of Pastoral Care and Counseling Because of increasing cultural diversity and the fact that more training is done outside of seminaries in non seminary related colleges and universities there is fragmentation in the discipline This makes a coherent orientation to pastoral care and counseling as a ministry increasingly difficult To address this confusion author Loren Townsend calls us to readdress basic understandings He also makes the case that pastoral identity can function as a unifying concept      **The British National Bibliography** Arthur James Wells, 2005      **But Deliver Us from Evil** John Richards, 1974      **Forthcoming Books** Rose Arny, 1989-05      **Medical Books and Serials in Print** R. R. Bowker LLC, R.R. Bowker Company, 1978      **An Introduction to Pastoral Care** Charles V. Gerkin, 1997 With generative wisdom Gerkin moves beyond the predominance of the psychotherapeutic paradigm in pastoral care to a dynamic interactive process which balances faith culture community and individual well being Gerkin s history of pastoral care is skillful His analysis of the current transitions in the field of care will make this book a classic Jeanne Stevenson Moessner Columbia Theological Seminary Decatur and the Georgia Association for Pastoral Care Out of the abundance of his many years as a pastoral caregiver and theologian Gerkin introduces readers to the history theory and practice of pastoral care This book represents the best of Protestant liberal pastoral theology and fills a long standing gap The narrative hermeneutical paradigm which Gerkin offers holds and works with many of the complexities of pastoral care in postmodern times Carrie Doehring School of Theology Boston University Gerkin s Introduction to Pastoral Care breaks new ground for an introductory text in its emphasis on care as the central metaphor of life in the Christian community Thus the scope is much larger than the more usual focus only on individual and family needs He is deeply sensitive to both individual and community dimensions through his quadrilateral nexus of tradition individuals and family community and cultural context James N Lapsley Princeton Theological Seminary The formula appears simple take the very best of pastoral care theory and research of the past build upon it the best of contemporary literature and practice in the pastoral arts and sciences season it with rich experiences of a pioneer in the pastoral care counseling and education movement and you have a solid bridge to the 21st century Gerkin has proven the formula Gerkin articulates a pastoral care for the 21st century Orlo C Strunk Jr Pastoral Psychotherapist at The Coastal Samaritan Center Myrtle Beach South Carolina      **Yearbook of International Organizations** , 1967 Beginning in 1983 84 published in 3 vols with expansion to 6 vols by 2007 2008 vol 1 Organization descriptions and cross references vol 2 Geographic volume international organization participation vol 3 Subject volume vol 4 Bibliography and resources vol 5 Statistics visualizations and patterns vol 6 Who s who in international organizations From year to year some slight variations in naming of the volumes
